**DIRECTORS' REPORT AT 30 JUNE 2017**

---

The Directors' present their report together with the Financial Statements, on the Company for the year ended 30 June 2017.

**Directors**

The following persons were Directors of the Company during the whole of the financial year and up to the date of this report, unless otherwise stated:

Shelley Boyce (Chair)  
David Allen (Public Officer)  
Sonia Carnevale (Treasurer)  
Janina Rodrigues (Secretary)  
Nicole Smith  
Simon Walker - Resigned 24 November 2016  
Michael White - Resigned 14 March 2017

**Principal Activities**

The principal activity of the company during the year was that of philanthropy. There has been no change to the principal activities of the company during the year.

**Review of Operations**

The surplus/(deficit) of the company for the financial year, after providing for income tax amounted to:

2017	173,266.76
2016	264,939.53

**Likely Developments**

The company expects to maintain the present status and level of operations and hence there are no likely developments in the operations in future financial years.

**Meeting of Directors**

During the year 10 Directors' meetings were held.

**SOUTHERN HIGHLANDS FOUNDATION  
ABN 16 098 283 213**

**DIRECTORS' REPORT AT 30 JUNE 2017**

---

**Auditors' Independence Declaration**

A copy of the Auditors' independence declaration as required under section 307C of the Corporations Act 2001 is set out on page 4.

This report is made in accordance with a resolution of Directors, pursuant to section 298(2)(a) of the Corporations Act 2001.

Signed in accordance with a resolution of the Board of Directors

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2017**

---

The financial report covers Southern Highlands Foundation as an individual entity. The financial report is presented in Australian dollars which is the Southern Highlands Foundation's functional and presentation currency.

The financial report consists of the financial statements, notes to the financial statements and the Directors' declaration.

Southern Highlands Foundation is a non-for-profit unlisted public company limited by guarantee.

The financial report was authorised for issue, in accordance with a resolution of Directors. The Directors have the power to amend and reissue the financial report.

## **1 Significant Accounting Policies**

The principal accounting policies adopted in the presentation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated. The measurement bases are more fully described in the accounting policies below.

### **Basis of Preparation**

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and Interpretations issued by the Australian Accounting Standards Board ('AASB'), and the Corporations Act 2001. These financial statements do not comply with International Financial Reporting Standards as issued by the International Accounting Standards Board ('IASB').

### **Revenue Recognition**

Revenue comprises revenue from the sale of goods, grants, fundraising activities and client contributions. Revenue is measured by reference to the fair value of consideration received or receivable by the company for goods supplied and services provided, excluding sales taxes, rebates, and trade discounts.

Revenue is recognised when the amount of revenue can be measured reliably, collection is probable, the costs incurred or to be incurred can be measured reliably, and when the criteria for each of the Group's different activities have been met. Details of the activity-specific recognition criteria are described below.

### **Sale of Goods**

Revenue from the sale of goods comprises revenue earned from the sale of goods donated and purchased for resale. Sales revenue is recognised when the control of goods passes to the customer.

**SOUTHERN HIGHLANDS FOUNDATION**  
**ABN 16 098 283 213**

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2017**

---

**Grants**

A number of the Group's programs are supported by grants received from the federal, state and local governments and other charitable foundations. If conditions are attached to a grant which must be satisfied before the Group is eligible to receive the contribution, recognition of the grant as revenue is deferred until those conditions are satisfied.

Where a grant is received on the condition that specified services are delivered, to the grantor, this is considered a reciprocal transaction. Revenue is recognised as services are performed and at year-end until the service is delivered.

Revenue from a non-reciprocal grant that is not subject to conditions is recognised when the Group obtains control of the funds, economic benefits are probable and the amount can be measured reliably. Where a grant may be required to be repaid if certain conditions are not satisfied, a liability is recognised at year end to the extent that conditions remain unsatisfied.

Where the Group receives a non-reciprocal contribution of an asset from a government or other party for no or nominal consideration, the asset is recognised at fair value and a corresponding amount of revenue is recognised.

**Donations and Bequests**

Donations collected, including cash and goods for resale, are recognised as revenue when the Group gains control, economic benefits are probable and the amount of the donation can be measured reliably.

Bequests are recognised when the legacy is received. Revenue from legacies comprising bequests of shares or other property are recognised at fair value, being the market value of the shares or property at the date the Group becomes legally entitled to the shares or property.

**Interest revenue**

Interest revenue is recognised as it is received and not using the effective interest method. This method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset, is not used as the Directors' do not believe it would add value to the report.

**Other Revenue**

Other revenue is recognised when it is received or when the right to receive payment is established.

**Operating Expenses**

Operating expenses are recognised in profit or loss upon utilisation of the service or at the date of their origin.

**SOUTHERN HIGHLANDS FOUNDATION**  
**ABN 16 098 283 213**

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2017**

---

**Income Tax**

No provision for income tax has been raised as the Group is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

**Cash and Cash Equivalents**

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

**Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST components of investing and financing activities, which are disclosed as operating cash flows.

**Financial Instruments**

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the financial instrument, and are measured initially at fair value adjusted by transactions costs, except for those carried at fair value through profit or loss, which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities are described below. Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

**SOUTHERN HIGHLANDS FOUNDATION**  
**ABN 16 098 283 213**

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2017**

---

*Classification and subsequent measurement of financial assets*

For the purpose of subsequent measurement, financial assets other than those designated and effective as hedging instruments are classified into the following categories upon initial recognition:

- loans and receivables
- financial assets at fair value through profit or loss (FVTPL)
- Held-to-maturity (HTM) investments
- Available-for-sale (AFS) financial assets

All financial assets except for those at fair value through profit or loss (FVTPL) are subject to review for impairment at least at each reporting date to identify whether there is any objective evidence that a financial

asset or a group of financial assets is impaired. Different criteria to determine impairment are applied for each category of financial assets, which are described below. All income and expenses relating to financial assets that are recognised in profit or loss are presented within finance costs or finance income, except for impairment of trade receivables which is presented within other expenses.

The company only holds Financial assets at fair value through profit or loss.

*Available-for-sale (AFS) financial assets*

Available-for-sale (AFS) financial assets are non-derivative financial assets that are either designated to this category or do not qualify for inclusion in any of the other categories of financial assets. The Group's AFS financial assets include listed securities. All available-for-sale (AFS) financial assets are measured at fair value. Gains and losses are recognised in other comprehensive income and reported within the AFS reserve within equity, except for impairment losses and foreign exchange differences on monetary assets, which are recognised in profit or loss. When the asset is disposed of or is determined to be impaired the cumulative gain or loss recognised in other comprehensive income is reclassified from the equity reserve to profit or loss and presented as a reclassification adjustment within other comprehensive income. Reversals of impairment losses for AFS debt securities are recognised in profit or loss if the reversal can be objectively related to an event occurring after the impairment loss was recognised. For AFS equity investments impairment reversals are not recognised in profit loss and any subsequent increase in fair value is recognised in other comprehensive income.

**Contingent Assets & Liabilities**

Any reimbursement that the Group can be virtually certain to collect from a third party with respect to the obligation is recognised as a separate asset.

No liability is recognised if an outflow of economic resources as a result of present obligation is not probable. Such situations are disclosed as contingent liabilities, unless the outflow of resources is remote in which case no liability is recognised.

**11 Contingent Liabilities**

Apart from the company operating in its own right, the company acts as trustee for the Southern Highlands Foundation Trust (the trust). As trustee, the company is liable for the liabilities of the trust. However, the trust had sufficient assets to pay these liabilities at the reporting date and the company does not anticipate that there will be a shortfall or a going concern issue in the foreseeable future.

No assets or liabilities of the trust were recognised in these financial statements.

The company had no contingent liabilities as at 30 June 2017 and 30 June 2016.

**12 Commitments for Expenditure**

The company had no commitments for expenditure as at 30 June 2017 and 30 June 2016.

2016  
\$

---

### **13 Related Party Transactions**

**Transactions with related parties**

There were no transactions with related parties during the financial year.

**Receivable from and payable to related parties**

There were no trade receivables from or trade payables to related parties at the reporting date.

**Loans to/from related parties**

There were no loans to or from related parties at the reporting date.

### **14 Other Disclosures**

It has come to the attention of the Board during the year, that matters of legislative non-compliance in the Board's capacity as Trustee of the Southern Highlands Foundation Trust have occurred. While the Directors strongly believe there is no misappropriation of funds, the company is working together with legal assistance to rectify these matters and ensure that this does not occur in the future. The Directors do not believe that there are any material liabilities that will result from rectification.

In addition to this, monies that were provided to the Southern Highlands Foundation, either in its' own capacity or as trustee for the Southern Highlands Foundation Trust, have been incorrectly classified as income of the wrong entity. This was due to a misunderstanding of the relevant legislation.

Monies from Bequests, were deposited to the Southern Highlands Foundation Trust, when as they were not subject to DGR provisions, should have been allocated to the Southern Highlands Foundation. A donation received in the 2016 financial year was also incorrectly transferred from the Southern Highlands Foundation Trust to the Southern Highlands Foundation, which is not permissible as the company does not hold DGR status in its' own right. These items have been corrected as part of the adjustments to retained earnings. The Creditor to the Southern Highlands Foundation, is part of resolving these issues.

### **15 Events Occurring After Reporting Date**

Other than for the matter referred to in Note 14, no matter or circumstance has arisen since 30 June 2017 that has significantly affected, or may significantly affect the company's operations, the results of those operations, or the company's state of affairs in future financial years.

## **SOUTHERN HIGHLANDS FOUNDATION**

**ABN 16 098 283 213**

### **Independent audit report to the members of the Southern Highlands Foundation**

#### **Report on the audit of the financial report**

##### **Qualified Opinion**

I have audited the accompanying financial report of Southern Highlands Foundation (the company), which comprises the Income Statement, Comprehensive Income Statement, Statement of Financial Position, Statement of Changes In Equity, Statement of Cash Flows, Notes To The Financial Statements and the Directors Declaration.

In my opinion except for the matters relating to donations and fundraising and the prior year audit referred to below in my Basis of Opinion paragraph, the accompanying financial report of the company for the year ended 30 June 2017 is prepared, in all material respects, in accordance with the Corporations Act 2001, including:

- (i) Giving a true and fair view of the company's financial position as at 30 June 2017 and of its financial performance for the year ended; and
- (ii) Complying with Australian Accounting Standards and the Corporations Regulations 2001.

##### **Basis of Opinion**

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial report section of my report. I am independent of the company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the code.

I confirm the independence declaration required by the Corporations Act 2001, which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this audit report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Donations are a significant source of revenue for the company. As is common for organisations of this type, it is not practicable for Southern Highlands Foundation to maintain an effective system of internal control over donations and other fundraising activities until their initial entry into the accounting records. Accordingly, as the evidence available to use regarding revenue from this source is limited, my procedures with respect to donations has to be restricted to the amounts recorded in the financial records. I therefore, am unable to express an opinion whether the donations the company obtained are complete.

I did not conduct the audit of the previous financial year and do not express any opinion on the comparative figures.

### **Emphasis of matter**

I draw attention to note 14 of the financial report. I am not able to express an opinion on the impact of these matters, if any, until the matters are dealt with by the relevant regulatory authorities.

### **Responsibilities of Director's for the Financial Report**

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine are necessary to enable the preparation of the financial report that gives a true and fair view from material misstatement whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### **Auditors' Responsibility for the Audit of the Financial Report**

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditors' report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditors' report. However, future events or conditions may cause the company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the directors with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with the directors, I determine those matters that were of most significance in the audit of the financial report of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation preclude public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public benefits of such communication.
