Directors' Report

For the Year Ended 30 June 2015

The Board members submit the special purpose financial report ("the financial report") of the E.W. Tipping Foundation Inc for the financial year ended 30 June 2015.

1. Board Members

The Board of Governance of the E.W. Tipping Foundation Inc comprises community members who volunteer their time, skills and experience to support the mission of the Foundation.

The names of board members throughout the year and at the date of this report are:

Geoff Donovan (Chair)
Corinna Dieters (Deputy Chair appointed November 2014)
Candice Charles
Joseph Connellan (appointed June 2015)
Margot Druce
Chris Gillman
Andrew Macready-Bryan
John Rowan
Peter Williams
John McKenna (ceased November 2014)

2. Secretary

Graeme Kelly was appointed to the position of Secretary on 3rd July 2012.

3. Principal Activities

In line with our Strategic Plan, we work with people who have disabilities, children who are vulnerable and families. This is achieved by:

- Driving client voice and decision making across all services, developing structures and mechanisms to ensure client input.
- Developing sustainable client led service and support to better meet client needs based on client feedback and research.
- Developing services and supports that exceed quality accreditation requirements and are proactive in reducing further need.

4. Significant Changes in the State of Affairs

In September 2013, following discussions between E.W. Tipping Foundation and Rehabilitation Australia Ltd, the parties agreed to end the Joint Venture and close the facility. The winding up of operations is still continuing. Litigation has commenced between the two parties and is ongoing. The impact of the possible litigation on the Foundation has not been recognised in the financial statements as the matter is being covered by insurance.

5. Operating and financial review

The deficit of the Foundation for the financial year amounted to $164,793 (2014: surplus of $2,080,697). The primary reason for the movement was the reduction of management charges to Victorian Person Centred Services of $1.7million. There have been no changes to normal operations.

E.W. Tipping Foundation Inc

ABN: 59 032 986 751

Directors' Report

For the Year Ended 30 June 2015

6. Events subsequent to reporting date

As at 30 June 2015, the legal claim against E.W. Tipping Foundation Inc. in relation to the ReNew joint venture is ongoing. The Foundation does not accept the claims made against it and is vigorously defending the action. At the date of this report, the financial impact, if any, is not known or able to be estimated. VMIA insurers are handling the claim on behalf of the Foundation.

Other than the above, there has not arisen in the interim between the end of the financial year and the date of this report any item, transaction or event of a material and unusual nature, in the opinion of the board member of the Foundation, to affect significantly the operations of the Foundation, the results of those operations, or the state of affairs of the Foundation, in future years.

7. Likely developments

Further information about likely developments in the operations of the Foundation and the expected results of those operations in future financial years has not been included in this report because disclosure of the information would be likely to result in unreasonable prejudice to the Foundation.

8. Indemnification and insurance of officers and auditors

Indemnification

Since the end of the previous financial year, the Foundation has not indemnified or made a relevant agreement for indemnifying against a liability any person who is or has been an officer or auditor of the Foundation.

Insurance premiums

Since the end of the previous financial year, the Foundation has not paid insurance premiums in respect of board members' and officers' liability and legal expense insurance contracts. All the Foundation's insurance including board members' and officers' liabilities are covered by the Victorian Managed Insurance Authority as part of our contract with Department of Health & Human Services.

9. Environmental regulation

The Foundation is not subject to any significant environmental regulations under either Commonwealth or State legislation.

10. Auditor's independence declaration

The auditor's independence declaration in accordance with subdivision 60-c section 60-40 of the Australian Charities and Not-for-profits Commission Act 2012, for the year ended 30 June 2015 has been revised and can be found on page 31 of the financial report.

. Signed in accordance with a resolution of the Members of the Board:

Board Member: ..... GEOFF DONOVAN

Board Member: ..... PETER WILLIAMS

Dated 27.10.15

Notes to the Financial Statements

For the Year Ended 30 June 2015

Note 1 Reporting Entity

E.W. Tipping Foundation Inc ('the Foundation') is a not-for-profit entity domiciled in Australia. The address of the Foundation's registered office is 1036 Dandenong Road, Carnegie, Victoria 3163. The Foundation is principally involved in providing services to people with disability.

Note 2 Basis of Preparation

(a) Basis of accounting

The board members have determined that the Foundation is not publicly accountable nor a reporting entity. The special purpose financial statements have been prepared in accordance with the requirements of the Australian Charities and Not-for-profit Commission Act 2012, Australian Charities and Not-for-profit Commission Regulation 2013, the Associations Incorporation Reform Act 2012 (Victoria) and the recognition, measurement and classification aspects of all applicable Australian Accounting Standards (AASBs) adopted by the Australian Accounting Standards Board (AASB).

The special purpose financial statements include only the disclosure requirements of the following AASBs and those disclosures considered necessary by the board members to meet the needs of members:

AASB 101 Presentation of Financial Statements

AASB 107 Statement of Cash Flows

AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors

AASB 1048 Interpretation and Application of Standards

AASB 1054 Australian Additional Disclosures.

The financial statements were approved by the Board Members on 27th October 2015.

(b) Basis of measurement

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

(c) Functional and presentation currency

These financial statements are presented in Australian dollars, which is the Foundation's functional currency.

(d) Use of judgements and estimates

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Foundation's accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Note 2 Basis of Preparation (continued)

(d) Use of judgements and estimates (continued)

Assumptions and estimation uncertainties

The Board evaluates estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Foundation.

Key estimates - Disability Leasing Model

The Foundation has assessed future repairs and maintenance expense for properties owned by the Department of Human Services in accordance with the Disability Leasing Model. A provision is recorded to provide appropriate quality accommodation for residents and a safe working environment for the Foundation's staff. The provision is expected to be used in future years in accordance with the requirement of the Department of Human Services.

Key estimates - Long Service Leave Provision

The Foundation has provided for long service leave for all employees in line with an Enterprise Bargaining Agreement (EWTF - EBA) or, where the EWTF – EBA is not applicable, the Long Service Leave Act 1992 (Victoria). This approach has been adopted notwithstanding the EWTF - EBA and the LSL Act allowing for the exclusion of casual employees from accruing long service leave subsequent to a break of greater than three months in continuous service.

Note 3 Significant Accounting Policies

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Financial instruments

The Foundation classifies non-derivative financial assets into the following categories: held-to-maturity financial assets, loans and receivables and available-for-sale financial assets.

The Foundation classifies non-derivative financial liabilities into the other financial liabilities category.

i. Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less.

ii. Loans and receivables and held-to-maturity assets

The Foundation initially recognises loans and receivables and deposits on the date that they originate.

Held to maturity financial assets are recognised initially at fair value plus any directly attributable transaction costs. Held to maturity financial assets comprise term deposits.

Note 3 Significant Accounting Policies (continued)

ii. Loans and receivables and held-to-maturity assets (continued)

All other financial assets (including those designated at fair value through profit or loss) are recognised initially on the trade date, which is the date the company becomes a party to the contractual provisions of the investment.

The Foundation derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the Foundation is recognised as a separate asset or liability.

Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Foundation has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

i. Available-for-sale financial assets

Investments held are originally recognised at cost, which includes transaction costs. They are subsequently measured at fair value which is equivalent to their market bid price at the end of the reporting period. Movements in fair value are recognised through an equity reserve. When these assets are derecognised, the gain or loss in equity is reclassified to the statement of surplus or deficit.

ii. Borrowings

Secured and unsecured loans have been obtained by the Foundation. Carrying amounts therefore represent the amounts expected to be repaid at settlement. Unsecured loans are considered to be repayable at call and are therefore presented as current liabilities.

iii. Trade and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Foundation during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

iv. Share capital

The Foundation is an unincorporated association and therefore does not have any share capital.

(b) Income taxes

The Foundation is endorsed as an income tax exempt charitable entity under Subdivision 50-B of the Income Tax Assessment Act 1997. No income tax is payable by the Foundation as Section 23 of the Income Tax Assessment Act exempts charitable institutions from income tax.

(c) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or director's valuation as indicated less, where applicable, any accumulated depreciation and impairment losses. Revaluation increments are recorded in other comprehensive income.

Any gain and loss on disposal of an item of property, plant and equipment is recognised in the statement of surplus or deficit and other comprehensive income.

Note 3 Significant Accounting Policies (continued)

(c) Property, plant and equipment (continued)

i. Property

Freehold land and buildings are measured at fair value less subsequent depreciation of buildings.

Freehold land and buildings that have been contributed at no cost or for nominal cost are valued and recognised at the fair value of the asset at the date it is acquired. Refer to note 3(h) for detail of the return of capital contributions.

ii. Plant and equipment

Plant and equipment are measured on the cost basis, less depreciation and impairment losses where appropriate.

The carrying amount of plant and equipment is reviewed annually by board members to ensure it is not in excess of the recoverable amount from these assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, on the basis that future economic benefits associated with the item will flow to the Foundation and the cost of the item can be reliably measured.

All other repairs and maintenance are charged to the statement of surplus or deficit and other comprehensive income during the financial period in which they are incurred.

iii. Leasehold improvements

Leasehold improvements are carried at cost less, where applicable, any accumulated depreciation.

iv. Depreciation

Depreciation is calculated to write off the cost of property, plant and equipment less their estimated residual values using the straight-line basis over their estimated useful lives, and is recognised in the statement of surplus or deficit and other comprehensive income.

The estimated useful lives of property, plant and equipment are as follows:

Class of Fixed Asset	2015	2014
Property / Buildings	40 years	40 years
Plant and Equipment	3 years	3 years
Motor Vehicles	5 years	5 years
Leasehold improvements	5 years	5 years

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

Note 3 Significant Accounting Policies (continued)

(d) Impairment

i. Non-derivative financial assets

A financial asset not carried at fair value through the statement of surplus or deficit is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

Objective evidence that financial assets are impaired can include default or delinquency by a debtor, restructuring of an amount due to the Foundation on terms that the Foundation would not consider otherwise, or indications that a debtor will enter bankruptcy. In addition, for an investment in an equity security, a significant or prolonged decline in its fair value below its cost is objective evidence of impairment.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. Losses are recognised in the statement of surplus or deficit and reflected in an allowance account against receivables. Interest on the impaired asset continues to be recognised. When a subsequent event (e.g. repayment by a debtor) causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through the statement of surplus or deficit.

Impairment losses on available-for-sale financial assets are recognised by reclassifying the losses accumulated in the fair value reserve in equity to surplus or deficit.

ii. Non-financial assets

The carrying amounts of the Foundation's non-financial assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists then the asset's recoverable amount is estimated.

The recoverable amount of an asset is the greater of its value in use and its fair value less costs to sell. Where the future economic benefits of an asset are not dependent on the asset's ability to generate net cash inflows and where the Organisation would, if deprived of the asset, replace its remaining future economic benefit, value in use is determined as the asset's depreciated replacement cost. Depreciated replacement cost is defined as the current replacement cost of an asset less accumulated depreciation calculated on the basis of such cost to reflect the already consumed or expired future economic benefits of the asset. The current replacement cost of an asset is its cost measured by reference to the lowest cost at which the gross future economic benefits of the asset could currently be obtained in the normal course of business.

An impairment loss is recognised if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognised in surplus or deficit. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, of no impairment loss had been recognised.

(e) Employee benefits

(i) Short-term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid under short-term cash bonus or profits-sharing plans if the Foundation has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the obligation can be estimated reliably.

Note 3 Significant Accounting Policies (continued)

(e) Employee benefits (continued)

(ii) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and has no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution plans are recognised as the related service is provided. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

(iii) Other long-term employee benefits

The Foundation's net obligation in respect of long-term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods. That benefit is discounted to determine its present value based on Australian corporate bond rates. Remeasurements are recognised in the statement of surplus or deficit and other comprehensive income in the period in which they arise.

(iv) Termination benefits

Termination benefits are expensed at the earlier of when the Foundation can no longer withdraw the offer of those benefits and when the Foundation recognises costs for a restructuring. If benefits are payable more than 12 months of the end of the reporting period, then they are discounted to their present value.

(f) Provisions

Provisions are recognised when the Foundation has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured at the present value of management's best estimate of the amounts required to settle the obligation at the end of the reporting period.

(g) Trade and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Foundation during the reporting period which reman unpaid.

(h) Provision for return of capital contributions

Where other entities' funds were used to purchase land and buildings, an equitable right to repay those funds on subsequent disposal of the land and buildings may be created.

Where such an obligation exists, the Foundation has recognised the quantifiable future sacrifice of economic assets as a reduction in the value of the property. No adjustment is made to this obligation until disposal of the asset or its subsequent revaluation.

The amount actually repayable to the outside funding bodies is a function of the percentage equity provided on original asset acquisition multiplied by the net proceeds on disposal of the assets.

The Foundation is entitled to the depreciation of their share of the buildings

Note 3 Significant Accounting Policies (continued)

(i) Leases

Lease payments for operating leases, where substantially all of the risks and benefits remain with the lessor are recognised in the statement of surplus or deficit on a straight-line basis over the term of the lease. Lease incentives received are recognised as an integral part of the total lease expense, over the term of the lease. The Foundation does not have any finance leases at 30 June 2015.

Determining whether an arrangement contains a lease at inception of an agreement, the Foundation determines whether such an arrangement is or contains a lease. This will be the case if the following two criteria are met: 1) the fulfilment of the arrangement is dependent on the use of a specific asset or assets; and 2) the arrangement contains a right to use the asset(s). At inception or upon reassessment of the arrangement, the Group separates payments and other consideration required by such an arrangement into those for lease and those for other elements on the basis of their relative fair values.

(j) Revenue and deferred revenue

Client revenue is recognised when the provision of services has been completed.

Grant income is recognised when the project or service specified by the grant agreement has been provided or where no future obligations exist.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets. Dividend revenue is recognised when the right to receive a dividend has been established.

Donation income is recognised when the Foundation obtains control over the fund which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

Revenue from government grants and subsidies received for specific purposes is recognised only to the extent that monies have been expended in accordance with the funding agreement. Where the terms of that agreement stipulate that any unexpended funds may be required to be returned to the funding body, the unexpended funds are carried forward as "deferred income".

(k) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

(l) New accounting standards for application in future periods

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 July 2013, and have not been applied in preparing these financial statements. None of these is expected to have a significant effect on the financial statements of the Foundation, except for:

Note 3 Significant Accounting Policies (continued)

(l) New accounting standards for application in future periods (continued)

AASB 9 Financial Instruments which becomes mandatory for the Foundation's 2018 financial statements and could change the classification and measurement of financial assets.

AASB 15 Revenue for contracts with customers, which becomes mandatory for the Foundation's 2018 financial statements and could change the classification and recognition method of revenue.

The Foundation does not plan to adopt this standard early and the extent of the impact has not been determined.

Note 4 Determination of fair values

A number of the Foundation's accounting policies and disclosure require the determination of fair value. Fair values have been determined for measurement purposes based on the following methods, which applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

(i) Land and buildings

The fair value of land and buildings at balance date is measured by reference to a valuation performed by an external and independent company. The fair values are based on market values, being the estimated amount for which property could be exchanged on the date of the valuation between a willing buyer and willing seller in an arm's length transaction.

Notes to the Financial Statements

For the Year Ended 30 June 2015

Note 16 Related Party Transactions

Transactions between related parties are on normal commercial terms and conditions, no more favourable than those available to other parties, unless otherwise stated.

In the current and prior year, the Foundation had a service agreement with Victorian Person Centred Services Inc (VPCS) whereby specialist staff are employed to service the Foundation's community based services as and when they are required. Some members of the VPCS board are also on the board of the Foundation.

	2015 $	2014 $
Management Fee received from VPCS	**5,005,200**	6,720,000
Total related party transactions	**5,005,200**	6,720,000

The Foundation used the legal services of Logie-Smith Lanyon Lawyers in relation to various legal matters where our Chair is currently a partner in the firm. The amounts disclosed in the table below were billed based on normal market rates for such services and were due and payable under normal payment terms. Other than the amounts disclosed below, there are no material contracts involving the board members of the Foundation at year end.

Logie-Smith Lanyon Lawyers	**202,965**	108,625
Total related party transactions	**202,965**	108,625

Note 17 Capital and Leasing Commitments

Non-cancellable operating leases contracted for but not capitalised in the financial statements are as follows:

Minimum lease payments:

- not later than 12 months	**492,005**	461,878
- between 12 months and five years	**268,563**	561,804
Total operating lease commitments	**760,568**	1,023,682

During the year $478,128 was recognised as an expense in surplus or deficit in respect of operating leases (2014: $383,371).

Increase in employee benefit provisions	**387,542**	148,250
Net cash provided by operating activities	**1,549,840**	2,336,386

Note 21 Contingent liabilities

The Foundation enters into operating leases over residential property on behalf of some clients. These transactions may expose the Foundation to liability where there are significant amounts of unpaid rent or significant damage to the leased asset. The Foundation was not a trustee of any trust during the year ended 30 June 2015.

The National Australia Bank holds a bank guarantee of $7,500 in relation to a security bond for the lease of the office premises.

Note 22 Events subsequent to reporting date

In September 2013, following discussions between E.W. Tipping Foundation and Rehabilitation Australia Ltd, the parties agreed to end the Joint Venture and close the facility. The winding up of operations is still continuing. Litigation has commenced between the two parties and ongoing. The impact on the Foundation has not been realised as the matter is being covered by insurance. Other than the above, no other matter has arisen since the end of the financial year which would materially affect the operations of the Foundation.

Note 23 Economic dependence

The Foundation is dependent on the grants from State and Commonwealth Governments for a significant portion of its revenue used to operate the business. At the date of this report the Board members have no reason to believe the grants from the State and Commonwealth Government's will not continue to be provided. The reduction in such grants could result in significant reduction of the Foundation's services.

Note 24 Reserves

The asset revaluation reserve comprises revaluations made to land and buildings carried at director's valuation.

E.W. Tipping Foundation Inc

ABN: 59 032 986 751

Directors' Declaration

In the opinion of the directors of E.W.Tipping Foundation Inc ("the Entity")

(a) The entity is not publicly accountable nor a reporting entity.

(b) the financial statements and notes, set out on pages 3 to 27, are in accordance with the Australian Charities and Not-for-profits Commission Act 2012, the Australian Charities and Not-for-profits Commission Regulation 2013 and the Associations Incorporations Reform Act 2012 (Victoria), including:

(i) giving a true and fair view of the financial position of the Entity as at 30 June 2015 and of its performance, as represented by the results of its operations for the financial year ended on that date in accordance with the statement of compliance and basis of preparation described in Notes 1 to 3; and

(ii) complying with Australian Accounting Standards (including the Australian Accounting Interpretations) to the extent described in Note 2, and the Australian Charities and Not-for-profits Commission Regulation 2013; and

(c) There are reasonable grounds to believe that E.W. Tipping Foundation Inc will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of the directors:

Board member .....

Dated 27.10.15

KPMG

Independent auditor's report to the members of E.W. Tipping Foundation Inc.

We have audited the accompanying financial report, being a special purpose financial report of E.W. Tipping Foundation Inc. ("the Entity"), which comprises the statement of financial position as at 30 June 2015, and statement of surplus or deficit and other comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, notes 1 to 24 comprising a summary of significant accounting policies and other explanatory information and the directors' declaration of the Entity.

This audit report has also been prepared for the members of the Entity in pursuant to *Australian Charities and Not-for-profits Commission Act 2012* and the *Australian Charities and Not-for-profits Commission Regulation 2013* (ACNC) and the Associations Incorporation Reform Act 2012 (Victoria) (collectively the Act and Regulations).

Directors' responsibility for the financial report

The Directors of the Entity are responsible for the preparation of the special purpose financial report that gives a true and fair view in accordance with the ACNC and the Associations Incorporations Reform Act 2012 (Victoria) and have determined the basis of preparation described in notes 1 to 3 to the financial statements is appropriate to meet the requirements of the ACNC, the Act and Regulations and is appropriate to meet the needs of the members. The Directors' responsibility also includes such internal control as the Directors determine necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with the basis of accounting described in notes 1 to 3 to the financial statements so as to present a true and fair view which is consistent with our understanding of the company's financial position, and of its performance.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

KPMG, an Australian partnership and a member firm of the KPMG network of independent member firms affiliated with KPMG International Cooperative ("KPMG International"), a Swiss entity.

Liability limited by a scheme approved under Professional Standards Legislation.

Independent auditor's report to the members of E.W. Tipping Foundation Inc. (continued)

Independence

In conducting our audit, we have complied with the independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012.*

Auditor's opinion

In our opinion, the financial report of E.W. Tipping Foundation Inc. is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012* and the Associations Incorporations Reform Act 2012 (Victoria) including:

(a) giving a true and fair view of the financial position as at 30 June 2015 and of its performance for the year ended on that date; and

(b) complying with Australian Accounting Standards to the extent described in Note 2 and the *Australian Charities and Not-for-profits Commission Regulation 2013.*

Basis of accounting

Without modifying out opinion, we draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the ACNC the Associations Incorporations Reform Act 2012 (Victoria). As a result, the financial report may not be suitable for another purpose.

KPMG

Auditor's Independence Declaration under subdivision 60-C section 60-40 of Australian Charities and Not-for-profits Commission Act 2012

To: the directors of E.W. Tipping Foundation Inc.

I declare that, to the best of my knowledge and belief, in relation to the audit for the financial year ended 30 June 2015 there have been:

(i) no contraventions of the auditor independence requirements as set out in the Australian Charities and Not-for-profits Commission Act 2012 in relation to the audit; and

(ii) no contraventions of any applicable code of professional conduct in relation to the audit.
