Company Secretary

The following person held the position of Company Secretary for the entire financial year: Peter Garrone, B.Com and LLB (Hons), Chartered Accountant (Australia). Peter Garrone has worked for Brisbane Housing Company Limited since March 2017 as Chief Financial Officer and was appointed Company Secretary on 19 April 2017.

Principal Activities

The principal activities of the Group during the financial year were the provision of affordable housing and activities to support this mission in Queensland.

Operating Results

The comprehensive income of the Group amounted to \$71,678,293 (2023: \$36,244,011). No provision for Income tax was established as Brisbane Housing Company Limited is exempt from income tax and the non-exempt subsidiaries have carried forward losses.

Dividends Paid or Recommended

No dividends were paid or declared since the start of the financial year. No recommendation for payment of dividends has been made as the Group reinvests all surpluses in the development of affordable housing.

Review of Operations

The Group continued to provide affordable housing during the financial year. The Group continued to progress the development of the first stage of seven projects under the Housing Investment Fund (HIF) that will deliver almost 600 new social and affordable homes. These projects are being delivered through a partnership between BHC, Queensland Investment Corporation (QIC) and the Queensland Government that will deliver up to 1,200 new social and affordable homes across South-East Queensland through the HIF.

Significant Changes in State of Affairs

During the year there were no material or significant changes in the state of affairs of the Group. The Group continues to focus on the development and management of social and affordable housing within Queensland.

After Balance Date Events

Other than disclosed below, no matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Group, the results of those operations, or the state of affairs of the Group in future financial years.

Directors' Report continued

Future Developments, Prospects and Business Strategies

The Group expects to continue to build social and affordable housing in Queensland by developing mixed tenure and mixed use buildings. This will involve the use of external funding, Government grants (either up-front and/or recurring) and cash generated by the Group. The Group will continue to investigate alternative methods of raising private sector funding to deliver development projects.

Environmental Issues

The Group's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a state or territory.

Options

No options over issued shares or interests in the entity were granted during or since the end of the financial year and there were no options outstanding at the date of this report.

Meetings of Directors

During the financial year, 10 meetings of directors were held. Attendances by each director during the year were as follows:

					•					
		tors' tings	Au Comn			ance mittee		perty mittee	Tena Manag Comr	ement

Karla Fraser	10	9	3	3			10	10		

Committee Meetings

A = Number of meetings eligible to attend

B = Number of meetings attended

Indemnifying Officers

During the financial year, the Group paid a premium to insure against legal costs that might be incurred in defending an action against one or any of the directors or officers of the Group and any other payments arising from liabilities incurred by the officers in connection with such proceedings, other than where such liabilities arise out of conduct involving a wilful breach of duty in relation to the Group.

Proceedings on Behalf of the Entity

No person has applied for leave of Court to bring proceedings on behalf of an entity of the Group or intervene in any proceedings to which an entity of the Group is a party for the purpose of taking responsibility on behalf of the entity for all or any part of those proceedings.

None of the Group entities were party to any such proceedings during the year.

Directors' Report continued

Auditor's Independence Declaration A copy of the Auditor's Independence Declaration as required under s 60-40 of the Australian Charities and Not-for-Profits Commission Act 2012 is set out on page 7.

Signed in accordance with a resolution of the Board of Directors.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report includes the consolidated financial statements and notes of Brisbane Housing Company Limited and controlled entities ("Consolidated Group" or "Group"). Brisbane Housing Company Limited is a not for profit company limited by shares and incorporated in Queensland, Australia.

1.1 Basis of Preparation

This financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards - Simplified Disclosures, Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Australian Charities and Not-for-Profits Commission Act 2012.

The financial statements cover Brisbane Housing Company Limited as a consolidated entity. The financial statements are presented in Australian Dollars, rounded to the nearest whole dollar, which is the consolidated entity's functional and presentation currency.

Historical cost convention

The financial statements have been prepared under the historical cost convention, with the exception of Property, Plant & Equipment and Investment Properties which are recorded at either historical cost or fair value in accordance with items 1.3d & 1.3f.

1.2 New and revised standards that are effective for these financial statements.

In the current year, the Group has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

1.3 Summary of accounting policies

a. Principles of Consolidation

A controlled entity is any entity of which Brisbane Housing Company Limited has the power to govern the financial and operating policies, so as to obtain benefits from its activities. In assessing the power to govern, the existence and effect of holdings of actual and potential voting rights are considered.

As at reporting date, the assets and liabilities of all controlled entities have been incorporated into the consolidated financial statements as well as their results for the year then ended. Where controlled entities have entered/(left) the consolidated group during the year, their operating results have been included/ (excluded) from the date control was obtained/(ceased).

All inter-group balances and transactions between entities in the consolidated group, including any unrealised profits or losses, have been eliminated on consolidation. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with those adopted by the parent entity.

b. Revenue

The company recognises revenue as follows:

Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the company is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the company: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

Variable consideration within the transaction price, if any, reflects concessions provided to the customer such as discounts, rebates and refunds, any potential bonuses receivable from the customer and any other contingent events. Such estimates are determined using either the 'expected value' or 'most likely amount' method. The measurement of variable consideration is subject to a constraining principle whereby revenue will only be recognised to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur. The measurement constraint continues until the uncertainty associated with the variable consideration is subsequently resolved. Amounts received that are subject to the constraining principle are recognised as a refund liability.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

1.3 Summary of accounting policies continued

b. Revenue continued

Rental Income

Rental Income is recognised in accordance with AASB 16. The performance obligation of providing units of accommodation or commercial tenancy (as documented in the lease agreement) is satisfied over a period of time as the lessee occupies the premises. Accordingly, revenue is recognised over the same period of time at the rates agreed to in the rental agreement.

Grants

Grant funding is received by the Group from a number of sources. The performance obligations attached to the grant funding are considered when determining whether to account for the revenue under AASB 15 or AASB 1058. Where the grant funding has no specific performance obligations attached the revenue is recognised at the point in time the right to receive the grant funds occurs.

In situations where a capital funding agreement is in place the grant funding is often received up-front or at the time specified milestones in the project are achieved. The funding agreement may include the transfer of land as well as a cash contribution towards the construction costs of the building. For each funding agreement the Group identifies the performance obligations which often require construction of a building on a particular site and may also require the Group to contribute towards a particular share of the construction costs.

Where land is transferred, the performance obligation is satisfied at the point in time the land is transferred to the Group. Revenue is recognised under AASB 1058 at the time of the transfer at fair value.

Unearned Grant Income

Unearned Grant Income is represented by grant income received under funding agreements with the State Government through the various government departments. Where cash funding is received up-front and there are performance obligations specified in the agreement that have been identified as being fulfilled over time in line with the construction works on the project, the funds received are accounted for under AASB 1058 and are initially recorded as a liability under unearned grant income (see note 13 Trade and other payables). Grant revenue is recognised in profit or loss over time in proportion to the value of construction works over the same period. If conditions are attached to the grant which must be satisfied before the company is eligible to retain any remaining contribution, the grant will be recognised as a liability until those conditions are satisfied.

Due to the conditions of the funding agreements where if the performance obligations are not met, the funds are to be returned to the State Government, the unearned grant revenue is presented as a current liability, even where construction may not commence for a period greater than 12 months.

Donations

Donations are recognised as income at the time the pledge is made.

Interest

C.

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

Construction Contracts and Work in Progress

Construction work in progress is valued at cost. Cost includes both variable and fixed costs relating to specific contracts, and those costs that are attributable to the contract activity in general and that can be allocated on a reasonable basis.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

1.3 Summary of accounting policies continued

d. Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated, less (where applicable) accumulated depreciation and impairment losses.

Property

Freehold land and buildings are shown at their fair value based on periodic, but at least triennial, valuations by external independent valuers, or directors' valuations.

Increases in the carrying amount arising on revaluation of land and buildings are credited to a revaluation reserve in equity. Decreases that offset previous increases of the same classes of assets are charged against the revaluation reserve directly in equity; all other decreases are charged to the profit or loss.

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

Freehold land and buildings that have been contributed at no cost or for nominal cost are initially valued at the fair value of the asset at the date it is acquired.

Plant and Equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal.

Plant and equipment that have been contributed at no cost or for nominal cost are valued at the fair value of the asset at the date it is acquired.

Depreciation

The depreciable amount of all fixed assets including buildings and capitalised lease assets, but excluding freehold land, is depreciated on a straight line basis over the asset's useful life to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Buildings	2.5%
Plant & Equipment	3 - 50%
Office Equipment	10 - 50%
Motor Vehicles	12 - 20%
Leasehold Improvements	12.5 - 22%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance date.

Asset classes carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the profit or loss. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

1.3 Summary of accounting policies continued

e. Assets Held for Sale

Assets held for sale are land and buildings that have been identified by management as no longer being suitable in fulfilling BHC's mission and have been approved by the Board for divestment. Assets held for sale are shown at fair value. When the asset is sold, any amounts included in the asset revaluation reserve for that asset are transferred to retained earnings.

f. Investment Properties

Investment properties are properties which are outside the core mission of Brisbane Housing Company Limited and are held for generation of cash flows and capital appreciation.

Investment properties are recognised at fair value. Independent valuers are engaged to value the investment properties on a periodic, at least triennial, basis with directors' valuations being performed in the intermediate periods. The last independent valuation was obtained in the 2021 financial year. Investment properties are not depreciated.

g. Leases

All leases, except for short-term leases and leases of low-value are recognised in the Statement of Financial Position with a 'Right of Use' asset and a corresponding 'Finance Lease Liability'. The right of use asset is depreciated over the term of the lease and the finance lease liability is reduced as lease payments are made. An 'interest' charge is recognised in finance costs over the term of the lease.

h. Impairment of Assets

At each reporting date, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the profit or loss. Refer to Note 1d for the accounting policy for property assets.

Where the future economic benefits of the asset are not primarily dependent upon the asset's ability to generate net cash inflows and when the entity would, if deprived of the asset, replace its remaining future economic benefits, value in use is the depreciated replacement cost of an asset.

Where it is not possible to estimate the recoverable amount of an asset's class, the entity estimates the recoverable amount of the cash-generating unit to which the class of assets belong.

i. Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within 1 year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than 1 year have been measured at the present value of the estimated future cash outflows to be made for those benefits. Those cash flows are discounted using market yields on the corporate bond rate with terms to maturity that match the expected timing of cash flows.

Contributions are made by the entity to employee superannuation funds and are charged as expenses when incurred.

j. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of assets that necessarily take a substantial period of time to prepare for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised as an expense in the profit or loss in the period in which they are incurred.

k. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with financial institutions, other shortterm, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

1.3 Summary of accounting policies continued

I. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

Cash flows are presented in the Statement of Cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

m. Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997. Subsidiaries that are not exempt from income tax did not have taxable income for the period.

n. Intangibles

Software

Software is recorded at cost. Software has a finite life and is carried at cost less any accumulated amortisation and impairment losses. Software is currently amortised over 3 years.

Management Rights

Management rights are recognised at cost of acquisition. They have a finite life and are carried at cost less any accumulated amortisation and any impairment losses. Management rights are amortised over 10 years.

o. Provisions

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

p. Comparative Figures

Where required by Accounting Standards comparative figures have been adjusted to conform to changes in presentation for the current financial year.

q. Financial Instruments

Recognition, Initial Measurement and Derecognition

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the financial instrument, and are measured initially at fair value adjusted by transaction costs, except for those carried at fair value through profit or loss, which are initially measured at fair value. Subsequent measurement of financial assets and financial liabilities are described below.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognised when it is extinguished, discharged, cancelled or expired.

Classification and Subsequent Measurement of Financial Assets

Except for those trade receivables that do not contain a significant financing component and are measured at the transaction price, all financial assets are initially measured at fair value adjusted for transaction costs (where applicable). For the purpose of subsequent measurement, financial assets other than those designated and effective as hedging instruments are classified in to the following categories upon initial recognition:

- Amortised cost
- Fair value through profit and loss (FVPL)
- Equity instruments at fair value through other comprehensive income (FVOCI)

Classifications are determined by both:

- The Group's business model for managing the financial asset
- The contractual cash flow characteristics of the financial asset

All income and expenses relating to financial assets that are recognised in profit or loss are presented within finance costs, finance income or other financial items, except for impairment of trade receivables, which is presented within other expenses.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

1.3 Summary of accounting policies continued

q. Financial Instruments continued

Subsequent Measurement of Financial Assets

(i) Financial Assets at Amortised Cost

Financial assets are measured at amortised cost if the assets meet the following conditions (and are not designated as FVPL);

- They are held within a business model whose objective is to hold the financial assets and collect contractual cash flows
- The contractual terms of the financial assets give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial recognition, these are measured at amortised cost using the effective interest method. Discounting is omitted where the effect of discounting is immaterial. The Group's cash and cash equivalents, trade and most other receivables fall in to this category of financial instruments.

Impairment of Financial Assets

In assessing the impairment of financial assets, the Group uses the "expected credit losses" model (ECL). The Group considers a broader range of information when assessing credit risk and measuring expected credit losses, including past events, current conditions, reasonable and supportable forecasts that affect the expected collectability of the future cash flows of the instrument. In applying this forward-looking approach, a distinction is made between:

- Financial instruments that have not deteriorated significantly in credit quality since initial recognition or that have low credit risk ("Stage 1"); and

- Financial instruments that have deteriorated significantly in credit quality since initial recognition and whose credit risk is not low ("Stage 2").
- "Stage 3" would cover financial assets that have objective evidence of impairment.

'12-month expected credit losses' are recognised for the first category while 'lifetime expected credit losses' are recognised for the second category. Measurement of the expected credit losses is determined by a probability-weighted estimate of credit losses over the expected life of the financial instrument.

Trade and Other Receivables

The Group makes use of a simplified approach for trade and other receivables and records the loss allowance at the amount equal to the expected lifetime credit losses. In using this practical expedient, the Group uses its historical experience, external indicators and forward-looking information to calculate the expected credit losses.

Included in trade and other receivables at 30 June 2024 is an amount receivable from rental tenants charged by the Group during the current financial year amounting to \$523,776 and an allowance for expected credit losses has been made for \$325,359.

Classification and Measurement of Financial Liabilities

The Group's financial liabilities include trade and other payables, lease liabilities and borrowings. Financial liabilities are initially measured at fair value, and, where applicable, adjusted for transaction costs, unless the Group designated a financial liability at fair value through profit or loss.

Subsequently, financial liabilities are measured at amortised cost using the effective interest method.

All interest-related charges and, if applicable, changes in an instrument's fair value that are reported in profit or loss are included within finance costs or finance income.

Other Payables - Retirement Village

New residents of the Village are required to pay an ingoing contribution. The ingoing contribution is initially recorded at fair value and is non-interest bearing. Subsequent fair value adjustments are made through the profit or loss. Over the first five years at the Village, residents are required to pay a deferred management fee of 6% of the ingoing contribution per annum. Fair value is the amount payable on demand and is measured as the principal amount less deferred management fees accrued for up to reporting date.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

1.3 Summary of accounting policies continued

q. Financial Instruments continued

Other Payables - Retirement Village continued

As there is no unconditional right for BHC to defer payment for 12 months or greater, the ingoing contribution liability is recorded as a current liability. Based on the experience at the Village to date and estimates around length of stay at the Village, it is reasonable to expect that only a portion of residents will leave the Village in any given year and therefore it is reasonable to expect that only a portion of the ingoing contributions received will become due and payable in the next 12 months. In the year to 30 June 2024 \$1,385,948 (2023: \$428,213) ingoing contributions were paid out.

r. Critical Accounting Estimates and Judgments

The directors evaluate estimates and judgments incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Group.

Key estimates - Impairment

The entity assesses impairment at each reporting date by evaluating conditions specific to the entity that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs to sell or value-in-use calculations to assess the recoverable amounts which incorporate a number of key estimates.

Key estimates - Plant and Equipment

To comply with AASB 116, as each building is completed the Board of Directors adopts Quantity Surveyor estimates for Plant and Equipment associated with rental properties based on the estimated replacement cost of the assets. Depreciation for Building Plant and Equipment has been calculated by amortising the replacement cost of the assets over the remaining useful life as determined by the Quantity Surveyor's report and adopted by the Board of Directors.

Key estimates - Land & Buildings at valuation

The sale of certain properties in the Group's portfolio would give rise to a taxable supply under the GST legislation and therefore be subject to GST. This GST liability would cause the net sale value being less than the book value. No adjustment to the book value has been made in the accounts as there is no current intention to sell any of the affected properties and also because the potential GST liability could be avoided by renting the affected properties at market rents for a period of five years.

Refer to Note 8 which highlights key estimates in relation to the valuation of land and buildings.

Key estimates - Work In Progress

Directors review amounts held in work in progress on a quarterly basis to assess the likelihood of a project progressing. Costs for projects that are aborted are expensed by a resolution of the Board.

Key estimates - Deferred Management Fee Income

Residents of the retirement village pay an up-front ingoing contribution, of which 70% is ultimately refundable and with 30% being a "deferred management fee" (DMF) paid to the Group. The DMF is payable over a 5 year period or on a pro-rata basis if the resident leaves within the 5 year period.

The DMF is initially recorded as an unearned revenue and is recognised as income over 7 years which which reflects the estimated length of time a resident might stay in the Village.

Fair Value Measurement Hierarchy

The Group is required to classify all assets and liabilities, measured at fair value, using a three level hierarchy, based on the lowest level of input that is significant to the entire fair value measurement, being:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can assess at the measurement date;

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

1.3 Summary of accounting policies continued

r. Critical Accounting Estimates and Judgments continued

Level 3: Unobservable inputs for the asset or liability. Considerable judgement is required to determine what is significant to fair value and therefore which category the asset or liability is placed in can be subjective.

The inputs used for the purposes of revaluing the Group's land and buildings fall under the "Level 2" inputs.

Going Concern

The directors of Brisbane Housing Company Limited have assessed the ability of the Group to continue as a going concern for the financial year ended 30 June 2024. This assessment is based on a review of the Group's financial position, cash flow forecast and operating performance.

The Group has entered in to a debt facility arrangement in the current year to facilitate delivery of the HIF program and has also received significant grant revenue that is held as unearned to facilitate these projects. This has attributed to an increase in current liabilities and in the current year the current liabilities exceed current assets. The net current asset deficiency will resolve itself as the Group has a binding agreement in place for long-term financing from Housing Australia and the Qld Social Housing Fund commencing early 2025. As buildings that are funded by the current debt are completed, the current debt is replaced with long-term financing from Housing Australia and the Qld Social Housing Fund that will be held as non-current.

GST receivable	908,712	423,785	
Advances and deposits	427,642	646,200	
Total other assets	4,719,980	3,852,403	

NOTE 8: PROPERTY, PLANT AND EQUIPMENT

The Group's land and buildings were revalued as at 30 June 2024 and are based on the independent valuations, annual rents and capitalisation rates, and applying a discount factor to come to the valuation amount for both the independently valued properties as well as the balance of the portfolio which is usually subject to a directors valuation.

See note 25 - Fair value measurement for more details on the valuation methodologies.

The Group is required to classify all assets and liabilities measured at fair value using a three level hierarchy (see Fair Value Measurement Hierarchy under Critical Accounting Estimates and Judgements) and the inputs used for the purposes of revaluing the Group's land and buildings fall under the "Level 2" inputs.

Valuations were made on the basis of open market value. The revaluation increment was credited to the asset revaluation reserve in equity during the year.

 greater than 5 years 	-	-
 Less finance costs 	(163,522)	(129,631)
	2,713,389	2,499,544

The non-cancellable office lease has a 8 year term expiring 31 Aug 2028 with an option to renew for a further 5 years. Rental provisions within the lease agreement require the minimum lease payments to be increased by 3.75% on each anniversary. In March 2024 BHC entered in to a second lease agreement for additional office space in the same building. The lease expiry, rent review conditions and general terms and conditions are aligned with the original lease.

Borrowings are interest only and are used to fund the development of social and affordable housing projects under the Housing Investment Fund (HIF). The term of the facilities aligns with when the conditions precedent were satisfied for the relevant project.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

NOTE 16: BORROWINGS continued

Following completion of each project, the completed building will be sold to BHC Affordable Living Limited, a special purpose entity which BHC is the sole member. BHC Affordable Living Limited will fund the purchase of the projects with long-term debt from Housing Australia and the Qld Social Housing Fund (an entity established to receive subordinated debt from Australian Retirement Trust (ART). BHC will use the sale proceeds to repay the borrowings that it has incurred in relation to the projects.

	406,085	660,976

NOTE 19: KEY MANAGEMENT PERSONNEL COMPENSATION

The Group's key management personnel consisted of the Chief Executive Officer, Chief Operating Officer, Chief Financial Officer, Projects Director and Directors. Total compensation paid to key management personnel during the financial year amounted to \$1,395,152 (2023: \$1,263,920).

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

NOTE 20: SHARE CAPITAL

	Consolidated Group	
	2024	2023
	\$	\$
3 (2023: 3) fully paid Ordinary Shares	3	3
8 (2023: 8) fully paid Community Redeemable Preference Shares	8	8
	11	11

Ordinary shares do not carry the right to receive a dividend or participate in the income, profits or surplus assets of the Company beyond the redemption amount and in the event of winding up, the surplus assets of the company are transferred to one or more charitable institutions nominated by the State Government. Redeemable preference shares do not participate in dividends or proceeds of winding up (apart from the \$1 redemption amount).

At shareholders' meetings each ordinary share and community redeemable preference share is entitled to vote when a poll is called, otherwise each shareholder has one vote on a show of hands.

NOTE 21: COMPOSITION OF THE GROUP

Set out below are details of the subsidiaries held directly by the parent entity, Brisbane Housing Company Limited.

Name of the Subsidiary	Country of Incorporation and principal place of	Principal Activity	Proportion of Ownership interests held by the Group	
	business		2024	2023
BHC Development Services Pty Ltd	Australia	Dormant	100%	100%
Catalyst Affordable Housing Limited	Australia	Developer/Manager of Affordable Housing in Gladstone (to 1 November 2023) and; Elevate Real Estate Agency	100%	100%
BHC Affordable Living Limited	Australia	Dormant	100%	100%

NOTE 22: CONTINGENT LIABILITIES

As a condition of the funding received under the funding agreement with the State Government (the State), for the Bothwell Street project (Caggara House), the Company was required to construct 57 social housing units. The State contributed the land currently valued at \$4.58m and cash of \$7.47m. The State has an option to purchase the development in 2053 and a first right of refusal if the Company sells before that date. The Company may be required to repay the contingent liability to the State in the event of a sale of the property. The contingent liability is a proportion of the value of the property based on the proportion of the total cost which was provided by the State and is to reduce by 2.5% per annum from 2015.

NOTE 23: AFTER BALANCE DATE EVENTS

There is no litigation filed against the Group since balance date and the Group is unaware of any pending litigation.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 25th September 2024. The directors have the power to amend and reissue the financial statements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

NOTE 24: RELATED PARTY TRANSACTIONS

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other persons.

During the year the Group paid \$401,092 excl GST (2023: \$332,833) to Allens Linklaters for legal and professional fees. One of the Group's Directors is a partner in the firm. Related party payable balances included within trade payables and accruals at 30 June amounted to \$3,565 (2023: \$10,154).

NOTE 25: FAIR VALUE MEASUREMENT

The following table shows the non-financial assets measured at fair value on a recurring basis at 30 June 2024:

	\$
Property Plant and Equipment	
Land & Buildings Directors' Valuation - Modified "Independent Valuation" Approach	161,576,048
Land & Buildings Directors' Valuation - Modified "Directors' Valuation" Approach	270,012,215

Consistent with prior years, one third of the portfolio was valued by an independent valuer at 30 June 2024. Given the fluctuation in values due to the uncertainty in the property market at the current time, the directors have determined, based on BHC individual circumstances, not to adopt the independent valuations as assessed. In determining the fair value of the Land and Buildings the Directors have had regard to these independent valuations and have applied two approaches.

- Modified Independent Valuation Approach applied to properties that were independently valued during the period. Where the independent valuation indicated a valuation increment, the Directors have considered BHC's internal annual rental and capitalisation forecasts and, where appropriate, applied a discount factor of between 0% to 50% on the independent valuation increment. For properties where the independent valuation indicated a decrement, the decrement has been booked in its entirety.
- Modified Directors Valuation Approach applied to all other properties. In these cases the Directors
 have applied the average increment / decrement determined under the Modified Independent
 Valuation Approach above to properties with similar geographical and operational characteristics
 as those independently valued.

It is expected that once the property market settles, the previous valuation methods for independent and directors' valuations will resume.

The land and buildings were revalued on 30 June 2024. The land and buildings were previously revalued in June 2023.

NOTE 26: REMUNERATION OF AUDITORS

	2024 \$	2023 \$
Audit Services - Grant Thornton	φ	φ
Audit of the financial statements	61,400	58,820

The registered office and principal place of business for the group is Level 17, 333 Ann St, Brisbane QLD 4000.

DIRECTORS' DECLARATION

The directors of the entity declare that:

- 1. The consolidated financial statements and notes, as set out on pages 8 to 30, are in accordance with the Australian Charities and Not-for-Profits Commission Act 2012 and:
 - a. comply with Accounting Standards Simplified Disclosures (including Australian Interpretations) and the Australian Charities and Not-for-Profits Regulations 2022; and
 - b. give a true and fair view of the financial position as at 30 June 2024 and of the performance for the year ended on that date of the company and of the consolidated group.
- 2. In the directors' opinion there are reasonable grounds to believe that the company and its subsidiaries will be able to pay their debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Eloise Atkinson (Chairperson) Dated this 25th day of September 2024

Grant Thornton Audit Pty Ltd King George Central Level 18 145 Ann Street Brisbane QLD 4000 GPO Box 1008 Brisbane QLD 4001 T +61 7 3222 0200

Independent Auditor's Report

To the Members of Brisbane Housing Company Limited

Report on the audit of the financial report

Opinion

We have audited the financial report of Brisbane Housing Company Limited (the "Registered Entity") and its subsidiaries ("the Group"), which comprises the consolidated statement of financial position as at 30 June 2024, and the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information and the Directors' declaration.

In our opinion, the financial report of Brisbane Housing Company Limited has been prepared in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act 2012, including:

- a giving a true and fair view of the Registered Entity's financial position as at 30 June 2024 and of its financial performance for the year then ended; and
- *b* complying with Australian Accounting *Standards AASB 1060 General Purpose Financial Statements -Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* and Division 60 of the *Australian Charities and Not-for-profits Commission Regulations 2022.*

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Registered Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

www.grantthornton.com.au ACN-130 913 594

Grant Thornton Audit Pty Ltd ACN 130 913 594 a subsidiary or related entity of Grant Thornton Australia Limited ABN 41 127 556 389 ACN 127 556 389. 'Grant Thornton' refers to the brand under which the Grant Thornton member firms provide assurance, tax and advisory services to their clients and/or refers to one or more member firms, as the context requires. Grant Thornton Australia Limited is a member firm of Grant Thornton International Ltd (GTIL). GTIL and the member firms are not a worldwide partnership. GTIL and each member firm is a separate legal entity. Services are delivered by the member firms. GTIL does not provide services to clients. GTIL and each member firms are not agents of, and do not obligate one another and are not liable for one another's acts or omissions. In the Australian context only, the use of the term 'Grant Thornton' may refer to Grant Thornton Australia Limited ABN 41 127 556 389 ACN 127 556 389 and its Australian subsidiaries and related entities. Liability limited by a scheme approved under Professional Standards Legislation.

Other information

The Directors are responsible for the other information. The other information comprises the information included in the Registered Entity's annual report for the year ended 30 June 2024, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the financial report

The Directors of the Registered Entity are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards – *AASB 1060 General Purpose Financial Statements* - *Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* and the ACNC Act, and for such internal control as the Directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the Registered Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Registered Entity or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for overseeing the Registered Entity's financial reporting process.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
 Registered Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Registered Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Registered Entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the financial report. We are responsible for the direction, supervision, and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
