1 SUMMARY OF MATERIAL ACCOUNTING POLICY INFORMATION

The financial statements are special purpose financial statements that have been prepared for distribution to the Board Members to fulfil the Board Members' financial accountability requirements under the Association's Constitution, the Associations Incorporation Act, 1985 (SA), the Australian Charities and *Not-for-profits Commisison Act 2012 and the Australian Charities and Not-for-profits Commision Regulation 2022.* The Board Members have determined that the Association is not a reporting entity.

(a) Basis of Accounting

The financial statements, except for the cash flow information, have been prepared on an accruals basis of accounting including the historical cost convention and the going concern assumption and do not take into account changing money values or, except where specifically stated, current valuations of non - current assets.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ("AASB") and the disclosure requirements of AASB 101 "Presentation of Financial Statements", AASB 107 "Statement of Cash Flows", AASB 108 "Accounting Policies, Changes in Accounting Estimates and Errors", AASB 1048 "Interpretation of Standards" and AASB 1054 "Australian Additional Disclosures", as appropriate for not-for-profit oriented entities.

(b) Cash on Hand

Cash on hand includes cash on hand, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less, and bank overdrafts.
Bank overdrafts are shown within short term borrowings in current liabilities on the statement of financial position.

(c) Inventories on Hand

The association does not have any inventories.

(d) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value, less where applicable, any accumulated depreciation.

Cost and Valuation

Leasehold improvements, furniture, plant and equipment are recorded at cost and or Board Members' valuation.
Any surplus on revaluation is credited directly to the asset revaluation reserve and excluded from the Statement of Profit or Loss & Other Comprehensive Income.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Any gain or loss on the disposal of revalued assets is determined as the difference between the carrying value of the asset at the time of disposal and the proceeds from disposal, and is included in the results of the association in the year of disposal.

LUTHERAN EDUCATION SA, NT & WA INC.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2025

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(d) Property, Plant and Equipment (Cont)

Depreciation

All assets, excluding leashold improvements, are depreciated over their useful lives to the association, commencing from the time the asset is held ready for use.

Depreciation value is provided on a straight line basis on all items of plant, equipment and motor vehicles at rates calculated to allocate the cost, less estimated residual value at the end of the useful lives of the assets, against revenue over their estimated useful lives.

Major depreciation periods are:	Term :	Rate :
- Furniture, plant and equipment	5 to 10 years	10% to 20%
- Computers	3 years	33.33%
- Motor Vehicles	10 years	10%
- Buildings	50 years	2%

Valuation of Land and Buildings

The Land at 137 Archer Street, North Adelaide, on which the association buildings and improvements are located, is owned by the Lutheran Church of Australia, SA & NT District Incorporated.
The association has been granted an equity share in and continued use of the property by the Lutheran Church of Australia, SA & NT District Incorporated.
Buildings and improvements are shown at cost less, where applicable, any accumulated depreciation.
It is the association's policy to revalue buildings and improvements on a five year cycle or when appropriate.
A valuation was conducted in 2023.

Insurance

All property, plant and equipment is insured with the LCA Insurance Fund.

(e) Impairment of assets

At each reporting date the Board reviews the carrying value of tangible & intangible assets to determine whether there is any indication that those assets have been impaired. If any such indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less cost to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over it's recoverable amount is expensed to the Statement of Profit or Loss & Other Comprehensive Income.

(f) Leases

Leases of property, plant and equipment, where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the entity, are classified as finance leases.

Finance leases are capitalised, recognising an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values.

Leased assets are depreciated on a straight - line basis over their estimated useful lives where it is likely that the Association will obtain ownership of the asset. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Operating lease payments, where the lessor effectively retains substantially all of the risks and benefits of ownership of the leased items, are included in the determination of the operating result in equal installments over the lease term.

(g) Income Tax

The Association is exempt from income tax under the provisions of Section 50-5 of the Income Tax Assessment Act 1997.

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(h) Employee Entitlements

Provision is made for the association's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits have been measured including their related on costs.

Annual leave for staff due at 31 December, where unpaid, is reflected in the financial statements as a provision.

Sick leave taken by employees is charged as an expense when incurred.

Provision is made for long service leave entitlement estimated to be payable to employees on the basis of statutory and contractual requirements. Long service leave entitlements are recognised from the commencement of employment and a provision is made for 100% of this cost.
Vested entitlements (employees with more than 7 years service), are classified as current liabilities.

As at 31 December 2025 the Association has long service leave entitlements for employees with 7 or more years of service totalling $329,728 (2024 $385,954).

The long service leave provision includes 12.85% on-costs for superannuation and workcover.

Within the Lutheran System of Schools there is full portability of leave entitlements for employees transferring from one Lutheran School entity to another Lutheran School entity.
The total amount of portable long service leave at 31 December 2025 is $387,361 (2024: $420,300).

Under Clause 23.3 of the Lutheran Schools SA Enterprise Agreement 2024, an eligible employee commencing parental leave is entitled to a Parental Leave Payment equal to 14 weeks pay at their substantive rate (including PAR Allowance). In addition, the employee will accrue entitlements of Long Service Leave (2 days), Annual Leave (3 days) and superannuation (Superannuation Guarantee Contribution Rate).

The association has not recognised a provision for parental leave at 31 December 2025.

Sabbatical leave is provided by the association in accordance with employees' salary and condition guidelines

The contributions made to superannuation funds by the Association are charged as an expense.

(i) Revenue and Other Income

The nature of the assoiation's activities allows it to raise funds from operations, principally from levies and income on investments.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customer.

The association recognises levies income on an accruals basis. Under the accruals basis of accounting, levies represented by outstanding debts have been brought to account as trade debtors.

Grant income is brought to account in the association's Income and Expenditure Statement in the period to which the income relates.

Interest revenue is recognised on an entitlement or accruals basis and using the rate inherent in the financial instrument.
Dividend revenue is recognised upon receipt of the distribution.

All revenue is stated exclusive of the amount of goods and services tax (GST).

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(j) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised exclusive of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Receivables and payables in the Statement of Financial Position are shown inclusive of GST.
The amount of GST recoverable from the ATO is included with other receivables or payables in the Statement of Financial Position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in other receipts from customers or payments to suppliers.

(k) Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(l) Comparative Figures

Comparative figures have been adjusted to conform to changes in presentation for the current financial year, where required by accounting standards, or, as a result of changes in accounting policy.

(m) Critical Accounting Estimates and Judgements

The Board Members evaluate estimates and judgments incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Association.

(n) Economic Dependency

The future operations of the association are dependent upon member schools achieving & maintaining appropriate student enrolment numbers, the continuation af adequate funding from Australian & South Australian Governments in respect of operation & capital grants and the achievement of operating surpluses and positive operating cash flows.

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(o) Receivables

A number of schools within the LESNW system have historically been provided financial support by the LESNW to ensure their continued operation or in the event of closure to meet statuatory obligations.
These receivables will generally be recovered through:

1. The retention of SDF levies from each of the participating member schools; and / or
2. The sale of property

	2025 $	2024 $
Receivables relating to closed schools		
Ocean Forest Lutheran College	-	5,943,458
	-	5,943,458

In respect of the Ocean Forest Lutheran College receivable, the land and buildings of the College were sold to Baptist Education Resources Inc (BER) in 2018 for $12.5M. Under the terms of the sale LESNW provided vendor finance to BER and took a mortgage over the property to secure LESNW position under the sale agreement. The BER was underwritten by Quinns Baptist College Inc and Australian Baptist Education Inc.

The receivable shown above in respect of the Ocean Forest Lutheran College was thus supported by not only the retention of SDF levies, and the mortgage held over the land and buildings, but also the recovery of the vendor finance provided to BER on settlement. Any principal repayments by BER of the vendor finance were taken to reduce the amount outstanding from the Ocean Forest Lutheran College receivable at the time of receipt. Any amount over and above the amount outstanding was quarantined in the association's Future Fund.

This receivable was settled by BER in July 2025, with the proceeds transferred to the Future Fund to be quarantined as per the requirements of that Fund (Note 1(q)).

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(p) New Accounting Standards and Interpretations not yet mandatory or early adopted

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet mandatory, have not been early adopted by the Association for the annual reporting period ended 31 December 2025. The Association has not yet assessed the impact of these new or amended Accounting Standards and Interpretations.

AASB 18 "Presentation and Disclosure in Financial Statements" - this standard is applicable to annual reporting periods beginning on or after 1 January 2027 and early adoption is permitted. The standard replaces IAS 1 'Presentation of Financial Statements', with many of the original disclosure requirements retained and there will be no impact on the recognition and measurement of items in the financial statements. The standard will affect presentation and disclosure in the financial statements, including introducing new categories in the statement of profit or loss and other comprehensive income: operating, investing and financing.

(q) Future Fund Liability

The Association allocates any surpluses in the System Development Fund (SDF) to the Future Fund Liability.These funds are designated to secure future systemic development activities, such as the establishment of new learning communities, asset acquisitions, and debt servicing in the event of a community closure. The Future Fund Liability reflects the obligation to maintain sufficient reserves to meet these financial needs, in accordance with the Association's Future Fund policy.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LUTHERAN EDUCATION SA, NT & WA INC

Opinion

We have audited the financial report, being a special purpose financial report, of Lutheran Education SA, NT & WA Inc (the Association), which comprises the statement of financial position as at 31 December 2025, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information, and the board members' declaration.

In our opinion, the accompanying financial report of Lutheran Education SA, NT & WA Inc, is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*; including:

(i) giving a true and fair view of the entity's financial position as at 31 December 2025 and of its financial performance for the year then ended; and

(ii) complying with Australian Accounting Standards to the extent described in Note 1 and Division 60 of the *Australian Charities and Not-for-profits Commission Regulations 2022*.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the entity in accordance with the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter – basis of accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Association's financial reporting responsibilities under the *Australian Charities and Not-for-profits Commission Act 2012.* As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Other information

The Board Members are responsible for the other information. The other information comprises the information in Association's report of the board members and detailed statement of income and expenditure for the year ended 31 December 2025, but does not include the financial report and the auditor's report thereon.

Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LUTHERAN EDUCATION SA, NT & WA INC (CONT)

Other information (cont)

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the other information we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the board members for the financial report

The Board Members of Lutheran Education SA, NT & WA Inc are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report, is appropriate to meet the requirements of the *Australian Charities and Not-for-profits Commission Act 2012.* The Board Members' responsibility also includes such internal control as the Board Members determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Board Members are responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the members either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so.

The Board Members are responsible for overseeing the entity's financial reporting process.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LUTHERAN EDUCATION SA, NT & WA INC (CONT)

Auditor's responsibility for the audit of the financial report (cont)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by those charged with governance.
- Conclude on the appropriateness of the Board Member's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board Members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
