## **Notes to the financial statements For the year ended 30 June 2024**

The financial statements cover JOONDALUP EARLY LEARNING CENTRE INC as an individual entity. JOONDALUP EARLY LEARNING CENTRE INC is a not-for-profit association incorporated in Western Australia under the Associations Incorporation Act 2015 ('the Act').

The functional and presentation currency of JOONDALUP EARLY LEARNING CENTRE INC is Australian dollars.

Comparatives are consistent with prior years, unless otherwise stated.

### **1 Basis of preparation**

The financial statements are a special purpose report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 2015. The committee has determined that the association is not a reporting entity.

In the opinion of the Committee of Management, the association is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Act.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 Presentation of Financial Statements, AASB 107 Statement of Cash Flows, AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors and AASB 1054 Australian Additional Disclosures.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of this financial report.

#### **Income tax**

The association is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

## **Notes to the financial statements For the year ended 30 June 2024**

### **Revenue and other income**

#### **Interest revenue**

Interest is recognised using the effective interest method.

#### **Rendering of services**

Revenue in relation to rendering of services is recognised depending on whether the outcome of the services can be estimated reliably. If the outcome can be estimated reliably then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period.

If the outcome cannot be reliably estimated then revenue is recognised to the extent of expenses recognised that are recoverable.

Revenue from training services is generally recognised once the training has been delivered.

## **2 Material accounting policy information**

### **Goods and services tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST.

### **Cash and cash equivalents**

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and subject to an insignificant risk of change in value.

**ABN: 62 579 754 088**

## **Notes to the financial statements For the year ended 30 June 2024**

### **Property, plant and equipment**

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment.

Plant and equipment is depreciated on a straight-line basis over the asset's useful life to the association, commencing when the asset is ready for use.

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

### **Employee benefits**

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cash flows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cash flows. Changes in the measurement of the liability are recognised in profit or loss.

## **Notes to the financial statements For the year ended 30 June 2024**

### **Impairment of non-financial assets**

At the end of each reporting period, the association determines whether there is evidence of an impairment indicator for non-financial assets.

Where this indicator exists and regardless for goodwill, indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the assets is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss, except for goodwill.

### **Provisions**

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

## **Reviewers Report to the members of association, JOONDALUP EARLY LEARNING CENTRE INC**

### **Report on the review of the financial report**

#### **Opinion**

We have reviewed the accompanying financial report, being a special purpose financial report, of JOONDALUP EARLY LEARNING CENTRE INC (the association), which comprises the balance sheet as at 30 June 2024, the income statement, and notes to the financial statements, including a summary of significant accounting policies and management's assertion statement.

In our opinion, the accompanying financial report of the association for the year ended 30 June 2024 is prepared, in all material respects, in accordance with the Associations Incorporation Act 2015.

#### **Basis of opinion**

We conducted our review in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the auditor's responsibilities for the review of the financial report section of our report. We are independent of the association in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the code) that are relevant to our review of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the code.

We believe that the reviewers evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Responsibility of management and those charged with governance**

Management is responsible for the preparation and fair presentation of the financial report in accordance with the Associations Incorporation Act 2015 and for such internal control as management determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the association's financial reporting process.

## **Reviewers Report to the members of association, JOONDALUP EARLY LEARNING CENTRE INC**

### **Auditor's responsibilities for the audit of the financial report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an reviewers report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that a review conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an review in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the review. We also:

- § Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform review procedures responsive to those risks, and obtain review evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- § Obtain an understanding of internal control relevant to the review in order to design review procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- § Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- § Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the review evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our reviewer's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the review evidence obtained up to the date of our reviewer's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- § Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with committee members regarding, among other matters, the planned scope and timing of the review and significant review findings, including any significant deficiencies in internal control that we identify during our review.

We also provide the committee members with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## **Reviewers Report to the members of association, JOONDALUP EARLY LEARNING CENTRE INC**

### **Qualified Reviewer's Opinion**

As is consistent with this type of organisation, there are limited controls over receipts of sale income, grants and the like. These amounts are recorded only when banked, so accordingly this review is limited to the amounts recorded.

We were unable to verify the reconciliation of the property, plant and equipment as there is no record of the assets. We are therefore unable to express an opinion on the carrying value of this as at 30 June 2024.

We were unable to verify the reconciliation of the provisions for leave and provision for building maintenance as there is no documentation available. We are therefore unable to express an opinion on the carrying value of this as at 30 June 2024.

In our opinion, subject to the effects of such adjustments, if any, as might have been determined to be necessary had limitation discussed above not existed, the financial report of JOONDALUP EARLY LEARNING CENTRE INC presents fairly the assets and liabilities as at 30 June 2024 and the income and expenditure of the association for the year then ended in accordance with the basis of accounting described in Note 1 to the financial statements.
