NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2019

1. BASIS OF PREPARATION

In the opinion of the trustees, the trust is not a reporting entity. The financial statements of the trust have been prepared as special purpose financial statements for use by the trustee and to fulfil the trustee's duties under the trust deed to prepare financial statements.

(a) Statement of Compliance

This special purpose financial statement has been prepared for distribution to the Trustee and to satisfy the requirements of the Trust Deed, and the Australian Charities and Not-for-profits Commission Act 2012. The accounting policies used in the preparation of this report are, in the opinion of the Trustee, appropriate to meet the needs of the Trustee.

The requirements of Accounting Standards issued by the Australian Accounting Standards Board and other professional reporting requirements do not have mandatory applicability to the Trust in relation to the year ended because the Trustee has determined that the Trust is not a reporting entity. However, the Trustee has determined that in order for the financial statements to present fairly the Trust's results of operations and state of affairs, the requirements relating to the measurement, recognition and classification of assets, liabilities, revenue and expenses should be complied with, except as noted in these policies as a result of the requirements of the Trust Deed.

The financial report does not include the disclosure requirements of the following pronouncements having a material effect:

- > AASB7: Financial Instruments: Disclosures
- > AASB110: Events after the Reporting Period
- > AASB132: Financial Instruments: Presentation

As the Trust is not a reporting entity, the Trust does not comply with IFRS. The accounting policies have been applied consistently to all periods presented in these financial statements. The financial statements were approved by the Trustee on the date of signing of the Trustees' Declaration.

(b) Basis of Measurement

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes.

(c) Functional and Presentation Currency

These financial statements are presented in Australian dollars, which is the trust's functional currency.

(d) New and amended accounting standard adopted by the Trust

The following Australian Accounting Standards have been adopted by the Trust for reporting period beginning 1 July 2018.

AASB 9 Financial Instruments

AASB 9, approved in December 2014, replaced the existing guidance in AASB 139 Financial Instruments: Recognition and Measurement. AASB 9 includes revised guidance on the classification and measurement of financial instruments, including a new expected credit loss model for calculating impairment on financial assets, and the new general hedge accounting requirements. It also carries forward the guidance on recognition and derecognition of financial instruments from AASB 139.

AASB 9 is effective for annual reporting periods beginning on or after 1 January 2019. The Trust expects that the application of AASB 9 will have no impact on future financial statements.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2019

(e) New standards and interpretations not yet adopted

A number of new standards, amendments to standards and interpretations are available for early adoption for annual periods beginning after 1 July 2018 and have not been applied in preparing these financial statements. Those which may be relevant to the Trust are set out below. The Trust does not plan to adopt these standards early.

AASB 15 Revenue from Contracts with Customers

AASB 15 establishes a comprehensive framework for determining whether, how much and when revenue is recognised. It replaces existing revenue recognition guidance, including AASB 118 Revenue, AASB 111 Construction Contracts and IFRIC 13 Customer Loyalty Programmes.

AASB 15 is effective for the Trust for annual reporting periods beginning on or after 1 January 2019. The Trust is assessing the potential impact on its financial statements resulting from the application of AASB 15.

AASB 1058 Income of Not-for-Profit Entities

AASB 1058 clarifies and simplifies the income recognition requirements that apply to Not-for-Profit entities, in conjunction with AASB 15. AASB 1058 supercedes all the income recognition requirements relating to private sector Not-for-Profit entities, previously in AASB 1004 Contributions. The requirements of AASB 1058 more closely reflect the economic reality of Not-for-Profit entity transactions that are not contracts with customers. The timing of recognition depends on whether such a transaction gives rise to a liability or other performance obligation.

AASB 1058 is effective for annual reporting periods beginning on or after 1 January 2019. The Trust is assessing the potential impact on its financial statements resulting from the application of AASB 1058.

AASB 16 Leases

AASB 16 Leases removes the lease classification test and requires all leases (including operating leases) to be brought onto the balance sheet. The definition of a lease is also amended and is now the new on/off balance sheet test for lessees.

The future recognition of lease expenses will change, with more expenses recognised in the early periods of a lease, and less in later periods, as there will be a change from the straight-line expense currently recognised to front-ended finance charges. There will also be a change in lease expense classification from recognising operating expenses to recognising financing costs and amortisation.

AASB16 is effective for annual reporting periods beginning on or after 1 January 2019. Early adoption will be permitted for entities that also adopt AASB 15 Revenue from contracts with customers.

The Trust is not currently intending to adopt this standard early and the extent of the impact has not been determined.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies that have been adopted in the preparation of the financial statements are as follows:

(a) Income Tax

The Trust is exempt from income tax as it is a Charity established under an instrument of trust or a will for a charitable purpose and is registered with the Australian Charities and Not-for-profits Commission.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2019

(b) Fair Value of Assets and Liabilities

The trust measures some of its assets and liabilities at fair value on either a recurring or non-recurring basis, depending on the requirements of the applicable Accounting Standard.

Fair value is the price the trust would receive to sell an asset or would have to pay to transfer a liability in an orderly (ie unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset or liability (ie the market with the greatest volume and level of activity for the asset or liability) or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (ie the market that maximises the receipts from the sale of the asset or minimises the payments made to transfer the liability, after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

The fair value of liabilities and the entity's own equity instruments (excluding those related to share-based payment arrangements) may be valued, where there is no observable market price in relation to the transfer of such financial instruments, by reference to observable market information where such instruments are held as assets. Where this information is not available, other valuation techniques are adopted and, where significant, are detailed in the respective note to the financial statements.

(c) Other Receivables

Other receivables comprise refund of the GST and franking credits for the current reporting period but received post year-end.

(d) Cash and Cash Equivalents

For the purpose of presentation in the cash flow statements, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short term and highly liquid financial assets with maturities of twelve months or less from the date of acquisition that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts

(e) Revenue Recognition

Revenue is recognised when the Trust is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Investment income comprises interest, dividends and distributions from managed funds. All investment income is recognised on an accruals basis, with the exception of dividends which is recognised when the dividend has been paid, or in the case of dividend reinvestment schemes, when the dividend is credited to the benefit of the Trust.

Refunds of imputation credits are recognised as they are received.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2019

(f) Other Payables

Other payables comprise fees for professional services rendered for the current reporting period but paid post year-end.

(g) Goods and Services Tax (GST)

Revenues, expenses and the cost of the acquisition of assets are recognised gross of the amount of Goods and Services Tax (GST), with the refundable component of the GST disclosed as a separate revenue item.

Receivables and payables are stated inclusive of the amount of GST receivable or payable.

The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST component of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

(h) Rounding of Amounts

Amounts in the financial statements have been rounded off to the nearest dollar.

Independent Auditor's Review Report

To the members of **Sir Robert & Lady Mollie Askin Charities Trust**

Conclusion

We have reviewed the **Financial Report** of Sir Robert & Lady Mollie Askin Charities Trust (the Trust).

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the **Financial Report** of the Trust is not in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission (ACNC) Act 2012*, including:

- i. giving a true and fair view of the Trust's financial position as at 30 June 2019, and of its financial performance and its cash flows for the year ended on that date; and
- ii. complying with *Australian Accounting Standards* to the extent described in Note 1 and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

The **Financial Report** comprises:

- i. Statement of financial position as at 30 June 2019.
- ii. Statement of comprehensive income and statement of cash flows for the year then ended.
- iii. Notes including a summary of significant accounting policies.
- iv. Directors' Declaration of the Trust.

Basis for conclusion

We are independent of the Trust in accordance with the auditor independence requirements of the ACNC Act 2012 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our review of the Financial Report in Australia. We have fulfilled our other ethical responsibilities in accordance with the Code.

Emphasis of matter – basis of preparation and restriction on use

We draw attention to Note 1 to the financial statements, which describes the basis of preparation.

The Financial Report has been prepared for the purpose of fulfilling the Trustees' financial reporting responsibilities under the ACNC Act 2012 and the Trust Deed. As a result, the Financial Report and this Auditor's Report may not be suitable for another purpose.

Our report is intended solely for the members of the Trust and ACNC and should not be used by any other party. We disclaim any assumption of responsibility for any reliance on this Auditor's Report, or

on the Financial Report to which it relates to any person other than the members of the Trust and ACNC. Our conclusion is not modified in respect of this matter.

Responsibilities of the Trustees for the Financial Report

The Trustees are responsible for:

- i. the preparation of the Financial Report that gives a true and fair view in accordance with *Australian Accounting Standards* to the extent described in Note 1 and the ACNC; and
- ii. such internal control as the Trustees determine is necessary to enable the preparation of a Financial Report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the review of the Financial Report

Our responsibility is to express a conclusion on the financial report based on our review. We conducted our review in accordance with *Auditing Standard on Review Engagements ASRE 2415 Review of a Financial Report: Company Limited by Guarantee or an Entity Reporting under the ACNC Act or Other Applicable Legislation or Regulation*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the ACNC, including: giving a true and fair view of the Trust's financial position as at 30 June 2019, and its financial performance and its cash flows for the year ended on that date; and complying with the *Australian Accounting Standards* to the extent described in Note 1 and the ACNC. *ASRE 2415* requires that we comply with the ethical requirements relevant to the review of the financial report.

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with *Australian Auditing Standards* and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Auditor's Independence Declaration under subdivision 60-C section 60-40 of Australian Charities and Not-for-profits Commission Act 2012

To: the Trustees of Sir Robert & Lady Mollie Askin Charities Trust

I declare that, to the best of my knowledge and belief, in relation to the review for the financial year ended 30 June 2019 there have been:

- i. no contraventions of the auditor independence requirements as set out in the *Australian Charities and Not-for-profits Commission Act 2012* in relation to the review; and
- ii. no contraventions of any applicable code of professional conduct in relation to the review.
