ME/CFS Australia Ltd

Notes to the Financial Statements

For the Year ended 30 June 2019

1 Significant Accounting Policies

The directors have prepared the financial statements on the basis that the company is a non-reporting entity because there are no users dependent on general purpose financial statements. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the needs of members.

The financial statements have been prepared in accordance with the significant accounting policies disclosed below, which the directors have determined are appropriate to meet the needs of members. Such accounting policies are consistent with the previous period unless stated otherwise.

Basis Of Preparation

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The accounting policies that have been adopted in the preparation of the statements are as follows:

(a) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

(b) Property, Plant and Equipment

Property, plant and equipment are carried at cost, independent or management valuation. All assets, excluding freehold land and buildings held for investment, are depreciated over their useful lives.

The depreciation method and useful life used for items of property, plant and equipment (excluding freehold land) reflects the pattern in which their future economic benefits are expected to be consumed by ME/CFS Australia Ltd. Depreciation commences from the time the asset is held ready for use. Any leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The useful lives used for each class of depreciable asset are considered to fall within standard parameters. Standard rates of depreciation have been used for each class of asset.

The carrying value of plant and equipment is reviewed annually to ensure it is not in excess of the recoverable amount. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have not been discounted in determining recoverable amounts.

(c) Income Tax

No provision for income tax has been raised as the association/company (as the case may be) is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(d) Borrowings

Loans are carried at their principal amounts which represent the present value of future cash flows associated with servicing the debt. Interest is accrued over the period it becomes due and is recorded as part of current payables.

(e) Trade and Other Receivables

Trade receivables are recognised initially at the transaction price (i.e. cost) and are subsequently measured at cost less provision for impairment.

At the end of each reporting period, the carrying value of trade and other receivables are reviewed to determine whether there is any objective evidence that the amounts are not recoverable. If so, an impairment loss is recognised immediately in the financial statements.

ME/CFS Australia Ltd
Notes to the Financial Statements
For the Year ended 30 June 2019

(f) **Revenue and Other Income**

Revenue is measured at the value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

All revenue is stated net of the amount of goods and services tax (GST).

(g) **Trade and Other Payables**

Trade payables are obligations on the basis of normal credit terms and do not bear interest. They are recognised at their transaction price.

(h) **Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the balance sheet.

ME/CFS Australia Ltd
13 Forestoak Way, GOONELLABAH NSW 2480

The principal activities of the company include:

Charitable Organisation

ME/CFS Australia Ltd
Directors' Declaration
For the Year ended 30 June 2019

The Directors have determined that the Company is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in the Notes to the Financial Statements.

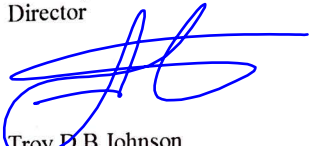

The Directors of the Company declare that:

1. The financial statements and notes, as set out in the financial report present fairly the Company's financial position as at 30 June 2019 and its performance for the reporting period ended on that date in accordance with the accounting policies described in the Notes to the Financial Statements; and
2. In the Directors' opinion there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

**ME/CFS Australia Ltd
Independent Auditor's Report
to the Members of
ME/CFS Australia Ltd**

We have audited the accompanying financial report, being a special purpose financial report, of ME/CFS Australia Ltd (the Company), which comprises the Balance Sheet as at 30 June 2019, and the Income Statement for the Year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the Directors' Declaration.

Directors' Responsibility For The Financial Report

The Directors of the Company are responsible for the preparation of the financial report, and have determined that the accounting policies described in the Notes to the Financial Statements are appropriate to meet the requirements of the company's constitution and the needs of the Members. The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error.

In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Australian Professional Ethical Pronouncements.

Opinion

In our opinion, the financial report presents fairly, in all material respects the financial position of ME/CFS Australia Ltd as at 30 June 2019 and of its financial performance for the Year then ended in accordance with the accounting policies described in the Notes to the Financial Statements.

Basis Of Accounting

Without modifying our opinion, we draw attention to the Notes to the Financial Statements, which describe the basis of accounting. The financial report has been prepared for distribution to members for the purpose of fulfilling the Directors' financial reporting obligations under the company's constitution. As a result, the financial report may not be suitable for another purpose.
