Board Members' Report

For the year ended 30 June 2025

The Board members present their report on The Croatian, Ukrainian & Belarusian Aged Care Association of SA Inc for the financial year ended 30 June 2025.

Board Members

The names of the Board Members in office at any time during, or since the end of, the year are:

Names

Position

Natalia Hubczenko

Chair Person

Denis Stevanja

Vice Chairperson

Jock Malinowksi

Treasurer

Adriano Carbone

Brendan Moran

(Resigned 26/05/2025)

David Moffatt Kruno Batrac

Dominique Evele Michael Iwaniw

(Appointed 09/04/2025)

Board Members have been in office since the start of the financial year to the date of this report unless otherwise stated.

Principal activities

The principal activity of The Croatian, Ukrainian & Belarusian Aged Care Association of SA Inc during the financial year was providing a residential care facility and home care services.

No significant changes in the nature of the Association's activity occurred during the financial year.

Benefits as a result of contracts

During the financial year, there were no benefits received or entitled to be received as a result of a contract between an officer, firm or body corporate and the Association.

Payments and other benefits

No payments or benefits of a pecuniary value were received by any officers of the Association during the financial year.

Operating results

The operating profit of the Association after providing for income tax amounted to \$487,292 (2024: \$509,826).

Significant changes in state of affairs

There have been no significant changes in the state of affairs of the Association during the year.

Events after the reporting period

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Association, the results of those operations or the state of affairs of the Association in future financial year.

Signed in accordance with a resolution of the Board Members:

Board member: Natalia Hubczenko

Notes to the Financial Statements

For the Year Ended 30 June 2025

1 Introductions

The financial report covers The Croatian, Ukrainian & Belarusian Aged Care Association of SA Inc as an individual entity. The Croatian, Ukrainian & Belarusian Aged Care Association of SA Inc is a not-for-profit Association, incorporated and domiciled in Australia.

The functional and presentation currency of The Croatian, Ukrainian & Belarusian Aged Care Association of SA Inc is Australian dollars.

The financial report was authorised for issue on the date the accompanying Board Members' Declaration is signed.

Comparatives are consistent with prior years, unless otherwise stated.

2 Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the *Australian Accounting Standards - Simplified Disclosures* of the Australian Accounting Standards Board and the *Australian Charities and Not-for-profits Commission Act 2012.* The entity is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected financial assets and land and buildings. The statement of financial position has been prepared on a liquidity basis as this presentation provides more reliable and relevant information.

Material accounting policy information relating to the presentation of these financial statements are presented below, and are consistent with prior reporting periods unless otherwise stated.

3 Material Accounting Policy Information

(a) Revenue and other income

Revenue from contracts with customers

Revenue is recognised on a basis that reflects the transfer of control of promised services to customers at an amount that reflects the consideration the Association expects to receive in exchange for those services.

Rendering of services

Revenue in relation to rendering of aged care services are recognised over time, for the days that the services are provided to the resident. For any amounts subsidised in advance of services being provided, these amounts are recognised as a contract liability on the statement of financial position.

If the outcome cannot be reliably estimated then revenue is recognised to the extent of expenses recognised that are recoverable.

(b) Income tax

The Association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

Notes to the Financial Statements

For the Year Ended 30 June 2025

3 Material Accounting Policy Information

(c) Financial instruments

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification

On initial recognition, the Association classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss FVTPL

Amortised cost

The Association's financial assets measured at amortised cost comprise trade and other receivables, cash and cash equivalents and other financial assets in the statement of financial position.

Financial assets through profit or loss

The Association's financial assets measured at FVTPL comprise other financial assets in the statement of financial position.

Impairment of financial assets

Where the simplified approach to expected credit loss (ECL) is not applied, the Association uses the presumption that an asset which is more than 30 days past due has seen a significant increase in credit risk.

The Association uses the presumption that a financial asset is in default when:

- the other party is unlikely to pay its credit obligations to the Association in full, without recourse to the Association to actions such as realising security (if any is held); or
- the financial assets is more than 90 days past due.

Trade receivables

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses.

Where the Association renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

Financial liabilities

The Association measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Association comprise trade payables, lease liabilities and other financial liabilities.

Notes to the Financial Statements

For the Year Ended 30 June 2025

3 Material Accounting Policy Information

(d) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Land and buildings

Land and buildings are measured using the revaluation model.

Plant and equipment

Plant and equipment are measured using the cost model.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line and diminishing basis over the asset's useful life to the Association, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

| Fixed asset class | Depreciation rate |
|---------------------|-------------------|
| Buildings | 2.5% |
| Plant and Equipment | 5% - 33% |
| Motor Vehicles | 25% |

(e) Impairment of non-financial assets

At the end of each reporting period the Association determines whether there is evidence of an impairment indicator for non-financial assets.

Where an indicator exists and regardless for indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

(f) Intangible assets

Each class of intangible asset is carried at cost less any accumulated amortisation and impairment losses.

Amortisation

The amortisation rates used for each class of amortisable asset is shown below:

| Category of intangible asset | Amortisation rate |
|------------------------------|-------------------|
| Computer software | 20% |

(g) Accommodation bonds

The Association enters into Right of Occupancy Agreements with residents who pay a bond. This liability is recognised in the statement of financial position as a liability under other financial liabilities.

Notes to the Financial Statements

For the Year Ended 30 June 2025

3 Material Accounting Policy Information

(h) Leases

At the lease commencement, the Association recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Association believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model, depreciated over the lease term on a straight-line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Association's incremental borrowing rate is used.

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Association's assessment of lease term.

Exceptions to lease accounting

The Association has elected to apply the exceptions to lease accounting for both short-term leases (i.e. leases with a term of less than or equal to 12 months) and leases of low-value assets. The Association recognises the payments associated with these leases as an expense on a straight-line basis over the lease term.

(i) Economic dependence

The Croatian, Ukrainian & Belarusian Aged Care Association of SA Inc is dependent on the Commonwealth Government funding for the majority of its revenue used to operate the business. At the date of this report the Board have no reason to believe the Commonwealth Government funding will not continue to support The Croatian, Ukrainian & Belarusian Aged Care Association of SA Inc.

(j) Adoption of new and revised accounting standards

The Association has adopted all standards which became effective for the first time at 30 June 2025, the adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the Association.

4 Critical Accounting Estimates and Judgements

The Association make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The judgement is based on the best information at the reporting date.

Notes to the Financial Statements

For the Year Ended 30 June 2025

4 Critical Accounting Estimates and Judgements

Key estimates - fair value of financial assets

Investments in listed investments are measured at fair value using the closing quoted bid prices of the underlying investments at the end of the reporting period.

Key estimates - lease term

The lease term is a significant component in the measurement of both the right-of-use asset and lease liability. Judgement is exercised in determining whether there is reasonable certainty that an option to extend the lease or purchase the underlying asset will be exercised, or an option to terminate the lease will not be exercised, when ascertaining the periods to be included in the lease term. In determining the lease term, all facts and circumstances that create an economical incentive to exercise an extension option, or not to exercise a termination option, are considered at the lease commencement date. Factors considered may include the importance of the asset to the Association's operations; comparison of terms and conditions to prevailing market rates; incurrence of significant penalties; existence of significant leasehold improvements; and the costs and disruption to replace the asset. The Association reassesses whether it is reasonably certain to exercise an extension option, or not exercise a termination option, if there is a significant event or significant change in circumstances.

Key estimates - fair value of land and buildings

An independent valuation of land and buildings carried at fair value was obtained on 30 June 2025. The Association have reviewed this valuation and updated it based on valuation indexes for the area in which the property is located. The valuation is an estimation which would only be realised if the property is sold.

Note 24 provides information on inputs and techniques to determine valuation.

Key judgements - lease incremental borrowing rate

Where the interest rate implicit in a lease cannot be readily determined, an incremental borrowing rate is estimated to discount future lease payments to measure the present value of the lease liability at the lease commencement date. Such a rate is based on what the Association estimates it would have to pay a third party to borrow the funds necessary to obtain an asset of a similar value to the right-of-use asset, with similar terms, security and economic environment.

5 Revenue

13 Leases

The Association's leased assets are limited to buildings. Information relating to the leases in place and associated balances and transactions are provided below.

Terms and conditions of leases

Closing value at 30 June 2025

The Association leases buildings for its corporate offices. It has entered into a lease agreement with a three year term including two rights of renewal, each for three years, commencing 1 May 2027 and 1 May 2030.

84,212

84,212

Notes to the Financial Statements

For the Year Ended 30 June 2025

13 Leases

| | Buildings | Total |
|------------------------------|-----------|----------|
| | \$ | \$ |
| Year ended 30 June 2025 | | |
| Balance at beginning of year | 285,009 | 285,009 |
| Depreciation charge | (48,859) | (48,859) |
| Balance at end of year | 236,150 | 236,150 |

Lease liabilities

The maturity analysis of lease liabilities based on contractual undiscounted cash flows is shown in the table below:

| | < 1 year \$ | 1 - 5 years \$ | > 5 years \$ | Total undiscounted lease liabilities \$ | Lease liabilities included in this Statement Of Financial Position |
|---------------------------|----------------|-------------------|-----------------|--|--|
| 2025 Lease liabilities | 58,500 | 224,250 | - | 282,750 | 244,232 |
| 2024 Lease liabilities | 58,500 | 282,750 | - | 341,250 | 286,375 |

Statement of Profit or Loss and Other Comprehensive Income

The amounts recognised in the statement of profit or loss and other comprehensive income relating to interest expense on lease liabilities and short-term leases or leases of low value assets are shown below:

| | 2025 | 2024 |
|---|--------|--------|
| | \$ | \$ |
| Interest expense on lease liabilities | 16,357 | 2,973 |
| Expenses relating to leases of low-value assets | 27,731 | 37,098 |
| Depreciation of right-of-use assets | 48,859 | 8,143 |
| | 92,947 | 48,214 |

Extension options

The Association's leases include extension options that permit the Association to extend the lease term.

The Association includes options in the leases to provide flexibility and certainty to the Association operations and reduce costs of moving premises and the extension options are at the Association's discretion.

At commencement date and each subsequent reporting date, the Association assesses where it is reasonably certain that the extension options will be exercised.

The Association has not yet taken up any of the extension options as they are not yet reasonably certain that these extension options will be exercised.

Notes to the Financial Statements

For the Year Ended 30 June 2025

14 Trade and Other Payables

| | 2025 | 2024 |
|--------------------------------------|---------|---------|
| | \$ | \$ |
| Trade payables | 186,100 | 112,985 |
| Sundry payables and accrued expenses | 189,879 | 182,162 |
| | 375,979 | 295,147 |

Trade and other payables are unsecured, non-interest bearing and are normally settled within 30 days. The carrying value of trade and other payables is considered a reasonable approximation of fair value due to the short-term nature of the balances.

15 Contract Liabilities

The Association has recognised the following contract liabilities from contracts with customers:

| | Service income received in advance | 58,079 | 94,540 |
|----|---|------------|------------|
| 16 | Employee Benefits | | |
| | Long service leave | 305,466 | 173,538 |
| | Annual leave | 566,144 | 443,717 |
| | | 871,610 | 617,255 |
| 17 | Other Financial Liabilities Accommodation bonds | 12,604,897 | 10,746,974 |
| | Other financial liabilities at amortised cost | | <u> </u> |
| | Accommodation bonds | 12,604,897 | 10,746,974 |

18 Reserves

(a) Asset revaluation reserve

The asset revaluation reserve records fair value movements on property, plant and equipment held under the revaluation model.

(b) Grant establishment reserve

The grant establishment reserve records funds received upon establishment of the Association.

During the financial year, the Board elected to transfer the balance of this reserve to retained earnings as the funds were not being quarantined for any specific reason.

Notes to the Financial Statements

For the Year Ended 30 June 2025

19 Operating Segments

Identification of reportable segments

The Association has identified its operating segments based on the internal reports that are reviewed and used by the Board of Members (Chief Operating Decision Maker) in assessing performance and determining the allocation of resources.

The Association is managed primarily on the basis of product category and service offerings as the diversification of The Croatian, Ukrainian & Belarusian Aged Care Association of SA Inc's operations inherently have notably different risk profiles and performance assessment criteria. Operating segments are therefore determined on the same basis.

Types of products and services by the following reportable segments

- (i) Residential Aged Care
- (ii) In Home Aged Care

Basis of accounting for purposes of reporting by operating segments

Unless stated below, all amounts reported to the Board of Members, being the Chief Operating Decision Maker with respect to operating segments, are determined in accordance with accounting policies that are consistent with those adopted in the annual financial statements of The Croatian, Ukrainian & Belarusian Aged Care Association of SA Inc.

Where an asset is used across multiple segments, the asset is allocated to the segment that receives the majority of economic value from the asset. In the majority of instances, segment assets are clearly identifiable on the basis of their nature and physical location.

Liabilities are allocated to segments where there is direct nexus between the incurrence of the liability and the operations of the segment. Borrowings and tax liabilities are generally considered to relate to The Croatian, Ukrainian & Belarusian Aged Care Association of SA Inc as a whole and are not allocated. Segment liabilities include trade and other payables and certain direct borrowings.

Independent Auditor's Report

To the members of The Croatian, Ukrainian, & Belarusian Aged Care Association of SA Inc

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of The Croatian, Ukrainian & Belarusian Aged Care Association of SA Inc ("the Association") which comprises the Statement of Financial Position as at 30 June 2025, the Statement of Profit or Loss and Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, Notes to the Financial Statements, including a summary of material accounting policies, and the Board Members' Declaration.

In our opinion, the accompanying financial report of the Association is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (i) giving a true and fair view of the Association's financial position as at 30 June 2025 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards Simplified Disclosures and the Australian Charities and Not-for-profits Commission Regulations 2022.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the "Code") that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The Board is responsible for the other information. The other information comprises the information included in the Association's annual report for the year ended 30 June 2025, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to the Board and will request that it is corrected. If it is not corrected, we will seek to have the matter appropriately brought to the attention of users for whom our report is prepared.

Responsibilities of the Board for the Financial Report

The Board of the Association are responsible for the preparation of:

- a) the financial report that gives a true and fair view in accordance with Australian Accounting Standards and Australian Charities and Not-for-profits Commission Act 2012; and
- b) for such internal control as the Board determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Board are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located on the Auditing and Assurance Standards Board website at:

https://www.auasb.gov.au/auditors_responsibilities/ar4.pdf. This description forms part of our auditor's report.
