**THE FREEDOM PROJECT LIMITED  
INDEPENDENT AUDITOR'S REPORT**

To the members of The Freedom Project Limited

**Report on the Financial Report**

I have reviewed the accompanying financial report of The Freedom Project Limited, which comprises the Balance Sheet as at 31 March 2015, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

**Directors' Responsibility for the Financial Report**

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal controls as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

My responsibility is to express a conclusion on the financial report based on my review. I conducted my review in accordance with the Auditing Standard on Review Engagements ASRE 2415 *Review of a Financial Report – Company Limited by Guarantee*, in order to state whether, on the basis of procedures described, I have become aware of any matter that makes me believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the company's financial position as at 31 March 2015 and of its performance for the year ended on that date; and complying with the Australian Accounting Standards and *Corporations Regulations 2001*. ASRE 2415 requires that I comply with the ethical requirements relevant of the financial report.

A review of a financial report consist of making enquires primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Accounting Standards and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly I do not express an audit opinion.

**Independence**

In conducting my review, I have complied with the independence requirements of the *Corporations Act 2001*. I confirm the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of The Freedom Project Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

**Conclusion**

Based on my review, which is not an audit, I have not become aware of any matter that makes me believe that the financial report of The Freedom Project Limited is not in accordance with the *Corporations Act 2001* including:

## THE FREEDOM PROJECT LIMITED

### NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2015

#### Note 1. Summary of significant accounting policies

##### (a) Basis of accounting

###### *Special purpose financial report*

The Freedom Project Limited is not a reporting entity because there are no users dependent on general purpose financial reports. This is a special purpose financial report that has been prepared for the sole purpose of complying with the *Corporations Act 2001* requirements.

The financial report has been prepared in accordance with the recognition and measurement principles of Australian Accounting Standards and other mandatory professional requirements in Australia. It contains only those disclosures considered necessary by the directors to meet the needs of the members.

###### *Reporting Basis and Conventions*

The financial report has been prepared under the historical cost convention as modified by the revaluation of investments at fair value. It does not take into account changing money values or, except for investments, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

###### *Significant accounting judgements, estimates and assumptions*

Accounting policies are selected and applied in a manner which ensures that the resultant financial information satisfies the concepts of relevance and reliability, thereby ensuring the substance of the underlying transaction and other events is reported.

In the application of Australian Accounting Standards management is required to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and other various factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements. Actual results may differ from these estimates.

These estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

There were no areas of the financial statements which involve higher degrees of judgment or complexity, or areas where assumptions and estimates were significant to the financial statements.

## NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2015

### (b) Revenue recognition

Revenue is recognised at the fair value of consideration received or receivable, when The Freedom Project Limited is legally entitled to the income and the amount can be quantified with reasonable accuracy. Revenues are recognised net of the amounts of goods and services tax (GST) payable to the Australian Taxation Office.

#### *Revenue from fundraising*

Income is brought to account on an accruals basis. Cash donations have been recognised as revenue to the extent that they have been deposited in the bank and recorded in The Freedom Project Limited's accounting records, which is the point at which The Freedom Project Limited gains control of the contributions.

#### *Interest income*

Interest income is recognised as it accrues.

### (c) Expenditures

All expenditures are accounted for on an accruals basis and have been classified under headings that aggregate all costs related to the categories.

### (d) Depreciation of plant and equipment

Depreciation is calculated on a straight line basis to write off the net cost or revalued amount of each item of property, plant and equipment over its expected useful life to The Freedom Project Limited. Estimates of remaining useful lives are made on a regular basis for all assets, with annual reassessments for major items. The expected useful life for plant and equipment is 3-5 years.

### (e) Employee entitlements

#### *(i) Salaries, annual leave and sick leave*

Liabilities for salaries, including non-monetary benefits, annual leave and accumulating sick leave expected to be settled within 12 months of the reporting date are recognised as a liability in respect of employees' services up to the reporting date and are measured at the amounts expected to be paid when the liabilities are settled.

#### *(ii) Long service leave*

The liability for long service leave expected to be settled within 12 months of the reporting date is recognised in the provision for employee benefits and is measured in accordance with (i) above. The liability for long service leave expected to be settled more than 12 months from the reporting date is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date.

#### *(iii) Superannuation*
