See note 11 of the Notes to the financial statements

The Statements of Cash Flows and Changes in Equity are to be read in conjunction with the notes to the financial statements set out on pages 10 to 21.

Notes to the financial statements

1 Statement of significant accounting policies

The financial report is a general purpose financial report which has been prepared in accordance with Accounting Standards, including Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Act 2001.

The financial report is for Kairos Prison Ministry Australia as an individual entity, incorporated and domiciled in Australia. It is a company limited by guarantee.

The following is a summary of the material accounting policies, which have been adopted in the preparation of this financial report. The accounting policies set out below have been consistently applied, unless otherwise stated.

Basis of preparation.

The financial report has been prepared on an accruals basis and is based on historical costs.

Accounting policies:

(a) Revenue recognition

Revenues are recognised at fair value of the consideration received net of the amount of goods and services tax (GST) payable to the Australian Tax Office (ATO), except where the amount of GST is not recoverable from the ATO. Donations are recognised as received, except where paid by donors prior to year end and received in the next financial year.

The unexpended portion of donations which are designated for specific purposes is carried forward as reserves.

(b) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the ATO. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense.

The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the Balance Sheet.

Cash flows are presented in the cash flow statement on a gross basis.

(c) Taxation

No income tax expense has been charged in the accounts as the company's income is exempt from income tax. The company also has received Deductible Gift Recipient (DGR) status from the ATO, enabling donors to claim tax deductions on gifts \$2 and over.

Notes to the financial statements (continued)

1 Statement of significant accounting policies (cont)

(d) Plant and equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets.

The depreciable amount of all non-current assets is depreciated using a combination of the straight line method and the reducing balance method over their estimated useful lives, commencing from the time the asset is ready for use.

The depreciation rates used for each class of asset are as follows:

	2018	2017
General plant -straight line	15%	15%
Office equipment -straight line	15-33%	15-33%

(e) Employee benefits

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs.

Long service leave

The provision for employee benefits for long service leave is normally recognised commencing the year after five years of service. No employees have met this condition and so no amount has been provided.

Superannuation fund

The company contributes to industry superannuation funds on behalf of employees.

Notes to the financial statements (continued)

1 Statement of significant accounting policies (cont)

(f) Receivables

Amounts payable to the Company by its State Councils / Regional Committees are eliminated on consolidation. Only amounts receivable from third parties are disclosed in Note 6. The collectability of debts is assessed at year-end and specific provision is made for any doubtful accounts. The directors believe the full amount is recoverable and therefore, no provision is required. The carrying amount of receivables approximates net fair value.

(g) Payables

Amounts payable by State Councils / Regional Committees to the Company are eliminated on consolidation. Only amounts payable to third parties are disclosed in Note 9

Liabilities are recognised for amounts to be paid in the future for goods or services received. Trade accounts payable are normally settled within 30 days.

(h) Cash

For the purposes of the Statement of Cash Flows, cash includes cash on hand and at call deposits with banks.

(i) Comparative figures

Where required by Accounting Standards comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(j) Authority to issue financial report

The financial report was authorised for issue on 16 March 2019 by the board of directors.

1A Accounting Policies

The directors have considered those Accounting Standards and Interpretations that were issued or amended but not yet effective. It has been concluded that those Accounting Standards and Interpretations would not have a material impact on the entity's future financial statements.

1B Members' Guarantee

Kairos Prison Ministry Australia is a company limited by guarantee. 16 Financial risk management

The Company's activities expose it to a variety of financial risks including fair value, interest rate risk and liquidity risk. These risks are managed and monitored as follows:

(i) Fair value

The carrying amount of financial assets and financial liabilities recorded in the financial statements represents their net fair values, determined in accordance with generally accepted accounting policies.

(ii) Interest rate risk

The Company has no interest bearing liabilities, therefore the Company's income and operating cash flows are not subject to adverse changes in market interest rates.

The Company's only exposure to interest rate risk as at the reporting date relates to its cash deposits (refer to Note 5), all of which are held by various banks and building societies. All other financial assets and liabilities are non-interest bearing.

(iii) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and availability of funding.

17 Commitments for expenditure

From 1 January 2019 the Company entered into a twelve month lease agreement for a total commitment of \$23,554 (including GST) and has the option to renew for a further twelve month period.

**INDEPENDENT AUDIT REPORT
to the Members of
KAIROS PRISON MINISTRY AUSTRALIA
(hereinafter referred to as "KPMA")**

Report on the Financial Report

I have audited the accompanying Financial Report of KPMA which comprises the Income Statement for the year ended 31st December, 2018, Balance Sheet as at that date, Statement of Cash Flows for the year then ended, Notes to the Financial Statements for the year then ended and Directors' Declaration signed in accordance with a resolution of the Board on 16th March 2019.

Directors' Responsibility for the Financial Report

The Directors of KPMA are responsible for the preparation and fair presentation of the Financial Report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. This responsibility includes establishing and maintaining internal control relevant to the preparation of the Financial Report that is free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

My responsibility is to express an opinion on the Financial Report based on my audit. I have conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the Financial Report is free from material misstatement. An audit involves performing procedures to obtain audit evidence about amounts and disclosures in the Financial Report. The procedures selected depend on the auditor's judgement, including the assessment of risks of material misstatement of the Financial Report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to KPMA's preparation and fair presentation of the Financial Report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KPMA's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the Financial Report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independence

In conducting my audit, I have complied with the independence requirements of the Corporations Act 2001. I confirm that the independence declaration required by that Act, provided to the directors of KPMA, would be in the same terms if provided to the directors as at the date of this audit report.

Qualification

As is common with entities such as KPMA, it is not practical for KPMA to maintain an effective system of internal control over donations and other fundraising activities until their initial entry in the accounting records. Accordingly, the audit in relation to fundraising was limited to amounts recorded.

Auditor's Opinion

Subject to any financial effects arising from the qualification above, in my opinion :

the Financial Report of KPMA is in accordance with the Corporations Act 2001, including :

- (i) giving a true and fair view of KPMA's financial position as at 31st December 2018 and of its performance for the year then ended; and
- (ii) complying with Australian Accounting Standards (including Australian Accounting Interpretations) and the Corporations Regulations 2001.

Furthermore, as required by the Charitable Fundraising Act (NSW) 1991, I report that, in my opinion :

- (iii) the accounts and associated records have been properly kept in accordance with that Act; and
- (iv) money received as a result of fundraising appeals conducted during the year has been properly accounted for.

The directors have signed a declaration (page 22) that there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.
