NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2019

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards, Urgent Issues Group Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Corporation Act 2001.

The financial report is for Samaritan's Purse Australia Limited as an individual entity. Samaritan's Purse Australia Limited is a company limited by guarantee, incorporated and domiciled in Australia.

The following is a summary of the material accounting policies adopted by the economic entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

BASIS OF PREPARATION

Adoption of Australian Equivalents to International Financial Reporting Standards

Samaritan's Purse Australia Limited has prepared the financial statements in with the Australian equivalents to International Financial Reporting Standards (IFRS).

In accordance with the requirements of International Financial Reporting Standards, the directors have reviewed the accounts and have determined that adjustments were not required to be made to the 2019 year or retrospectively in the 2018 comparative year.

The accounting policies set out below have been consistently applied to all years presented.

Reporting Basis and Conventions - Reporting Entity

The financial report has been prepared on an accruals basis and is based on historical costs. It does not take into account changing money values, or except where stated, current valuations of non current assets. Cost is based on the fair values of the consideration given in exchange for assets.

Adoption of new and revised accounting standards

The Company has adopted all standards which became effective for the first time at 31 December 2019, the adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the Company

New Accounting Standards and Interpretations

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods. The Company has decided not to early adopt these Standards.

Change in Accounting Policy

Adoption of AASB16

The Company has adopted AASB 16 Leases using the modified retrospective (cumulative catch-up) method from 1 January 2019 and therefore the comparative information for the year ended 31 December 2018 has not been restated and has been prepared in accordance with AASB 117 *Leases and associated Accounting Interpretations.*

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2019

Impact of Adoption of AASB 16

The impact of adopting AASB 16 is described below:

Company as Lessee

Under AASB 117, the Company assessed whether leases were operating or finance leases based on its assessment of whether the significant risks and rewards of ownership had been transferred to the Company or remained with the lessor. Under AASB 16, there is no differentiation between finance and operating leases for the lessee and therefore all leases which meet the definition of a lease are recognised on the statement of financial position (except for short-term leases and leases of low value assets).

The Company has elected to use the exception to lease accounting for short-term leases and leases of low value assets, and the lease expense relating to these leases are recognised in the statement of profit or loss on a straight line basis.

Practical expedients used on transition

AASB 16 includes a number of practical expedients which can be used on transition, the Company has used the following expedients:

contracts which had previously been assessed as not containing leases under AASB 117 were not re-assessed on transition to AASB 16;

lease liabilities have been discounted using the Company's incremental borrowing rate at 1 January 2019;

right-of-use assets at 1 January 2020 have been measured at an amount equal to the lease liability adjusted by the amount of any prepaid or accrued lease payments;

a single discount rate was applied to all leases with similar characteristics;

the right-of-use asset was adjusted by the existing onerous lease provision (where relevant) at 31 December 2019 rather than perform impairment testing of the right-of-use asset;

excluded leases with an expiry date prior to 31 December 2020 from the statement of financial position and lease expenses for these leases have been recorded on a straight-line basis over the remaining term;

used hindsight when determining the lease term if the contract contains options to extend or terminate the lease;

for leases which were classified as finance leases under AASB 117, the carrying amount of the right-of-use asset and the lease liability at 1 January 2020 are the same value as the leased asset and liability on 31 December 2019.

Financial Statement impact of adoption of AASB 16

The Company has recognised right-of-use assets of \$229,566 and lease liabilities of \$229,566 at 1 January 2019, for leases previously classified as operating leases.

The weighted average lessee's incremental borrowing rate applied to lease liabilities at 1 January 2019 was 3.99%.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2019

(a) Income Tax

The company is exempt from Income Tax by virtue of Subdivision 50-B of the Income Tax Assessment Act 1997.

(b) Property, Plant & Equipment

Plant and Equipment are measured on a cost basis less depreciation and impairment losses.

Plant and Equipment

The carrying amount of plant and equipment is reviewed annually to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining the recoverable amounts.

Depreciation

The depreciable amount of all fixed assets is depreciated on a straight line basis over their useful lives commencing from the time the asset is held ready for use.

(c) Investments

Investments brought to account are at cost or at directors' valuation. The carrying amount of investments is reviewed annually to ensure it is not in excess of the recoverable amount of these investments. The recoverable amount is assessed from the investment's current market value or the underlying net assets in the particular entities. The expected net cash flows from investments have not been discounted to their present value in determining the recoverable amounts, except where stated.

(d) Foreign Currency Transactions and Balances

Foreign Currency transactions during the period are converted to Australian currency at the rates of exchange applicable at the dates of the transaction. Amounts receivable and payable in foreign currencies at balance date are converted to the rates of exchange at that date.

The gains and losses from conversion of short-term assets and liabilities, whether realised or unrealised, are included in operating profit before income tax as they arise.

(e) Employee Entitlements

Provision is made for the company's liability for the employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those entitlements.

Contributions are made by the company to an employee superannuation fund are charged as expenses when incurred.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2019

(f) Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the entity and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised:

When project revenue is received whereby the entity incurs an obligation to deliver economic value for the project, the revenue is recognised in the statement of financial position as a liability until the service has been delivered for that project. Otherwise project revenue is recognised as income on receipt.

All revenue is stated net of the amount of goods and services tax (GST).

Revenue is brought to account as and when the donations are received.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Other income is recognised on an accruals basis when the Company is entitled to it.

(g) Good and Services Tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of (GST) incurred is not recoverable from the Australian Taxation Office (ATO)

Receivables and payables are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(h) Inventories

Inventories held for sale are goods carried at the lower of cost allocated and net realisable value.

(i) Members' Guarantee

The company is limited by guarantee. If the company is wound up, the Constitution states that each member is required to contribute a maximum of \$10 each towards meeting any outstanding obligations of the company. At 31 December 2019 the number of members was 39 (31 December 2018, 39).

NOTE 2: CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

The directors make estimates and judgments during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgments made have been described below:

Key estimates - Project funds held

The project funds held have been reviewed to determine whether there is any objective evidence that any of the project funds have not been utilised or already expended. The project funds liability stated is based on the best information at reporting date. of unused or unexpended services.

There are no known events subsequent to balance date that have had an impact on the results of the year ending on balance date.

The Company expects to continue to receive funding and grants from the USA which will absorb some expected expenditures during the coming year.

Due to unexpected changes because of the Covid-19, the expected income and expenditure may vary to the budget and the cash flow may diminish. The Government stimulus packages announced and any that may still be announced , (if any), may assist in mitigating this possible reduction in cash flow.

INDEPENDENT AUDIT REPORT

TO: The Members of Samaritan's Purse Australia Limited

Report on the Financial Report

We have audited the financial report, being a general purpose financial report of SAMARITAN'S PURSE AUSTRALIA LIMITED, which comprises the statement of financial position as at 31 December 2019, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and the responsible entity's declaration.

In our opinion, the financial report of SAMARITAN'S PURSE AUSTRALIA LIMITED has been prepared in accordance with the Division 60 of the *Australian Charities and Not-for-Profits Commission Act 2012*, including:

- (a) giving a true and fair view of SAMARITAN'S PURSE AUSTRALIA LIMITED's financial position as at 31 December 2019 and of its financial performance and cash flows for the year ended on that date; and
- (b) complying with Australian Accounting Standards to the extent described in Note 1, and Division 60 of the Australian Charities and Not-for-Profits Commission Regulation 2013

Basis of opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the registered entity in accordance with ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the registered entity's financial reporting responsibilities under the ACNC Act. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibility of the Responsible Entities for the Financial Report

The responsible entities of the registered entity are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the ACNC Act and the needs of the members. The responsible entities' responsibility also include such internal control as the responsible entities determine is necessary to enable the preparation of a financial report that gives a true and fair view view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the responsible entities are responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the responsible entities either intend to liquidate the registered entity or cease operations, or have no realistic alternative but to do so.

The responsible entities are responsible for overseeing the registered entity's financial reporting process.

INDEPENDENT AUDIT REPORT - cont'd

Auditor's Responsibility for Audit of the Financial Report

Our objectives are to to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to these risks, and obtain audit evidence that is sufficient and appropriateness to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions misrepresentations or override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by responsible entities.

Conclude on the appropriateness of responsible entities' use of the going concern basis of accounting and based on the audit evidence obtained, whether the material uncertainty exists related to events or conditions that may cast significant doubt on the registered entity's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or condition's may cause the registered entity to cease to continue as going concern.

Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation

We communicate with responsible entities regarding , among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit
