# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

### **NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

### (a) Basis of accounting

New Hope International Limited has adopted the pronouncements of AASB 1053: Application of Tiers of Australian Accounting Standards and AASB 2010-2: Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements of the Australian Accounting Standards Board, the Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act) and the NSW Charitable Fundraising Act. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in a financial report containing relevant and reliable information about transactions, events and conditions.

The financial statements, except for cash flow information, have been prepared on an accruals basis and are based on historical costs and do not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The financial statements cover New Hope International Limited as an individual entity and were authorised for issue on 17th October 2019 by the directors of the company.

New Hope International Limited is a company limited by guarantee, incorporated and domiciled in Australia. Its registered office and principal place of business is:

46 Amy Street Regents Park NSW 2143.

The following is a summary of the principal accounting policies adopted in the preparation of the financial statements. These policies have been consistently applied, unless otherwise stated.

### (b) Income Tax

New Hope International Limited is exempt from income tax.

# (c) Revenue recognition

Revenue is recognised for the major business activities as follows:

# (i) Donations and gifts

The timing of the recognition of donations and gifts depends on when control of these is obtained, usually upon receipt of the monies. Where monies were obtained on the condition that they be expended in a particular manner and the condition is undischarged as at the reporting date, the nature

# (ii) Interest

Interest is recognised in the statement of comprehensive income when received.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

# NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### (d) Financial instruments

### Initial recognition and measurement

Financial assets and financial liabilities are recognised when the entity becomes party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the company commits itself either purchase or sell the asset (trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs except where the instrument is classified "at fair value through profit or loss", in which case transaction costs are expensed to profit or loss immediately.

# Classification and subsequent measurement

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest method, or cost. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is calculated as the amount at which the financial asset or financial liability is measured at initial recognition less principal repayments and any reduction for impairment, and adjusted for any cumulative amortisation of the difference between the initial amount and the maturity amount calculated using the the effective interest method.

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that exactly discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying amount with a consequential recognition of an income or expense item in profit or loss.

Fair value is determined based on current bid prices for all quoted investments. Valuation techniques are applied to determine the fair value for all unlisted securities, including recent arm's length transactions, reference to similar instruments and option pricing models.

The following types of financial instruments are applicable to the company for the current year.

# (i) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial asset is derecognised.

# (ii) Financial liabilities

Non-derivative financial liabilities other than financial guarantees are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial liability is derecognised.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

# NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### (d) Financial instruments (continued)

### Impairment

As per AASB 9 an expected credit loss model is applied, and not an incurred credit loss model as per the previous applicable standard (AASB 139). To reflect changes in credit risk, this expected credit loss model requires the company to account for expected credit losses since initial recognition.

AASB 9 also determines that a loss allowance for expected credit loss be recognised on debt investments subsequently measured at amortised cost or at fair value through other comprehensive income, lease receivables, contract assets, loan commitments and financial guarantee contracts as the impairment provision would apply to them.

If the credit risk on a financial instrument did not show significant change since initial recognition, an expected credit loss amount equal to the 12 month expected credit loss is used. However, a loss allowance is recognised at an amount equal to the lifetime expected credit loss if the credit risk on that financial instrument has increased significantly since initial recognition, or if the instrument is an acquired credit-impaired financial asset.

The company has adopted the simple approach under AASB 9 in relation to trade receivables, as the loss allowance is measured at the lifetime expected credit loss.

The company reviewed and assessed the existing financial assets on 1 July 2018. It was determined that there was no significant change in credit risk from the date they were initially recognised and no adjustment to credit loss was required.

# Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expire or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability, which is extinguished or transferred to another party, and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

# (e) Property, plant and equipment

Plant and equipment are measured on the cost basis. The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in

# Depreciation of property, plant and equipment

Depreciation is calculated on a straight line basis to write off the net cost or revalued amount of each item of property, plant and equipment (excluding land and buildings) over its expected useful life to the company. The expected useful lives are as follows:

Computer equipment: 5 years Other equipment: 6.75 to 10 years

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

# NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### (f) Inventory

Stock is valued at the lower of cost and net realisable value.

### (g) Value of volunteers

The value of services provided by volunteers is not included in revenue or expenses because of the practical difficulties involved.

# (h) Cash and cash equivalents

For the purposes of the Statement of Cash Flows, cash includes deposits at call with financial institutions and other highly liquid investments with short periods to maturity which are readily convertible to cash on hand and are subject to an insignificant risk of changes in value, net of outstanding bank overdrafts.

# (i) Specific funds

These are funds that have originated from donations and are subject to specific conditions for their use. The company is responsible for all expenditure, and using these funds on the basis of eligible expenditure.

### (j) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

### (k) New and Amended Accounting Policies

The company has adopted AASB 9 with a date of initial application of 1 July 2018. On the application of this standard there were no restropective changes required to prior period comparatives.

There were no financial assets/liabilities which the company had previously designated as fair value through profit or loss under AASB 139 that were subject to reclassification upon the application of AASB 9. There were no financial assets/liabilities which the company had elected to designate as at fair value through profit or loss at the date of initial application.

# (I) Accounting Standards for application in future periods

The AASB has issued a number of new accounting and amended accounting standards that have mandatory application dates for future reporting periods, some of which are relevant to the entity. The directors have decided not not to early adopt any of these new and amended pronouncements.

The following standards are not expected to have any significant impact on the entity in future periods;

AASB 16: Leases (applicable to annual reporting periods beginning on or after 1 January 2019).

AASB 1058: Income for Not-For-Profit Entities and AASB 15: Revenue from Contracts with Customers (applicable to annual reporting periods beginning on or after 1 January 2019).

We have audited the financial report of New Hope International Limited, which comprises the statement of financial position as at 30 June 2019, the statement of profit or loss and other comprehensive income, statement of changes in members' funds and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the Directors' declaration.

In our opinion, the financial report of New Hope International Limited has been prepared in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act 2012, including;

- (a) giving a true and fair view of the company's financial position as at 30 June, 2019 and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards Reduced Disclosure Requirements and the Australian Charities and Not-for-profits Commission Regulation 2013.

### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the company in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Report on other Regulatory Requirements

In our opinion:

- (a) the financial statements show a true and fair view of the financial result of fundraising appeals for the year ended 30 June 2019; and
- (b) the financial statements and associated records of the company have been properly kept during the year in accordance with the New South Wales Charitable Fundraising Act 1991 and its Regulations; and
- (c) money received as a result of fundraising appeals conducted during the year ended 30 June 2019 has been properly accounted for and applied in accordance with such Act and its Regulations; and
- (d) the company is solvent.

### Information Other than the Financial Report and Auditor's Report Thereon

The directors are responsible for the other information. The other information comprises the information included in the company annual report for the year ended 30 June 2019, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

# Responsibilities of the Directors for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the Australian Charities and Not-for-profits Commission Act 2012 and for such internal control as the Directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# Company's Aims

The aim of the company is expressed by its vision statement "Bringing hope to people through education and community development". It seeks to do this by networking Christian schools in Australia and New Zealand in order to:

- Enhance the opportunities for people in all countries to enjoy a better living standard through the improved provision of education, food and health support for the whole community.
- Initiate programs to assist organisations and governments within the Commonwealth of Australia and New Zealand or elsewhere to deliver better educational opportunities, as a more stable base for society and increased levels of welfare and support to their populations, thereby developing their quality of life and enhancing their economic potential.

# **DIRECTORS' REPORT (CONTINUED)**

### Principal activity

The principal activity of the company during the year has been to work with Christian schools in Australia to become involved in training teachers and communities in less developed countries to be more effective teachers and communities and to work together to bring hope to people in these countries in particular through education and community development. In doing this, the company has networked Christian schools and tertiary institutes in Australia, New Zealand and in other countries and has developed courses of training and community development. The company has alliances with Christian school groups in Australia and New Zealand and overseas through countries in the Pacific Islands, East Africa, the Francaphone countries of Africa and in Asian countries. A major project is the Effective Teaching and Learning Series (ETLS), an inservice training program to equip trainers and educators in developing countries.

In the last 12 months assistance has been given to Australian schools which do mission visits to less developed countires by assisting them in being prepared and equiped to present the ETLS training. The Company also conducts training in Christian schools throughout the year which allows New Hope International to accredit educators as trainers in the Effective Teaching and Learning Series and therefore assisting the Company in training opportunities around the world.

### Results

The result of the year's operation was a surplus of \$9,117 - (2018: deficit of \$4,177).

### **Events subsequent to Balance Date**

The Directors are not aware of any matter or circumstance not otherwise dealt with in the report that has significantly or may significantly affect the operations of the company, the results of those operations or the state of affairs of the company in subsequent financial years.

# **Likely Developments**

It is anticipated that there will be further growth of the company and its operations during the coming 12 months as they continue to work alongside many less developed countires throughout the world. As the company continues to expand in more and more countires each year, its supporter base needs to grow and it is envisaged that the coming 12 months will see the company focus on promotion and awareness campaings to see this support base increase.

# **Review of Operations**

The company is a registered charity and receives the bulk of its income from donations from members and associates. As at June 30, 2019 the company had several part-time paid and volunteer staff and a few casual staff which are paid to conduct the ETLS Training within Christian schools as a part of each schools professional development program. The company is endeavouring to expand its network of schools, which provides the support base for its operations. The company is expanding its range of services from which it receives income and in particular with development of professional development courses specifically suited to teachers working in Australian and New Zealand schools. The company has continued to receive sufficient funds to enable it to fulfil its objects.

# **DIRECTORS' REPORT (CONTINUED)**

### Significant Changes

The Directors believe that there have not been any significant changes to its operations during the 2018/2019 financial year.

# **Auditors**

Thomas Davis & Co were appointed as the auditors for the 2018-2019 financial year.

### Qualifications and experience of Directors

# John T Frisken B.Com, MICAA

John is an information systems consultant specialising in the implementation and review of large financial, asset management and digital technology infrastructure system projects in the healthcare, education, banking and utility industries. John is a Certified Information Systems Auditor and has eighteen year's experience in information systems control and security. John has assisted many organisations in the healthcare, utility, and banking industries to harness information technology to improve business performance and implement greater control over their business operations. John is a Partner of ISG Consulting, which is a leading IT Strategy & Information Security firm providing services to large organisations in the private and public sectors in Australia.

He is a specialist member of IT Chapter of the Institute of Chartered Accountants and a Certified Information Systems Auditor, Information Systems Audit & Control Association member.
