Scope

We have audited the accompanying financial report, being a special purpose financial report, of Merri Creek Management Committee Inc, which comprises the Statement of Financial Position as at 30 September, 2015, the Statement of Comprehensive Income for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the officers' assertion statement.

Officers' Responsibility for the Financial Report

The officers of Merri Creek Management Committee Inc. are responsible for the preparation of the financial report and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Reform Act 2012 and is appropriate to meet the needs of the members. The officers' responsibility also includes such internal control as the officers determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted my audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the officers, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTES TO THE FINANCIAL REPORT

FOR THE YEAR ENDED 30 SEPTEMBER, 2015

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

This special purpose financial report has been prepared for distribution to the members to fulfil the Committee of Management's financial reporting requirements under the entity's constitution and the Associations Incorporation Reform Act 2012. The accounting policies are consistent with those provided in previous years unless otherwise stated and are, in the opinion of the Committee of Management, appropriate to meet the needs of members.

(a) Basis of Accounting

The Statement of Financial Position and Statement of Comprehensive Income have been prepared on an accruals basis under the convention of historical cost accounting.

(b) Depreciation of Non-Current Assets

All non-current assets having a limited useful life are systematically depreciated over their useful lives in a manner which reflects the consumption of the service potential embodied in those assets.

Minor Assets:

Assets with a purchase price under \$2,000 are expensed in the year of purchase.

Computers:

Depreciated 40% of purchase price in first year followed by straight line to Nil over the next three years.

Motor Vehicles:

Depreciated straight line over their useful life to the entity (usually 5 years) after allowing for the estimated residual value at the end of that useful life.

This statement is to be read in conjunction with the attached auditor's report.

NOTES TO THE FINANCIAL REPORT

FOR THE YEAR ENDED 30 SEPTEMBER, 2015 (cont'd)

NOTE 1 - Significant Accounting Policies (cont'd)

(c) Employee Entitlements

Employee entitlements are accrued on a pro rata basis for annual leave, sick leave and long service leave in respect of services provided by employees up to the reporting date. Such accruals are assessed as at each reporting date, having regard to current awards, rates of pay and other factors including employee departures and their periods of service.

The superannuation for the reporting period is made up of the statutory contribution the Committee makes in accordance with local government regulations to the superannuation plan which provides benefits to its employees.

(d) Investments

Investments are valued at cost. Interest revenues are recognised as they accrue.

(e) Grants, donations and other contributions

Grants, donations and other contributions are recognised as cash in hand when the Committee obtains control over the assets comprising the contributions and as income in the period in which the related expenditure is to take place.

Control over granted receipts is normally obtained upon their receipt or upon notification that a grant has been secured.

Unrealised contributions over which the Committee has control are recognised as receivables.

Contributions received in advance and which are to be wholly or partly expended in the following period are accrued as advanced receipts.

This statement is to be read in conjunction with the attached auditor's report.
