Girl Guides Association (Tasmania)

Notes to the Financial Statements

For the Year Ended 31 December 2020

1 Summary of Significant Accounting Policies

This financial report covers Girl Guides Association (Tasmania) as an individual entity. Girl Guides Association (Tasmania) is incorporated in Tasmania under the *Girl Guides Association Act 1957*.

(a) Basis of Preparation

The financial report includes all financial activities relating to the operations of the Head Office of the Girl Guides Association (Tasmania). The finances of the Districts and Units within Tasmania do not form part of this financial report except where their activities result in direct transactions with the Head Office.

The Board have prepared the financial report on the basis that the not-for-profit Association is a non-reporting entity because there are no users dependent on a general purpose financial report. This financial report is therefore a special purpose financial report that has been prepared in order to meet the requirements of the *Australian Charities and Not-for-profits Commission Act 2012 (Cth)*. The entity is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The financial statements have been prepared in accordance with the minimum requirements of the *Australian Charities and Not-for-profits Commission Act 2012 (Cth)* and therefore comply with the following Australian Accounting Standards as issued by the Australian Accounting Standards Board:

- AASB 101 Presentation of Financial Statements;
- AASB 107 Statement of Cash Flows;
- AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors;
- AASB 1048 Interpretation of Standards; and
- AASB 1054 Australian Additional Disclosures.

Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The amounts presented within the financial statements have been rounded to the nearest dollar.

(b) Comparative Figures

Where appropriate, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

1 Summary of Significant Accounting Policies

(c) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held-at call with banks, other short-term highly liquid investments. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

(d) Trade and Other Receivables

The Association provides an allowance for losses on trade receivables based on a review of the current status of existing receivables and management's evaluation of periodic aging of accounts..

(e) Inventories

Inventories are valued at the lower of purchase cost and net realisable value.

(f) Property, Plant and Equipment

The Association is titleholder of various properties in Tasmania, the day-to-day operations of which are managed by separate property and support Boards.

Land and buildings where the Association has title to the property are carried at the latest State Government Valuation updated in the 2019 financial report. Refer to note 16 for details of a contingent liability associated with one of the properties.

Buildings are depreciated over their useful lives using the straight-line method.

Furniture fittings and equipment with a purchase price of \$1,000 or more are depreciated using the straight line method over their useful life.

Depreciation Rates

The depreciation rates used for each class of depreciable assets are:

| Class of Fixed Asset | Depreciation Rate |
|-----------------------------------|--------------------------|
| Buildings | |
| Infrastructure | |
| Furniture, fittings and equipment | |

(g) Financial instruments

Financial instruments are recognised initially on the date that the Association becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

Girl Guides Association (Tasmania)

Notes to the Financial Statements

For the Year Ended 31 December 2020

1 Summary of Significant Accounting Policies

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification

On initial recognition, the Association classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss - FVTPL
- fair value through other comprehensive income - equity instrument (FVOCI - equity)
- fair value through other comprehensive income - debt investments (FVOCI - debt)

Financial assets are not reclassified subsequent to their initial recognition unless the Association changes its business model for managing financial assets.

Amortised cost

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows are solely payments of principal and interest on the principal amount outstanding.

The Association's financial assets measured at amortised cost comprise long term funds, other managed investments, trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

Fair value through other comprehensive income

There are no financial instruments classified at fair value through other comprehensive income.

Girl Guides Association (Tasmania)

Notes to the Financial Statements

For the Year Ended 31 December 2020

1 Summary of Significant Accounting Policies

Financial assets

Financial assets through profit or loss

All financial assets not classified as measured at amortised cost or fair value through other comprehensive income as described above are measured at FVTPL.

Net gains or losses, including any interest or dividend income are recognised in profit or loss.

Impairment of financial assets

There is no provision for impairment at year end.

Other financial assets measured at amortised cost

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

Financial liabilities

The Association measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Association comprise trade payables and lease liabilities.

(h) Trade and Other Payables

Payables are stated at cost, which approximates fair value due to the short term nature of these liabilities.

(i) Employee Benefits

Provision is made for the Association's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

Contributions made by the Association to an employee superannuation fund are charged as expenditure when incurred

Girl Guides Association (Tasmania)

Notes to the Financial Statements

For the Year Ended 31 December 2020

1 Summary of Significant Accounting Policies

(j) Provisions

Provisions are recognised when the Association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(k) Income Tax

No provision for income tax has been raised as the Association is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

(l) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

(m) Revenue and Other Income

Membership Income

Membership income is recognised when or as the performance obligation is completed and the member receives the benefit of services being performed.

Interest Revenue

Interest revenue is recognised as it accrues.

Revenue from the provision of services

Revenue from the provision of goods is recognised when or as the performance obligation is completed and the customer receives the benefit of service being performed.

Operating Grants— under AASB 15

Where grant income arises from an agreement which is enforceable and contains sufficiently specific performance obligations, then the revenue is recognised when control of each performance obligation is satisfied.

Each performance obligation is considered to ensure that the revenue recognition reflects the transfer of control and within grant agreements there may be some performance obligations where control transfers at a point in time and others which have continuous transfer of control over the life of the contract. Where control is transferred over time, generally the input methods being either costs or time incurred are deemed to be the most appropriate method to reflect the transfer of benefit.

Girl Guides Association (Tasmania)

Notes to the Financial Statements

For the Year Ended 31 December 2020

1 Summary of Significant Accounting Policies

(m) Revenue and Other Income

Operating Grants – under AASB 1058

Assets arising from grants in the scope of AASB 1058 (i.e. agreements that are not enforceable or do not have sufficiently specific performance obligations) are recognised at their fair value when the asset is received.

The Association then considers whether there are any related liability or equity items associated with the asset which are recognised in accordance with the relevant accounting standard. Once the assets and liabilities have been recognised, then income is recognised for any difference between the recorded asset and liability.

(n) Guiding expenses

Guiding expenses include the following:

- Travel and accommodation expenses for all State and National Board, Adviser and Management Team meetings and all intrastate travel for staff.
- All funds forwarded to Units, Districts and Regions that were received on their behalf.
- All quota fees paid to Girl Guides Australia.
- All costs associated with maintaining state equipment and their trailers including registrations.

(o) Critical Accounting Estimates and Judgements

The Board members evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Association, however as additional information is known then the actual results may differ from the expectation.

The significant estimates and judgements made have been described below:

Key Estimates - Land and Buildings Carrying Value

Land and buildings are measured at other than cost for recognition and disclosure purposes. The value used is based on the most recent government valuation which may not reflect market or fair value.

(c) Special Reserves

The special reserves are owned by the Girl Guides Association (Tasmania) and are funds received from bequests and donations that are set aside for specific purposes.

In order to simplify the accounting records of the Association, the amounts previously recorded in separate equity reserves, which represent funds set aside for particular purposes, are no longer made. The physical funds remain in separate bank accounts (Refer Note 5) and are reflected in the Assets of the Association, and are part of the equity Accumulated Surpluses, rather than being separately recorded.

15 Events After Balance Date

Subsequent to the financial year end, the Association has entered into a contract to sell the Sangaree property at 138 Argonaut Road, St Helens. The sale price of this property is \$308,000. The sale price of this property does not give rise to any indications of impairment as at year end.

Except for the above, no other matters or circumstances have arisen since the end of the financial year which significantly affected or could significantly affect the operations of the Association, the results of those operations or the state of affairs of the Association in future financial years.

16 Contingent Liabilities and Contingent Assets

The property located at 160 Burwood Drive, Blackmans Bay is currently owned by the Girl Guides Association (Tasmania) and operated as a guide hall. Per the special clause in the purchase agreement between Kingborough Council and the Association, the land is to be sold back to the Kingborough Council at the Associations sole expense and at a cost of \$1.00 in the event that it is no longer required for use as a guide hall for an extended period greater than 60 days.

There are no other contingent liabilities or contingent assets at reporting date to be disclosed.

Girl Guides Association (Tasmania)

Independent Audit Report to the members of Girl Guides Association (Tasmania)

Opinion

We have audited the financial report of Girl Guides Association (Tasmania) (the Association), which comprises the statement of financial position as at 31 December 2020, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the Board's Declaration.

In our opinion, the accompanying financial report of the Association has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012 (Cth)*, including:

- giving a true and fair view of the Association's financial position as at 31 December 2020 and of its financial performance and cash flows for the year then ended; and
- complying with Australian Accounting Standards to the extent described in Note 1 to the financial statements, and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial report has been prepared to assist Girl Guides Association (Tasmania) to meet the requirements of the *Australian Charities and Not-for-profits Commission Act 2012 (Cth)*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Other Information

The Board are responsible for the other information. The other information comprises the Board's Report the year ended 31 December 2020, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

Girl Guides Association (Tasmania)

Independent Audit Report to the members of Girl Guides Association (Tasmania)

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Board for the Financial Report

The Board is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as the Board determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Board is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Board either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Association's financial reporting process.

The Board is responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Independent Audit Report to the members of Girl Guides Association (Tasmania)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board.
- Conclude on the appropriateness of the Board's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during the audit.
