ANIMALS ASIA FOUNDATION (AUSTRALIA) LIMITED (a company limited by guarantee) NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 30 JUNE 2015

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Basis of Preparation

The directors have prepared the financial report on the basis that the Company is not a reporting entity as there are unlikely to exist users who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs. Accordingly, this "Special Purpose Financial Report" has been prepared for the purposes of complying with the Corporations Act 2001 requirements to prepare and distribute financial statements to the members of Animals Asia Foundation (Australia) Limited.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') and the disclosure requirements of:

AASB 101 Presentation of Financial Statements

AASB 107 Statement of Cash Flows

AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors

AASB 1031 Materiality

AASB 1048 Interpretation and Application of Standards

AASB 1054 Australian Additional Disclosures

These Financial Statements do not conform with International Financial Reporting Standards as issued by the International Accounting Standards Board ('IASB').

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

b) Significant Accounting Judgements & Estimates

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

There are no estimates or judgements which have risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year.

c) Income Tax

The Association is exempt from income tax pursuant to the Income Tax Assessment Act 1997. Accordingly, Australian Accounting Standard AASB 112 has not been applied and no provision for income tax has been included in the financial reports.

ANIMALS ASIA FOUNDATION (AUSTRALIA) LIMITED (a company limited by guarantee) NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 30 JUNE 2015

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

d) Revenue Recognition

All revenue is stated net of the amount of goods and services tax (GST). Income arising from the contribution of an asset to the association is recognised when the association obtains control of the contribution or the right to receive the contribution, and it is probable that the economic benefits comprising the contribution will flow to the association and the amount of the contribution can be measured reliably.

e) Employee Entitlements

Animals Asia Foundation (Australia) Limited had five employees at 30 June 2015. Liabilities for employee benefits for wages, salaries, annual leave and long service leave that are expected to be settled within 12 months of the reporting date representing present obligations resulting from employees' services provided to reporting date, are calculated at undiscounted amounts based on remuneration wage and salary rates that the organisation expects to pay as at reporting date.

Liabilities for long service leave expected to be settled after 12 months from the end of the reporting period are calculated at undiscounted rates. Consideration is given to the Company's experience of employee departures and periods of service.

Non-accumulating non-monetary benefits, such as sick leave, are expensed based on the net marginal cost to the Company as the benefits are taken up by the employees.

Contributions made by the company to employee superannuation funds are charged as expenses when incurred.

f) Goods & Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

g) Cash & Cash Equivalents

Cash and cash equivalents in the statement of financial position comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less where the investment is convertible to known amounts of cash and is subject to insignificant risk of changes in value. For the purposes of the statement of cash flow, cash and cash equivalents consist of cash and cash equivalents as defined above, plus term deposits with maturity dates of less that 12 months from balance date net of any outstanding bank overdrafts.

h) Property, Plant & Equipment

Property, plant and equipment are carried at cost. All assets excluding freehold land, are depreciated over their useful lives to the company. Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

INDEPENDENT AUDIT REPORT

TO THE MEMBERS OF

ANIMALS ASIA FOUNDATION (AUSTRALIA) LIMITED

Report on the Financial Report

We have audited the accompanying financial report of Animals Asia Foundation (Australia) Limited, which comprises the statement of financial position as at 30 June 2015, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the director's declaration.

Directors' Responsibility for the Financial Report.

The directors of the company are responsible for the preparation of a financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001*, and for such internal control as the directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of a financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's report.

Opinion

In our opinion the financial report of **Animals Asia Foundation (Australia) Limited** is in accordance with the *Corporations Act 2001*, including:

- i) giving a true and fair view of the company's financial position as at 30 June 2015 and of its performance for the period ended on that date; and
