#### **UNICEF Australia - objectives**

UNICEF's global mandate is to protect and improve the lives of children and women in developing countries. We respond to emergencies, engage in long term development and advocate for the rights of women and children.

Our advocacy is built around the United Nations Convention on the Rights of the Child, and aims to change the structures that impinge upon the rights of children and tackles the structures which keep people trapped in extreme poverty.

The vision of UNICEF Australia is to promote and realise the rights of all children in Australia and abroad to survive and thrive, especially the most disadvantaged and excluded. As part of a family of National Committees within the global UNICEF enterprise, UNICEF Australia's primary objective is to raise funds from the private sector for UNICEF programs internationally, and to expand its strategic engagement with both the private and public sector in advocating to advance child rights as laid out in the Convention of the Rights of the Child.

UNICEF Australia aims to further grow its contribution through selected channels built around core monthly pledge commitments, a highly visible and vocal presence as the go to agency for child rights, and the pursuit of continual effectiveness and efficiency in its organisation and culture.

UNICEF Australia has continued to invest in and develop our programs support team and monitoring and evaluation capabilities in order to secure full accreditation, having successfully achieved base accreditation in 2015. By doing this UNICEF Australia hopes to build an ever stronger link between UNICEF's international

development work and our staff and supporters, as well as further diversify our revenue streams in order to further support development and humanitarian programs.

#### Principal activities and results in 2015

Total revenue in 2015 of \$32.9 million (2014: \$26.0 million) reflects the continued generosity and compassion of the Australian public. Of these funds, \$21.5 million (2014: \$16.3 million) was committed to UNICEF programs overseas for the most vulnerable children in our world.

The primary driver for the 26% increase in total revenue from 2014 has been the significant Australian public support in aid of the multiple humanitarian emergencies that UNICEF responded to in 2015. Funds raised from emergency appeals totalled \$7.46 million in 2015 compared to \$3.27 million in 2014. UNICEF Australia raised funds to support recovery work in the wake of the Nepal Earthquake (\$4.6 million), Cyclone Pam in the Pacific (\$1.62 million), our ongoing response to the Syrian migrant crisis (\$0.49 million), and other emergency responses around the world (\$0.75 million).

UNICEF Australia continues to invest in its Global Parent pledge program. The objective of securing the commitment and support of long term regular givers (Global Parents) cannot be attained without significant short term investment. To this end, UNICEF Australia continues to utilise investment grants from UNICEF Geneva as well as its own resources. The projected long term benefits of this investment strategy continue to generate healthy returns which will increase our impact and ensure more children not only survive but thrive.

UNICEF Australia successfully gained base accreditation with the Australian Government NGO Cooperation Program (ANCP) in July 2015 and received its first tranche of DFAT grant funding in the year. UNICEF Australia intends to apply for full accreditation again in late 2016 with a view to securing full accreditation status in 2017.

Alongside the Global Parent pledge program, UNICEF Australia continues to raise funds from UNICEF Change for Good, UNICEF Checkout for Children, public appeals, other corporate partnerships, philanthropists and major donors and legacies and bequests. We would like to thank all our supporters for their continued support of UNICEF and its work around the world.

UNICEF Australia is committed to attracting and retaining best fit, high quality staff and has made investments in its people and infrastructure in 2015. This has resulted in an increase in some of our underlying costs in 2015, on the basis that this critical investment will support long-term growth and impact in delivering results for children.

#### Key performance indicators

Key performance indicators include the gross dollar amount remitted to UNICEF for overseas programs as well as the percentage of income that is spent on programs for children and educating the community.

|  | 2015         | 2014         |
|--|--------------|--------------|
| Funds Remitted to UNICEF Overseas Programs                                 | \$21,494,463 | \$16,262,977 |
| Total income*  | \$29,571,380 | \$23,302,635 |
| % of income remitted to UNICEF Overseas Programs                           | 73%          | 70%          |
| Total Program Costs (including advocacy and community education)           | \$22,676,534 | \$17,334,304 |
| % of total income spent on programs including local advocacy and community |              |              |
| education  | 77%          | 74%          |
| % of public donations spent on accountability and administration costs**   | 6%           | 6%           |

The proportion of income remitted to UNICEF overseas programs and that spent on programs including local advocacy and community education have both improved in 2015 due to the significant public response to multiple humanitarian emergencies, as well as underlying growth in our core fundraising channels.

Accountability and administration costs are costs required to efficiently run the organisation and includes staff costs for finance, human resources and administration as well as audit fees, insurance and office maintenance costs. The proportion of public funds being spent on accountability and administration has remained constant in 2015.

In line with our strategy to grow committed regular givers the following KPI's are also monitored:

|                                      | 2015         | 2014         |
|--------------------------------------|--------------|--------------|
| Number of Global Parents at year end | 26,241       | 25,951       |
| Total Global Parent income           | \$11,594,521 | \$10,887,139 |
| % of total income*                   | 39%          | 47%          |

- \* Excludes UNICEF grants and non-monetary donations as these funds are not available for discretionary distribution.
- \*\* The value of non-monetary donations as well as fundraising costs that are funded by UNICEF Geneva and not the public are excluded.

#### 1 Summary of significant accounting policies

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated. The financial statements are for the Australian Committee for UNICEF Limited ("UNICEF Australia").

UNICEF Australia is a company limited by guarantee. The liability of each member of the company is limited to \$1.00.

#### (a) Basis of Preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements, other authoritative pronouncements of the Australian Accounting Standards Board, Urgent Issues Group Interpretations, the Corporations Act 2001, Australian charities and Not-for-profits Commission Act 2012 and the ACFID Code of Conduct. UNICEF Australia is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

#### Compliance with Australian Accounting Standards – Reduced Disclosure Requirements

The financial statements of UNICEF Australia comply with Australian Accounting Standards - Reduced Disclosure Requirements as issued by the Australian Accounting Standards Board (AASB).

#### New and amended standards adopted by the Company

None of the new standards and amendments to standards that are mandatory for the first time for the financial year beginning 1 January 2015 affected any of the amounts recognised in the current period or any prior period and are not likely to affect future periods.

#### Early adoption of standards

The Company has not elected to apply any pronouncements before their operative date in the annual reporting period beginning 1 January 2015.

#### Historical Cost Convention

These financial statements have been prepared under the historical cost convention.

#### Critical Accounting Estimates and Judgements

Estimates and judgements are continually evaluated and are based on historical results and other factors, including expectations of future events which are believed to be reasonable under the circumstances. Management has not made significant judgements that could have a material adjustment to the carrying amount of assets and liabilities within the next annual reporting period.

#### (b) Foreign Currency Translation

#### (i) Functional and Presentation Currency

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Australian dollars, which is the company's functional and presentation currency.

#### (ii) Transactions and Balances

Foreign currency transactions are translated into Australian currency using the average exchange rates calculated during the month the transactions take place. Foreign currency account balances are revalued on a monthly basis using the exchange rate prevailing at month end. Foreign exchange gains and losses resulting from the monthly revaluation and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss.

#### (c) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade allowances and duties and taxes paid. Revenue is recognised when the amount of the revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for the major business activities as follows:

#### (i) Donations and Gifts

Donation revenue is recognised when it is received.

#### (ii) Bequests and Legacies

Bequests and legacies are recognised when they are received.

#### (iii) Grants

Grants are recognised as revenue as they are expended on the programs or activities to which they relate. Unexpended grants are recognised as liabilities to reflect the obligation to perform those programs or activities that are yet to be completed.

#### (iv) Interest Income

Interest income is recognised on time proportion basis using the effective interest rate method.

#### (v) Non-monetary Donations

The group receives donated services such as voluntary help, community service radio and television announcements, and advertising support.

Where the value of the non-monetary donation is material and a fair value is reasonably determinable the revenue and corresponding expense are recognised when the non-monetary donation is received.

#### (d) Income Tax

No income tax is payable, as the group has income tax exempt status with the Australian Taxation Office.

#### (e) Leases

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases (note 13). Payments made under operating leases are charged to profit or loss in the periods in which they are incurred.

#### (f) Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, and deposits held at call with financial institutions.

#### (g) Trade Receivables

Trade receivables are recognised initially at fair value and subsequently at fair value less the provision for doubtful debts. Trade receivables are due for settlement no more than 90 days from date of recognition.

Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off. A provision for impairment of trade receivables is established when there is objective evidence that the group will not be able to collect all amounts due. The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows.

The amount of the provision is recognised in the statement of comprehensive income as an administration expense. When a trade receivable for which a provision had been recognised becomes uncollectible in a

subsequent period, it is written off against the provision. Subsequent recoveries of amounts previously written off are credited against administration expenses in profit or loss.

#### (h) Plant & Equipment

Plant and equipment are brought to account at historical cost less, where applicable, any accumulated depreciation or amortisation. These assets are depreciated over their useful lives. The gain or loss on disposal of all fixed assets is determined as the difference between the carrying amount of the asset at the time of disposal and the proceeds of the disposal, and is included in the operating result of the company in the year of disposal.

The rates and basis of depreciation are as follows:

Furniture and Fittings Diminishing value 20%

Office Equipment Diminishing value Between 20 and 50%

Motor Vehicle Diminishing value 22.5% Leasehold Improvements Diminishing value 20%

#### (i) Intangibles

Intangibles are brought to account at historical cost less, where applicable, any accumulated amortisation. These assets are amortised over their useful lives. The gain or loss on disposal of all intangibles is determined as the difference between the carrying amount of the asset at the time of disposal and the proceeds of the disposal, and is included in the operating result of the company in the year of disposal.

The rates and basis of amortisation are as follows:

Software Diminishing value 40%

#### (j) Other Financial Assets

Other financial assets are classified in the following categories: financial assets at fair value through profit or loss, loans and receivables, held-to-maturity investments, and financial assets available for sale. The classification depends on the purpose for which the assets were acquired. The company has financial assets falling into the category of loans and receivables and financial assets available for sale.

#### (i) Loans and Receivables

Loans and receivables are non derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise when the company provides goods or services directly to a debtor with no intention of selling the receivable. They are included in current assets, except for those with maturities greater than 12 months after the balance sheet date which are classified as non-current assets. Loans and receivables are included in trade and other receivables in the Statement of Financial Position (note 4).

#### (ii) Financial Assets Available for Sale

Financial assets available for sale are any assets which are not classified as financial assets at fair value through profit or loss, held-to-maturity financial assets or loans and receivables. Assets in this category are classified as current assets if they are expected to be settled within 12 months, otherwise they are classified as non-current.

#### Measurement

At initial recognition, the company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through

profit or loss are expensed in profit or loss. Loans and receivables are subsequently carried at amortised cost using the effective interest method.

#### Impairment

The company assesses at the end of each reporting period whether there is objective evidence that a financial asset or group of financial assets is impaired. A financial asset or a group of financial assets is impaired and impairment losses are incurred only if there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the asset (a 'loss event') and that loss event (or events) has an impact on the estimated future cash flows of the financial asset or group of financial assets that can be reliably estimated.

#### (k) Trade and Other Payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and usually paid within 30 days of recognition.

#### (I) Program Funding Payable

Where the company has contracted with an outside entity to undertake an aid project the funds are recorded as income when they are received or receivable (see notes (c) (i) and (iii)). Where funds have been received from that outside party but have not yet been sent to the implementing agency in the field, those funds are held in bank or bank equivalent deposits. They are taken up as a liability in the statement of financial position and are remitted to UNICEF Overseas Programs within six months.

#### (n) Remittances to UNICEF Overseas Programs

The company strives to remit the maximum percentage of funds received to UNICEF Overseas Programs in accordance with a cooperation agreement. Funds due to UNICEF Overseas Programs under this agreement and which have not yet been remitted at balance date are calculated and accrued as a liability.

#### (a) Provisions

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the balance sheet date. The discount rate used to determine the present value reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as an expense.

#### (p) Employee Benefits

#### (i) Wages and Salaries, Annual Leave and Sick Leave

Liabilities for wages and salaries, including annual leave expected to be settled within 12 months of the reporting date are recognised in provisions in respect of employees' services up to the reporting date and are measured at the amounts expected to be paid when the liabilities are settled. Liabilities for non-accumulating sick leave are recognised when the leave is taken and measured at the rates paid or payable.

#### (ii) Long Service Leave

The liability for long service leave is recognised in provisions and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using the Australian Corporate Bond discount rate at the reporting date with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

#### (iii) Retirement Benefit Obligations

All employees of the company are entitled to benefits from superannuation on retirement, death or disability. The company contributes to defined contribution superannuation funds as nominated by the individual employees and these contributions are recognised as an expense as they become payable.

#### 2 Expenditure

Expenditure has been classified by function in accordance with ACFID's guidelines in the Company's statement of comprehensive income. The table below presents expenditure by nature:

#### (c) Directors' Transactions

The directors of UNICEF Australia serve voluntarily and do not receive any remuneration for their services as directors. Expenses incurred by directors on behalf of the company are reimbursed on a cost only basis. An amount of \$3,530 (2014: \$3,030) was paid for Directors and Officers liability insurance.

Ms Lesley Grant and Ms Olivia Wirth are Chief Executive of Qantas Loyalty and Group Executive of Brand, Marketing and Corporate Affairs at Qantas Airways Ltd respectively. During the year, the group received donation income and in kind support from Qantas of \$140,398 (2014: \$118,225). Neither Ms Grant nor Ms Wirth received any benefit from this association.

No provisions for doubtful debts have been raised in relation to any outstanding balances, and no expense has been recognised in respect of bad or doubtful debts due from related parties.

#### 16 Economic dependency

The operations of the company depends to a significant extent on the use of the UNICEF name, which is granted under a Cooperation Agreement with UNICEF.

#### 17 Fundraising appeals income and expenses

Donation income includes funds raised for UNICEF programs from public appeals, the UNICEF Global Parent monthly giving program, UNICEF Change for Good, UNICEF Checkout for Children, other corporate partnerships, legacies and bequests and Education for Development fundraising activities. Income is also raised from the sale of cards and inspired gifts.

Non-monetary donations include donated services such as pro-bono legal and research services, voluntary help, community service radio and television announcements, and advertising support. Where the value of the non-monetary donation is material and a fair value is reasonably determinable, the revenue and corresponding expense are recognised when the non-monetary donation is received. As the non-monetary donation is not a cash donation and cannot be allocated to programs (or otherwise) the value has been excluded from the analysis below.

## Independent auditor's report to the members of the Australian Committee for UNICEF Limited

We have audited the accompanying financial report of the Australian Committee for UNICEF Limited (the Company), which comprises the statement of financial position as at 31 December 2015, and statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, notes 1 to 18 comprising a summary of significant accounting policies and other explanatory information and the directors' declaration of the Company.

This audit report has also been prepared for the members of the Company pursuant to the Australian Charities and Not-for-profits Commission Act 2012 and the Australian Charities and Not-for-profits Commission Regulation 2013 (ACNC) and Section 24(2) of the Charitable Fundraising Act 1991 (NSW) and Section 15(2) of the Charitable Collections Act 1946 (WA) and Charitable Collections Regulations 1947 (WA) (the Act and Regulations).

Directors' responsibility for the financial report

The Directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements, the ACNC, and the Act and Regulations. The Directors' responsibility also includes such internal control as the Directors determine necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement whether due to fraud or error.

#### Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We performed the procedures to assess whether in all material respects the financial report presents fairly, in accordance with Australian Accounting Standards – Reduced Disclosure Requirements, and the ACNC, a true and fair view which is consistent with our understanding of the Company's financial position and of its performance.

In addition, our audit report has also been prepared for the members of the Company to meet the requirements of the Act and Regulations. Accordingly, we have performed additional work beyond that which is performed in our capacity as auditors pursuant to the ACNC. These additional procedures included obtaining an understanding of the internal control structure for fundraising appeal activities and examination, on a test basis, of evidence supporting compliance with the accounting and associated record keeping requirements for fundraising appeal activities pursuant to the Act and Regulations.

It should be noted that the accounting records and data relied upon for reporting on fundraising appeal activities are not continuously audited and do not necessarily reflect after the event accounting adjustments and the normal year end financial adjustments for such matters as accruals, prepayments, provisioning and valuations necessary for year end financial report preparation.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Independence

In conducting our audit, we have complied with the independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012*.

#### Auditor's opinion

In our opinion, the financial report of the Australian Committee for UNICEF Limited is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012* including:

- (a) giving a true and fair view of the Company's financial position as at 31 December 2015 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards Reduced Disclosure Requirements and the Australian Charities and Not-for-profits Commission Regulation 2013.

Audit opinion pursuant to the Charitable Fundraising Act 1991 (NSW)

#### In our opinion:

(a) the financial report gives a true and fair view of the Australian Committee for UNICEF Limited's financial result of fundraising appeal activities for the financial year ended 31 December 2015;

- (b) the financial report has been properly drawn up, and the associated records have been properly kept for the period from 1 January 2015 to 31 December 2015, in accordance with the Charitable Fundraising Act 1991 (NSW);
- (c) money received as a result of fundraising appeal activities conducted during the period from 1 January 2015 to 31 December 2015 has been properly accounted for and applied in accordance with the *Charitable Fundraising Act 1991 (NSW)*; and
- (d) there are reasonable grounds to believe that the Australian Committee for UNICEF Limited will be able to pay its debts as and when they fall due.

Audit opinion pursuant to the Charitable Collections Act 1946 (WA) and Charitable Collections Regulations 1947 (WA)

In accordance with the requirements of Section 15(2) of the Charitable Collections Act 1946 (WA) and Charitable Collections Regulations 1947 (WA) (the Act and Regulations), we have reviewed the Act and Regulations for the purpose of reporting whether, as a result of completing our audit procedures on the financial report of the Company for the year ended 31 December 2015, we have not become aware of any condition or event that constitute a material default by the Company in the performance of, or compliance with, any requirements of the Act or Regulations.

In our opinion, the Company, for the year ended 31 December 2015, has complied in all material respect with the requirements of the *Charitable Collections Act 1946 (WA) and Charitable Collections Regulations 1947 (WA)*.
