**INDEPENDENT AUDITOR'S REPORT  
TO THE TRUSTEES OF  
TJURABALAN NATIVE TITLE LAND ABORIGINAL CORPORATION CHARITABLE TRUST**

**Report on the Financial Report**

We have audited the accompanying financial report, being a special purpose financial report, of Tjurabalan Native Title Land Aboriginal Corporation Charitable Trust, which comprises the statement of financial position as at 30 June 2017, and the statement of comprehensive income for the year then ended, a summary of significant accounting policies, other explanatory notes and the Trustee's declaration.

**The Responsibility of Trustee for the Financial Report**

The Trustee of the discretionary trust is responsible for the preparation and fair presentation of the financial report and has determined that the accounting policies described in Note 1 to the financial statements which form part of the financial report are appropriate to meet the needs of the beneficiaries. The Trustee's responsibility also includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the beneficiaries. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the unit trust's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the unit trust's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by The Trustee, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to beneficiaries for the purpose of fulfilling the trustee's financial reporting under the trust deed. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the trustees, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Independence**

In conducting our audit, we have complied with the independence requirements of Australian professional accounting bodies.

***Basis for Qualified Opinion***

Incomes due from a mining company under a 'Royalty Agreement' are calculated on 'Net Smelter Return after Hedging' as defined in the Agreement. The income amounts are accepted by the Trustee on the basis of calculations by the mining company. No verification of entitlements is conducted by the Trustee. For year ended 30<sup>th</sup> June 2017 these incomes totalled \$126,907. We disclaim any responsibility for opinion on the accuracy of these calculations and amounts of entitlements received under that Agreement.

***Auditor's Opinion***

In our opinion, subject to the above qualification, the financial reports present fairly, in all material respects, the financial position of Tjurabalan Native Title Land Aboriginal Corporation Charitable Trust as at 30 June 2017, and its financial performance for the year then ended in accordance with Australian Accounting Standards (including Australian Accounting Interpretations).
