The financial statements cover Coptic Hope Charity Trust and have been prepared in accordance with the Trust deed to meet the needs of stakeholders and to assist in the preparation of the tax return.

Comparatives are consistent with prior years, unless otherwise stated.

1. Basis of Preparation

The Trust is non-reporting since there are unlikely to be any users who would rely on the general purpose financial statements.

The special purpose financial statements have been prepared in accordance with the significant accounting policies described below and do not comply with any Australian Accounting Standards unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

2. Summary of Significant Accounting Policies

3. Summary of Significant Accounting Policies

(a) Cash and Cash Equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

(b) **Borrowings**

Secured and unsecured loans have been obtained. While some loans are interest free, these have not been discounted to present values. Carrying amounts therefore represent amounts expected to be repaid at settlement. Unsecured loans are considered to be repayable at call and therefore presented as current liabilities.

(c) Leases

Operating Leases

The minimum rental revenue of operating leases with fixed rental increases, where the lesser effectively retains substantially all of the risks and benefits of ownership of the leased item, are recognised on a straight line basis.

Revenue from other leases is recognised in accordance with the lease agreement, which is considered to best represent the pattern of service rendered through the provision of the leased asset.

(d) Revenue and Other Income

Sale of Goods

Revenue is recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

Interest Revenue

Interest is recognised using the effective interest method.

Dividend Revenue

Dividends are recognised when the Trust's right to receive payment is established.

(e) Goods and Services Tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Coptic Hope Charity Trust

Report on the Financial Report

We Lonsdale Accountants Pty Ltd have reviewed the accompanying special purpose financial report of Coptic Hope Charity Trust, which comprises the balance sheet at 30 June 2020 and the profit and loss statement for the year ended on that date, notes comprising a summary of significant accounting policies along with the committees report and the statement by members of the committee.

Responsible Entities' Responsibility for the Financial Report

The Committee is responsible for the preparation of the financial report that gives a true and fair view and has determined the basis of the preparation described in Note 1 of the financial report. The committee's responsibility also includes establishment of such internal control that it determines is necessary to enable the preparation of the financial report that is free from material misstatement due to fraud or error

Auditor's Responsibility

Our responsibility is to express a conclusion on the financial report based on our review.

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the financial report of Coptic Hope Charity Trust does not present fairly, in all material respects, the financial position at 30 June 2020, and of its financial performance for the period ended on that date.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the needs of the members. As a result, the financial report may not be suitable for another purpose.

Yours Faithfully
