Compilation Report

To Samoan Indep. Seventh Day Adventist Church (Vic. Division) Inc

For the year ended 30 September 2021

We have compiled the accompanying special purpose financial statements of Samoan Indep. Seventh Day Adventist Church (Vic. Division) which comprise the balance sheet as at 30 September 2021, the statement of profit or loss for the period then ended, a summary of significant accounting policies and other explanatory notes. The specific purpose for which the special purpose financial statements have been prepared is set out in Note 1 to the financial statements.

The Responsibility of the Directors

The directors of Samoan Indep. Seventh Day Adventist Church (Vic. Division) Inc are solely responsible for the information contained in the special purpose financial statements, the reliability, accuracy and completeness of the information and for the determination that the significant accounting policies used are appropriate to meet their needs and for the purpose that the financial statements were prepared.

Our Responsibility

On the basis of information provided by the directors, we have compiled the accompanying special purpose financial statements in accordance with the significant accounting policies as described in Note 1 to the financial statements and APES 315: Compilation of Financial Information.

We have applied our expertise in accounting and financial reporting to compile these financial statements in accordance with the significant accounting policies described in Note 1 to the financial statements. We have complied with the relevant ethical requirements of APES 110: Code of Ethics for Professional Accountants.

Assurance Disclaimer

Since a compilation engagement is not an assurance engagement, we are not required to verify the reliability, accuracy or completeness of the information provided to us by management to compile these financial statements. Accordingly, we do not express an audit opinion or a review conclusion on these financial statements. The special purpose financial statements were compiled exclusively for the benefit of the directors who are responsible for the reliability, accuracy and completeness of the information used to compile them. We do not accept responsibility for the contents of the special purpose financial statements.

Notes to the Financial Statements
For the year ended 30 September 2021

Note 1: Summary of Significant Accounting Policies

a. Statement of Compliance

The Committee has determined that the incorporated association is not a reporting entity because there is no user's dependant on general purpose financial statements. The financial report is a special purpose financial report which has been prepared to satisfy the financial reporting requirements of the Associations Incorporation Reform Act 2012.

These financial statements have been prepared in accordance with the following Australian Accounting Standards:

AASB 16	Leases
AASB 101	Presentation of Financial Statements
AASB 107	Statement of Cash Flows
AASB 1031	Materiality
AASB 1048	Interpretation of Standards
AASB 1054	Australian Additional Disclosures

b. Basis of measurement

The financial statements have been prepared on an accrual basis and are based on historical cost, unless otherwise stated, and does not consider changing money values except where specifically stated.

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

c. Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

Property

Freehold land and buildings are shown at their fair value, being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction.

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

Plant and equipment

Plant and equipment are measured on the cost basis less depreciation and impairments losses.

The carrying amount of plant and equipment is reviewed annually by the committee members to ensure that it is not more than the recoverable amount from these assets. The recoverable amount is assessed based on the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Depreciation

Depreciation on Contents and Motor Vehicles is currently being claimed in the financial statements. All other fixed assets being currently valued at an expected market value as agreed upon by the committee.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are recognised immediately in the profit and loss statement.

When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

d. Impairment of Assets

At the end of each reporting period, property, plant and equipment, intangible assets and Investments are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. The recoverable amount is the higher of the asset's fair value less costs of disposal and the present value of the asset's future cash flows discounted at the expected rate of return. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount and an impairment loss is recognised immediately in the profit or loss.

e. Income Tax

The association is a not-for-profit organisation and is exempt from income tax under section 50-45 of the *Income Tax Assessment Act 1997*

f. Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within current liabilities on the balance sheet.

g. Revenue

Revenue is measured at the fair value of the consideration received or receivable. Donation income is recognised when the entity obtains control over the funds, which are generally at the time of receipt.

Interest revenue is recognised using the effective interest method, which, for floating rate financial assets, is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established. All revenue is stated net of the amount of goods and services tax.

h. Investments

Investments include equity securities (i.e. shares) of listed and unlisted entities. The company recognises and measures these investments at cost less any accumulated impairment losses.

i. Inventory

Inventory held for sale is measured at the lower of cost and net realisable value.

j. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO), in which case the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the balance sheet.

k. Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in active markets and are stated at amortised cost using the effective interest rate method.

Notes to the Financial Statements

For the year ended 30 September 2021

Note 1: Summary of Significant Accounting Policies

The directors' have prepared the financial statements on the basis that the company is a non-reporting entity because there are no users dependent on general purpose financial statements. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the needs of members.

The financial statements have been prepared in accordance with the significant accounting policies disclosed below, which the directors have determined are appropriate to meet the needs of members.

Such accounting policies are consistent with the previous reporting period unless stated otherwise.

The financial statements have been prepared on an accrual basis and are based on historical costs unless otherwise stated in the notes. The accounting policies that have been adopted in the preparation of the statements are as follows:

a. **Income Tax**

The income tax expense (income) for the year comprises current income tax expense (income). The company does not recognise deferred tax assets or liabilities.

Current income tax expense charged to profit or loss is the tax payable on taxable income and is measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

b. **Inventories**

Inventories are measured at the lower of cost and net realisable value. The cost of manufactured inventories includes direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenses.

c. **Property, Plant and Equipment**

All property, plant and equipment except for freehold land and buildings are initially measured at cost and are depreciated over their useful lives on a straight-line basis. Depreciation commences from the time the asset is available for its intended use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount. Freehold land and buildings are carried at their recoverable amounts, based on periodic, but at least triennial, valuations by the directors. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have not been discounted in determining recoverable amounts.

d. **Goodwill**

Goodwill is initially measured at the amount by which the purchase price for a business combination exceeds the fair value attributed to the interest in the net fair value of identifiable assets, liabilities and contingent liabilities acquired at date of acquisition.

Goodwill is subsequently measured at cost less any impairment losses.

Goodwill is subject to impairment testing when the directors consider that there is objective evidence the business has been impaired. Impairment losses are calculated based on the directors' assessment of the business's recoverable amount. Recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have not been discounted in determining recoverable amount.

Gains and losses on the disposal of a business include the carrying amount of goodwill relating to the business sold.

e. **Trade and Other Receivables**

Trade receivables are recognised initially at cost and are subsequently measured at cost less any provision for impairment. Most sales are made on the basis of normal credit terms and are not subject to interest. Where credit is extended beyond normal credit terms and is more than 12 months, receivables are discounted to their present value.

Notes to the Financial Statements

For the year ended 30 September 2021

Note 1: Summary of Significant Accounting Policies

At the end of each reporting period, the carrying amounts of trade and other receivables are reviewed to determine whether there is any objective evidence that the amounts are not recoverable. A provision for impairment is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables.

Other receivables include loans granted by the company and are discounted to present values using the interest rate inherent in the loan.

f. **Investments**

Investments include equity securities (ie shares) of listed and unlisted entities. The company recognises and measures these investments at cost less any accumulated impairment losses.

g. **Impairment of Assets**

At the end of each reporting period, property, plant and equipment, intangible assets and investments are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. The recoverable amount is the higher of the asset's fair value less costs of disposal and the present value of the asset's future cash flows discounted at the expected rate of return. If the estimated recoverable amount is lower, the carrying amount is reduced to the estimated recoverable amount and an impairment loss is recognised immediately in profit or loss.

h. **Trade and Other Payables**

Trade and other payables represent the liabilities for goods and services received by the company that remain unpaid at the end of the reporting period. They are recognised at their transaction price. Trade and other payables are subject to normal credit terms (30-60 days) and do not bear interest.

i. **Provisions**

Provision is made for the company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits have been measured at the nominal amounts expected to be paid when the liability is settled, plus any related on-costs. Both annual leave and long service leave are recognised within the provisions liability.

j. **Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of months or less, and bank overdrafts. Bank overdrafts are shown within current liabilities on the balance sheet.

k. **Revenue and Other Income**

Revenue is measured at the value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest method, which, for floating rate financial assets, is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Revenue recognition relating to the provision of services is determined with reference to the stage of completion of the transaction at the end of the reporting period and where outcome of the contract can be estimated reliably. Stage of completion is determined with reference to the services performed to date as a percentage of total anticipated services to be performed. Where the outcome cannot be estimated reliably, revenue is recognised only to the extent that related expenditure is recoverable.

All revenue is stated net of the amount of goods and services tax.

l. **Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO), in which case the GST is

Notes to the Financial Statements

For the year ended 30 September 2021

Note 1: Summary of Significant Accounting Policies

recognised as part of the cost of acquisition of the asset or as part of an item of the expense.
Receivables and payables stated are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the balance sheet.

SAMOAN INDEP. SEVENTH DAY ADVENTIST CHURCH (VIC. DIVISION) INC

INDEPENDENT AUDITOR'S REVIEW REPORT

Report on the Financial Report

We have reviewed the accompanying financial report of Samoan Indep. Seventh Day Adventist Church (Vic. Division) Inc. which comprises the statement of financial position as at 30th September 2021, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year 2021 ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the responsible entities' declaration.

Responsible Entities' Responsibility for the Financial Report

The responsible entities of the registered entity are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act) and for such internal control as the responsible entities determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2415 Review of a Financial Report: Company Limited by Guarantee or an Entity Reporting under the ACNC Act or Other Applicable Legislation or Regulation, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the financial report does not satisfy the requirements of Division 60 of the ACNC Act including: giving a true and fair view of the registered entity's financial position as at 30th September 2021 and its performance for the year 2021 ended on that date; and complying with the Australian Accounting Standards and the Australian Charities and Not-for-profits Commission Regulation 2013 (ACNC Regulation). ASRE 2415 requires that we comply with the ethical requirements relevant to the review of the financial report.

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the financial report of Samoan Indep. Seventh Day Adventist Church (Vic. Division) Inc. does not satisfy the requirements of Division 60 of the Australian Charities and Not-for-profits Commission Act 2012 including:

(a) giving a true and fair view of the registered entity's financial position as at 30th September 2021 and of its financial performance and cash flows for the year 30th September 2021 ended on that date; and

(b) complying with Australian Accounting Standards and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013.
