Responsible Persons' Report

The Responsible Persons of Transform Aid International Ltd ('TAI') present their Report together with the financial statements of the consolidated entity, being Transform Aid International Ltd ('the Company') and its controlled entity ('the Group') for the year ended 30 June 2019 and the Independent Audit Report.

Director details

The following persons were Responsible Persons of Transform Aid International Ltd during or since the end of the financial year.

Philip Noel Newman

14 March 2009 and continuing Board Chair

Chair of Nominations and Governance Committee

Michael Raymond Turnbull

24 March 2011 and continuing

Member of Finance and Risk Committee

Simon Mark Lynch

14 May 2009 and continuing

Chair of Programs Performance Committee (from 7 November 2016 until 23 November 2018) (Resigned 23

November 2018)

Meredith Downey

30 November 2018 and continuing

Member of Programs Performance Committee (from

30 November 2018)

Allan Demond

26 August 2016 and continuing

Board Member

Member of Nominations and Governance Committee

Michelle Farrall

31 May 2019 and continuing

Member of Stakeholder Engagement Committee (from

31 May 2019)

John Vincent Hickey

19 July 2010 and continuing CEO and Board Member

Tara Reid

24 November 2017 and continuing

Vice Chair (from 26 May 2018)

Chair of Finance and Risk Committee (from 23

February 2018)

Bradley Charles Entwistle

9 August 2008 and continuing

Member of Stakeholder Engagement Committee

(Resigned 23 November 2018)

Paul Oates

20 November 2015 and continuing

Chair of Programs Performance Committee (from 30

November 2018)

Heidi Tak

25 November 2016 and continuing

Member of Finance and Risk Committee

Tabitha Mathew

25 May 2018 and continuing

Chair of Stakeholder Engagement Committee (from 26

May 2018)

Company Secretary

Peter Leau is the Director of Finance and Operations with more than 15 years of NGO/Not for Profit experience in senior management positions. Peter has been the Company Secretary of Transform Aid International Ltd since its incorporation in 2013.

Principal activities

During the year, the principal activities of the Group have included fundraising, advocacy and community development.

Short-term objectives

The Group's short-term objectives are to:

- Strategic investment in our international programs particularly in six "Impact Areas" Economic Capital, Social Capital, Human Capital, Child and Youth Wellbeing, Inclusion and Equity, and Partner Capacity;
- New advocacy initiatives to continue to create awareness of systemic issues that cause poverty and injustice, and mobilise supporters to campaign for change
- Develop and implement Design, Monitoring Evaluation and Learning (DMEL) systems and tools to evaluate and improve the quality and effectiveness of our programs;
- Develop knowledge and skills in designing and implementing impact investing/social enterprises; and.
- Invest in organisational development through the introduction and continuous improvement of systems, processes and people.

Long-term objectives

The Group's long-term objectives are to:

- Establish longer-term, enduring fundraising products;
- Provide transformational and sustainable community development programs;
- Develop the new Asia-Pacific Holistic Transformation Strategy (APHTS) for longer-term impact and transformation for thousands of people in the Asia-Pacific region
- Play a leading role in global Baptist response to poverty, justice, and disaster management; including implementing effective and efficient organisational systems and processes to service and support domestic and international like-minded partners; and
- Become an innovative learning organisation.

Strategy for achieving short and long-term objectives

To achieve these objectives, the Group will adopt the following strategies:

- Introduce innovative and sustainable fundraising products;
- Invest and continuously improve our Design, Monitoring, Evaluation and Learning (DMEL) systems and tools that will shape the quality and effectiveness of community development programs;
- Invest and build strategic alliances globally, and most specifically in the Asia-Pacific region; and engage like-minded organisations to enhance collaboration and leverage capacity and resources to expand our reach and impact; and
- Invest in effective and efficient technologies, introduce quality assurance systems and processes, and introduce learning and development programs that will enhance the knowledge, skills and effectiveness of staff and volunteers.

Responsible Persons' meetings

The number of meetings of Responsible Persons held during the year and the numbers of meetings attended by each Responsible Person were as follows:

	Board n	neetings
	Number of meetings the Responsible Person was entitled to attend	Number of meetings the Responsible Person attended

Contribution in winding up

The Company is incorporated under the Corporations Act 2001 and is a Company Limited by Guarantee. If the Company is wound up, the constitution states that each member is required to contribute a maximum of \$10 each towards meeting any outstanding obligations of the entity. At 30 June 2019, the total amount that members of the Company are liable to contribute if the Company was wound up is \$100 (2018: \$100).

Auditors Independence Declaration

A copy of the Auditor's Independence Declaration as required under s.60-40 of the Australian Charities and Not-for-profits Commission Act 2012 is included in page 5 of this financial report and forms part of the Responsible Persons' Report.

Signed in accordance with a resolution of the Responsible Persons'.

Auditor's Independence Declaration

To the Directors of Transform Aid International Ltd

In accordance with the requirements of section 60-40 of the Australian Charities and Not-for-profits Commission Act 2012, as lead auditor for the audit of Transform Aid International Ltd for the year ended 30 June 2019, I declare that, to the best of my knowledge and belief, there have been no contraventions of any applicable code of professional conduct in relation to the audit.

Notes to the Consolidated Financial Statements

for the year ended 30 June 2019

NOTE 1 GENERAL INFORMATION AND STATEMENT OF COMPLIANCE

The financial report includes the consolidated financial statements and notes of Transform Aid International Ltd and its Controlled Entities ('Consolidated Group' or 'Group').

The Group has elected to adopt the Australian Accounting Standards – Reduced Disclosure Requirements (established by AASB 1053 Application of Tiers of Australian Accounting Standards and AASB 2010-2 Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements).

These financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements, ACFID Code of Conduct and the *Australian Charities and Not-for-profits Commission Act 2012.* Transform Aid International Ltd is a not-for-profit entity for the purpose of preparing the financial statements.

The Group has adopted all applicable standards which became effective for the first time during the period ended 30 June 2019. There has been no material impact resulting from the adoption of these standards.

The consolidated financial statements for the year ended 30 June 2019 were approved and authorised for issue by the board of Responsible Persons on 29th October 2019.

NOTE 2 SUMMARY OF ACCOUNTING POLICIES

2.1 New and revised standards that are effective for these financial statements

A number of new and revised standards are effective for annual periods beginning on or after 1 July 2018. Information on these new standards is presented below.

AASB 9 Financial Instruments

AASB 9 Financial Instruments replaces AASB 139 Financial Instruments: Recognition and Measurement. It makes major changes to the previous guidance on the classification and measurement of financial assets and introduces an 'expected credit loss' model for impairment of financial assets.

The Group has adopted AASB 9 Financial Instruments starting 1 July 2018 and has determined as at 1 July 2018, there is no effect in relation to classification, measurement, and impairment of financial instruments recognised in opening retained earnings as at 1 July 2018. No 'expected credit loss' has been accounted for as the Group believes minimal credit risk attributed to its financial assets. The Group applies a simplified model of recognising lifetime expected credit losses as these do not have a significant financing component.

2.2 Overall considerations

The significant accounting policies that have been used in the preparation of these consolidated financial statements are summarised below.

The consolidated financial statements have been prepared using the measurement bases specified by Australian Accounting Standards for each type of asset, liability, income and expense. The measurement bases are described in the accounting policies below.

2.3 Basis of consolidation

The Group financial statements consolidate those of Transform Aid International Ltd and its fully owned subsidiary, Baptist World Aid Australia Ltd as of 30 June 2019. All transactions and balances between the Group companies are eliminated on consolidation, including unrealised gains and losses on transactions between Group Companies. Amounts reported in the financial statements of Subsidiaries have been adjusted to ensure consistency with the accounting policies adopted by the Group.

2.4 Historical cost convention

The consolidated financial statements have been prepared on the basis of historical cost except for the following:

- Investment property is measured at fair value.
- Available-for-sale financial assets are measured at fair value.

The methods used to measure the fair values of these assets are discussed in notes 2.7 and 2.13. Cost is based on the fair values of the consideration given in exchange for assets.

2.5 Investments in associates

Associates are those entities over which the Group is able to exert significant influence, but which are not subsidiaries.

Investments in associates are accounted for using the equity method.

Any goodwill or fair value adjustment attributable to the Group's share in the associate is not recognised separately and is included in the amount recognised as investment.

The carrying amount of the investment in associates is increased or decreased to recognise the Group's share of the profit or loss and other comprehensive income of the associate, adjusted where necessary to ensure consistency with the accounting policies of the Group.

Unrealised gains and losses on transactions between the Group and its associates are eliminated to the extent of the Group's interest in those entities. Where unrealised losses are eliminated, the underlying asset is also tested for impairment.

2.6 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured. All revenue is stated net of the amount of goods and services tax (GST).

i. Donations, fundraising and bequests

The Group recognises amounts donated or raised on behalf of the Group as income only when they are received by the Group. Bequests are recognised when the legacy is received.

ii. Grants

Grant revenue is recognised in the statement of profit or loss when the Group obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the Group and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

Where a grant is received on the condition that specified services are delivered, to the grantor, this is considered a reciprocal transaction. Revenue is recognised as services are performed and at year-end until the service is delivered.

Revenue from a non-reciprocal grant that is not subject to conditions is recognised when the Group obtains control of the funds, economic benefits are probable and the amount can be measured reliably. Where a grant may be required to be repaid if certain conditions are not satisfied, a liability is recognised at year end to the extent that conditions remain unsatisfied.

Where the Group receives a non-reciprocal contribution of an asset from a government or other party for no or nominal consideration, the asset is recognised at fair value and a corresponding amount of revenue is recognised.

iii. Interest and dividends

Interest and dividends are recognised when received/receivable.

2.7 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, deposits held at call with banks, and other short-term highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

2.8 Prepayments

In order to facilitate program continuity over the year end period, a number of payments are made to overseas partners towards the following financial year's activities. These payments are separated in the accounts and included under other financial assets in the current financial year.

In some cases, a partner may have been unable to fully acquit project funds by the end of the financial year. These funds are also included under other financial assets and are expected to be fully acquitted in the following financial year.

2.9 Property, plant and equipment

Property, plant and other equipment (comprising fittings and furniture) are initially recognised at acquisition cost, including any costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by the Group's management.

Property, plant and other equipment are subsequently measured using the cost model, cost less subsequent depreciation and impairment losses.

Depreciation is recognised on a straight-line basis to write down the cost less estimated residual value of buildings, plant and other equipment. The following useful lives are applied:

property: 40 years

investment property: 40 years
furniture and fittings: 6-8 years
computer hardware: 4 years
motor vehicles: 6-7 years

• office equipment: 5-6 years

Gains or losses arising on the disposal of property, plant and equipment and investment property are determined as the difference between the disposal proceeds and the carrying

amount of the assets and are recognised in profit or loss within other income or other expenses.

2.10 Investment property

Investment properties are properties held to earn rentals and/or for capital appreciation and are accounted for using the fair value model. Investment properties are revalued periodically and are included in the statement of financial position at their open market value. These values are supported by market evidence and are determined by external professionals with sufficient experience. Any gain or loss resulting from either a change in fair value of the sale of the investment property is immediately recognised in Statement of Profit and loss.

Rental income and operating expenses from investment property are reported within other income on the face of the Statement of Profit and loss.

2.11 Intangible assets

i. Acquired intangible assets

Acquired computer software development and licences are capitalised on the basis of the costs incurred to acquire and install the specific software.

ii. Subsequent measurement

All intangible assets are accounted for using the cost model whereby capitalised costs are amortised on a straight-line basis over their estimated useful lives, as these assets are considered finite. Residual values and useful lives are reviewed at each reporting date. In addition, they are subject to impairment testing as described in Note 2.8. The following useful lives are applied:

• Software: 3-5 years

Amortisation has been included within depreciation and amortisation.

Subsequent expenditures on the maintenance of computer software and brand names are expensed as incurred.

When an intangible asset is disposed of, the gain or loss on disposal is determined as the difference between the proceeds and the carrying amount of the asset and is recognised in profit or loss within other income or other expenses.

2.12 Employee benefits

i. Wages and salaries

Liabilities for wages and salaries, including non-monetary benefits, expected to be settled within 12 months of the reporting date are recognised in respect of employees' services up to the reporting date and are measured at the amounts expected to be paid when the liabilities are settled.

ii. Long service leave

The liability for long service leave is recognised and measured at the present value of the estimated cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

iii. Annual Leave

Short-term employee benefits are current liabilities included in employee benefits, measured at the undiscounted amount that the Group expects to pay as a result of the unused entitlement. Annual leave is included in 'other long-term benefit' and discounted when calculating the leave liability as the Group does not expect all annual leave for all employees to be used wholly within twelve (12) months of the end of reporting period. Annual leave liability is still presented as current liability for presentation purposes under AASB 101 Presentation of Financial Statements.

iv. Superannuation

The Group provides post-employment benefits through defined contribution plans. Amounts charged to the income statement in respect of superannuation represent the contributions paid or payable by the Group to the employees' superannuation funds.

2.13 Income Tax

Transform Aid International Ltd is a Public Benevolent Institution and is exempt from Income Tax pursuant to section 50-5, item 1.1 of the Income Tax Assessment Act 1997.

2.14 Financial Assets

The Group classifies its financial assets into the following categories:

- 1. financial assets at fair value through profit or loss,
- 2. amortised cost, and
- 3. financial assets at fair value through other comprehensive income (previously available-for-sale financial assets).

The classification depends on the purpose for which the investments were acquired. Management determines the classification of its investments at initial recognition and reevaluates this designation at every reporting date.

Financial assets and liabilities are initially measured at fair value plus transaction costs unless they are carried at fair value through profit or loss in which case the transaction costs are recognised in the Statement of Profit or Loss and Other Comprehensive Income.

Purchases and sales of investments are recognised on trade-date, the date on which the Group commits to purchase or sell the asset. Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Group has transferred substantially all the risks and rewards of ownership.

The fair value of financial instruments traded in active markets is based on quoted market prices at the balance date. The quoted market price used is the current bid price.

The categories of financial assets are:

a) Financial assets at fair value through profit or loss

A financial asset is classified in this category if acquired principally for the purpose of selling in the short term or if so designated by management. Assets in this category are classified as current assets if they are either held for trading or are expected to be realised within 12 months of the Statement of Financial Position date.

After initial recognition they are measured at their fair values. Gains or losses on remeasurement are recognised in the Statement of Profit or Loss and Other Comprehensive Income.

b) Financial assets at amortised cost

Financial assets are measured at amortised cost if the assets meet the following conditions (and are not designated as FVPL or FVOCI): they are held within a business model whose objective is to hold the financial assets and collect its contractual cash flows, the contractual terms of the financial assets give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding. After initial recognition, these are measured at amortised cost using the effective interest method. Discounting is omitted where the effect of discounting is immaterial.

The Group's cash and cash equivalents, trade and most other receivables fall into this category of financial instruments as well as any long-term deposit that were previously classified as held-to-maturity under AASB 139.

c) Financial assets classified as fair value through other comprehensive income (FVOCI)

Investments in equity instruments that are not held for trading are eligible for an irrevocable election at inception to be measured at FVOCI. Under FVOCI, subsequent movements in fair value are recognised in other comprehensive income and are never reclassified to profit or loss. Dividend from these investments continue to be recorded as other income within the profit or loss unless the dividend clearly represents return of capital. This category was previously classified as 'available-forsale'.

The fair value of investments that are actively traded in organised financial markets is determined by reference to quoted market bid prices at the close of business on the reporting date.

On adoption of AASB 9, the following has been reflected.

	AASB 139	AASB 9
	<u>Recognition</u>	<u>Recognition</u>
Trade and other receivables	Amortised cost	Amortised cost
Forward exchange contracts	FVTPL	FVTPL
Term deposits	Amortised cost	Amortised cost
Financial liabilities	Amortised cost	Amortised cost

2.15 Impairment of financial assets

At each balance date the Group assesses whether there is any objective evidence that a financial asset or group of financial assets is impaired. Any impairment losses are recognised in the Statement of Profit or Loss and Other Comprehensive Income. The Group considers a broader range of information when assessing credit risk and measuring expected credit losses, including past events, current conditions, reasonable and

supportable forecasts that affect the expected collectability of the future cash flows of the instrument.

In applying this forward-looking approach, a distinction is made between: financial instruments that have not deteriorated significantly in credit quality since initial recognition or that have low credit risk ('Stage 1'), and financial instruments that have deteriorated significantly in credit quality since initial recognition and whose credit risk is not low ('Stage 2'). 'Stage 3' would cover financial assets that have objective evidence of impairment at the reporting date. '12-month expected credit losses' are recognised for the first category while 'lifetime expected credit losses' are recognised for the second category.

Measurement of the expected credit losses is determined by a probability-weighted estimate of credit losses over the expected life of the financial instrument.

2.16 Deferred income

The liability for deferred income is the unutilised amounts of grants received on the condition that specified services are delivered or conditions are fulfilled. The services are usually provided or the conditions usually fulfilled within twelve (12) months of receipt of the grant. Where the amount received is in respect of services to be provided over a period that exceeds twelve (12) months after the reporting date or the conditions will only be satisfied more than twelve (12) months after the reporting date, the liability is discounted and presented as non-current.

2.17 Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST components of investing and financing activities, which are disclosed as operating cash flows

2.18 Significant management judgement in applying accounting policies

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

i. Estimation uncertainty

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses are provided below. Actual results may be substantially different.

ii. Impairment

In assessing impairment, management estimates the recoverable amount of each asset or cash-generating unit based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future operating results and the determination of a suitable discount rate.

iii. Useful lives of depreciable assets

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical obsolescence that may change the utility of certain software and IT equipment.

iv. Long service leave

The liability for long service leave is recognised and measured at the present value of the estimated cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

v. Fair value

Investment properties and financial assets are held at fair value. Whilst professionals are used to assist in the valuation process, the models are subject to assumptions which may affect the valuation. As at 30 June 2018, there is no significant risk identified in relation to these assets.

vi. Provisions, contingent liabilities and contingent assets

Provisions are measured at the estimated expenditure required to settle the present obligation, based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. Where there is a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. Provisions are discounted to their present values, where the time value of money is material.

Any reimbursement that the Group can be virtually certain to collect from a third party with respect to the obligation is recognised as a separate asset. However, this asset may not exceed the amount of the related provision.

No liability is recognised if an outflow of economic resources as a result of present obligation is not probable. Such situations are disclosed as contingent liabilities, unless the outflow of resources is remote in which case no liability is recognised.

NOTE 3 NATURE AND OBJECTS OF ORGANISATION

On the 18th April 2013, Australian Baptist World Aid Inc. changed its legal status from an incorporated association to a company structure and subsequently received approval from the Australian Government as a Deductible Gift Recipient (DGR). Transform Aid International Ltd commenced operations under the new company structure from 23rd July 2013.

Baptist World Aid Australia Ltd, a wholly-owned subsidiary of Transform Aid International Ltd, was established and registered as a Charity organisation on the 8th of August 2013.

NOTE 4 NON-MONETARY GIFTS AND DONATIONS

The work of Transform Aid International Ltd is supported by a large number of volunteers each year. The contributions from volunteers, through regular mail opening, screening of children's mail, book-keeping, project assistance, etc. mean that the Group is able to deliver a greater proportion of cash donations directly to its field projects.

2018

During the year ended 30th June 2019 (FY2019), 6,190 volunteer hours were provided to the Group by 49 volunteers (FY2018: 6,719 hours provided by 53 volunteers) at a commercial value of \$172,267 (FY2018: \$180,058). Of this amount \$24,376 is considered as Recognised Development Expenditure (RDE) for the purpose of assessing the Group's entitlement for Government funding (FY2018: \$34,250).

NOTE 5 OTHER INCOME

Total other income for the year is \$9,057 (FY2018: \$9,369). Other income comprises of income from deputations and resource sales.

NOTE 6 COMMUNITY EDUCATION

Community education expenditures include all costs related to informing and educating the Australian community of, and inviting their active involvement in global justice, development and humanitarian issues. This includes the costs of research, producing and distributing materials, the cost of conducting educational campaigns and the cost of personnel involved in these activities.

The total amount of \$1,014,234 (FY2018: \$1,030,985) are classified as Recognised Development Expenditure (RDE).

2019

		2013	2010
NOTE 7	CASH AND CASH EQUIVALENTS		
	The cash and cash equivalents amount in the	balance sheet is represented	by:
	Cash at bank	2,781,026	2,358,152

Independent Auditor's Report

To the Members of Transform Aid International Ltd

Report on the audit of the financial report

Opinion

We have audited the financial report of Transform Aid International Ltd (the "Registered Entity") and its subsidiaries ("the Group") which comprises the consolidated statement of financial position as at 30 June 2019, and the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and the Directors' declaration.

In our opinion, the financial report of Transform Aid International Ltd has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- a giving a true and fair view of the Registered Entity's financial position as at 30 June 2019 and of its financial performance for the year then ended; and
- b complying with Australian Accounting Standards and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013.*

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Registered Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Report and Auditor's Report

The Responsible Persons for the Group are responsible for the other information. The other information comprises the information included in the Registered Entity's annual report for the year ended 30 June 2019, but does not include the financial report and our auditor's report thereon.

Grant Thornton Audit Pty Ltd ACN 130 913 594 a subsidiary or related entity of Grant Thornton Australia Ltd ABN 41 127 556 389 www.grantthornton.com.au

'Grant Thornton' refers to the brand under which the Grant Thornton member firms provide assurance, tax and advisory services to their clients and/or refers to one or more member firms, as the context requires. Grant Thornton Australia Ltd is a member firm of Grant Thornton International Ltd (GTIL). GTIL and the member firms are not a worldwide partnership. GTIL and each member firm is a separate legal entity. Services are delivered by the member firms. GTIL does not provide services to clients. GTIL and its member firms are not agents of, and do not obligate one another and are not liable for one another's acts or omissions. In the Australian context only, the use of the term 'Grant Thornton' may refer to Grant Thornton Australia Limited ABN 41 127 556 389 and its Australian subsidiaries and related entities. GTIL is not an Australian related entity to Grant Thornton Australia Limited.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsible Persons' Responsibility for the financial report

The Responsible Persons of the Group are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards - Reduced Disclosure Requirements, the Code of Conduct for the Australian Council for International Development (ACFID) and the Australian Charities and Not-for-Profits Commission 2012. This Responsible Persons' responsibility includes such internal controls as the Responsible Persons determine are necessary to enable the preparation of the financial report to be free from material misstatements, whether due to fraud or error.

In preparing the financial report, the Responsible Persons for the Group are responsible for assessing the Registered Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intend to liquidate the Registered Entity or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Registered Entity's financial reporting process.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and
 perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to
 provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for
 one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate
 in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Registered Entity's
 internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Responsible Persons for the Group.
- Conclude on the appropriateness of the Responsible Persons for the Group use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Registered Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Registered Entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the financial report. We are responsible for the direction, supervision, and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
