

The Gawler Foundation

An integrated approach to health
healing and wellbeing

14 May 2021

Rochelle Wrigglesworth
DMG Audit & Advisory
PO Box 160
Sale Vic 3853

Dear Rochelle

Financial report of The Cancer Foundation Inc (T/A The Gawler Foundation) for the year ended 31 December 2020.

This representation letter is provided in connection with your audit of the financial report for the purpose of expressing an opinion as to whether the financial report presented fairly, in all material respects, the financial position at year end and of its financial performance and its cash flow for the year then ended in accordance with applicable Australian Accounting Standards.

We have fulfilled our responsibilities, as set out in the terms of the audit engagement, for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards.

We confirm, to the best of our knowledge and belief and, having made such enquiries as we considered necessary for the purpose of appropriately informing ourselves, the following representations made to you during your audit.

1. We have provided you with:
 - (a) access to all information of which we are aware that is relevant to the preparation of the financial report such as records, documentation and other matters
 - (b) additional information that you have requested from us for the purpose of the audit

- (c) unrestricted access to persons within the entity from whom you have sought audit evidence
 - (d) minutes of all meetings of boards of management/ directors/ committees of directors
 - (e) details of any off-balance sheet agreements or instruments, or confirmation that no such agreements or instruments exist.
2. All transactions have been recorded in the accounting records and are reflected in the financial report.
 3. Proper accounts and records of the transactions and affairs of the entity and such other records as sufficiently explain the financial operations and financial position of the entity have been kept in accordance with legislation, where applicable.
 4. We have prepared the financial report as a not-for-profit entity for the purpose of reporting under Australian Accounting Standards.
 5. We acknowledge responsibility for the design, implementation and maintenance of internal controls designed to prevent and detect fraud.
 6. We have disclosed to you the results of our assessment of the risk that the financial report may be materially misstated as a result of fraud.
 7. There:
 - (a) has been no fraud involving management or employees who have a significant role in the internal control structure
 - (b) has been no fraud that could have a material effect on the financial report
 8. There have been no communications from regulatory agencies concerning non-compliance with, or deficiencies in, financial reporting practices that could have a material effect on the financial report.
 9. We acknowledge responsibility for the design and implementation of internal control to prevent and detect error. We have established and maintained an adequate internal control structure to facilitate the preparation of a reliable financial report, and adequate financial records have been maintained. We have disclosed to you details of all deficiencies in internal control that we are aware of.
 10. We have no plans or intentions that may materially affect the carrying values or classification of assets and liabilities.
 11. We consider the measurement methods, including related assumptions, used to determine fair values relating to assets and liabilities to be appropriate and consistently applied and appropriately disclosed in the financial report.

12. We have considered the requirements of AASB 136 Impairment of Assets when assessing the impairment of assets and in ensuring that no assets are stated in excess of their recoverable amount.
13. Asset useful lives have been reviewed and any resulting changes accounted for as a change in an accounting estimate.
14. The following have been properly recorded or disclosed in the financial report:
 - (a) arrangements involving restrictions on cash balances, compensating balances and line-of-credit or similar arrangements
 - (b) agreements to repurchase assets previously sold
 - (c) losses arising from the fulfilment of, or an inability to fulfil, any sale commitments or as a result of purchase commitments in excess of normal requirements or at prices in excess of prevailing market prices.
15. All known or suspected instances of non-compliance with laws or regulations whose effects should be considered for disclosure when preparing the financial report have been disclosed to the auditor.
16. All known actual or possible litigation and claims whose effects should be considered when preparing the financial report have been disclosed to the auditor and accounted for and disclosed in accordance with the applicable financial reporting framework, including:
 - (a) material liabilities or contingent liabilities or assets including those arising under derivative financial instruments
 - (b) unasserted claims or assessments that our lawyer has advised us are probable of assertion.
17. The entity has satisfactory title to all assets, and there are no liens or encumbrances on such assets nor has any asset been pledged as collateral. Allowances for depreciation have been adjusted for all important items of property, plant and equipment that have been abandoned or are otherwise unusable.
18. The entity has complied with all aspects of contractual agreements that would have a material effect on the financial report in the event of non-compliance.
19. There were no material commitments for construction or acquisition of property, plant and equipment or to acquire other non-current assets, such as investments or intangibles, other than those disclosed in the financial report.
20. The identity of all known related parties (including controlled entities), related party relationships and transactions have been made known to the auditor. All related party relationships and transactions have been appropriately accounted for and disclosed in the financial report in accordance with the requirements of the accounting framework

including revenue, purchases, loans, transfers, leasing arrangements and guarantees (written or verbal).

21. No events have occurred subsequent to the balance sheet date that would require adjustment to, or disclosure in, the financial report.
22. We believe that the significant assumptions used in making accounting estimates for inclusion in the financial report are reasonable.
23. With respect to publication of the financial report in hard copy, we will ensure that:
 - (a) the financial report accurately reflects the audited financial report and
 - (b) the audit report has been reproduced accurately and in full.
24. With respect to publication of the financial report on our website:
 - (a) we acknowledge that we are responsible for the electronic presentation of the financial report
 - (b) we will ensure that the electronic version of the audited financial report and the auditor's report on the website will be identical to the final signed hard copy version
 - (c) we will clearly differentiate between audited and unaudited information in the construction of the entity's website as we understand the risk of potential misrepresentation
 - (d) we have assessed the controls over the security and integrity of the data on the website and adequate procedures are in place to ensure the integrity of the information published and
 - (e) we will not present the auditor's report on the full financial report with extracts only of the full financial report.

We understand that your examination was made in accordance with Australian Auditing Standards and was, therefore, designed primarily for the purpose of expressing an opinion on the financial report of the entity taken as a whole, and that your tests of the financial records and other auditing procedures were limited to those which you considered necessary for that purpose.

Yours sincerely

CHRIS VANDERKLEY - TREASURER

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements of the Australian Accounting Standards Board (AASB) and the Australian Charities and Not-for-profits Commission Act 2012. The entity is a not for profit entity for financial reporting purposes under Australian Accounting Standards.

The financial statements, except for cash flow information, have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar. *Incorporation Reform Act 2012*. The association is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Accounting Policies

a. Income Tax

The association is exempt from income tax according to section 30-15 of the *Income Tax Assessment Act 1997*, being an endorsed Deductible Gift Recipient from 1 July 2000.

b. Inventories on Hand

Inventories are measured at the lower of cost and net replacement cost. Cost is assigned on an average cost basis.

Inventories acquired at no cost or for nominal consideration are valued at the current replacement cost as at the date of acquisition.

c. Property, Plant and Equipment

Property, plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1f.)

Plant and equipment that have been contributed at no cost, or for nominal cost, are valued and recognised at the fair value of the asset at the date it is acquired.

Depreciation

The depreciable amount of all fixed assets, including buildings, are depreciated on a straight-line basis over the asset's useful life commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Buildings	2.5 - 20%
Plant and equipment	5 - 50%
Computer equipment	33.33%
Motor vehicles	10 - 25%
Furniture and fittings	10 - 20%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing net proceeds with the carrying amount. These gains and losses are recognised in profit or loss in the period in which they occur.

d. Leases

The entity assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

A single recognition and measurement approach is applied for all leases, except for short-term leases and leases of low-value assets. The entity recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

THE CANCER FOUNDATION INC.
A.B.N. 79 160 595 251
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

e. Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the entity commits itself to either purchase or sell the asset (ie trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified "at fair value through profit or loss", in which case transaction costs are expensed to profit or loss immediately.

Classification and subsequent measurement

Except for those trade receivables that do not contain a significant financing component and are measured at the transaction price, all financial assets are initially measured at fair value adjusted for transaction costs (where applicable).

For the purpose of subsequent measurement, financial assets are classified into amortised costs.

Financial assets are measured at amortised cost if the assets meet the following conditions (and are not designated as fair value through profit or loss (FVPL)):

- they are held within a business model whose objective is to hold the financial assets and collect its contractual cash flows
- the contractual terms of the financial assets give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial recognition, these are measured at amortised cost using the effective interest method. Discounting is omitted where the effect of discounting is immaterial. The entity's cash and cash equivalents, trade and most other receivables fall into this category of financial instruments.

Financial liabilities

Non-derivative financial liabilities are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial liability is derecognised.

Derecognition

Financial assets are derecognised where the contractual right to receipt of cash flows expires or the asset is transferred to another party, whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are discharged, cancelled or expire. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

f. Impairment of Assets

At the end of each reporting period, the association assesses whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss.

g. Employee Provisions

Short-term Employee Benefits

Provision is made for the association's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The association's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position.

THE CANCER FOUNDATION INC.
A.B.N. 79 160 595 251
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

g. Employee Provisions - Continued

Other Long-term Employee Benefits

The association classifies employees' long service leave and annual leave entitlements as other long-term employee benefits as they are not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Provision is made for the association's obligation for other long-term employee benefits, which are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Upon the remeasurement of obligations for other long-term employee benefits, the net change in the obligation is recognised in profit or loss classified under employee benefits expense.

The association's obligations for long-term employee benefits are presented as non-current liabilities in its statement of financial position, except where the association does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current liabilities.

h. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank Overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

i. Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from customers for goods sold in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Accounts receivable are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any provision for impairment.

j. Revenue

Revenue arises mainly from the provision of rendering of services.

To determine whether to recognise revenue, the company follows a 5-step process:

1. Identifying the contract with a customer
2. Identifying the performance obligations
3. Determining the transaction price
4. Allocating the transaction price to the performance obligations
5. Recognising revenue when/as performance obligation(s) are satisfied.

Revenue is recognised either at a point in time or over time, when (or as) the entity satisfies performance obligations by transferring the promised services to its customers.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Donations, fundraising revenue and bequests are recognised as revenue when received.

All revenue is stated net of the amount of goods and services tax.

THE CANCER FOUNDATION INC.
A.B.N. 79 160 595 251
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

k. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

l. Accounts Payable and Other Payables

Accounts payable and other payables represent the liabilities outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

m. Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

n. Critical Accounting Estimates and Judgements

The entity evaluates estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the entity.

Total current and non-current employee provisions		<u>68,849</u>	<u>108,309</u>

Analysis of Employee Provisions – Leave Entitlements

Opening balance at 1 January 2019		108,309	100,563
Additional provisions		42,653	89,859
Amounts used		(82,113)	(82,113)
Balance at 31 December 2019		<u>68,849</u>	<u>108,309</u>

Employee Provisions – Annual Leave Entitlements

The provision for employee benefits represents amounts accrued for annual leave.

Based on past experience, although the association does not expect the full amount of the annual leave balance classified as a current liability to be settled within the next 12 months, the results of any discounting to present values of these annual leave entitlements was deemed immaterial. Further, these amounts must be classified as current liabilities since the association does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlements.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020

Note	2020	2019
	\$	\$

NOTE 17: GOING CONCERN BASIS OF PREPARATION

The organisation has incurred a net loss for the year ending 31 December 2020 of \$233,845 (2019: \$331,643) and net cash outflows for the year were \$305,032 (2019: \$54,733). As per note 11 'Events after the Reporting Period', the foundation has entered into a lease agreement with BKA which will allow the Foundation to continue to run a minimum of four of our key programs annually. There is still a degree of uncertainty due to the ongoing, changeable COVID-19 pandemic restrictions, which could impact on the organisation's ability to deliver on these planned programs. Directors consider it appropriate to prepare the financial statements on a going concern basis however they do acknowledge that this is dependent upon the successful delivery of programs, generating sufficient revenues to cover expenditure, together with cost minimising initiatives.

NOTE 18: ASSOCIATION DETAILS

The registered office and principal place of business of the association is:

The Cancer Foundation Inc.
55 Rayner Court
Yarra Junction VIC 3797

BOARD OF DIRECTORS' DECLARATION
FOR THE YEAR ENDED 31 DECEMBER 2020

In accordance with a resolution of the directors of The Cancer Foundation Inc., the directors of the entity declare that:

1. The financial statements and notes, are in accordance with the Australian Charities and Not-for-profits Commission Act 2012 and:
 - (a) comply with Australian Accounting Standards - Reduced Disclosure Requirements; and
 - (b) give a true and fair view of the financial position of the registered entity as at 31 December 2020 and of its performance for the year ended on that date.
2. There are reasonable grounds to believe that the registered entity will be able to pay its debts as and when they become due and payable.

This declaration is signed in accordance with subs 60.15(2) of the Australian Charities and Not-for-profits Commission Regulation 2013.
