In 2013, Gill established the Joint Venture ICT Connect, a merger between Fibre Optics NQ and MJB Solutions of which Gill is the Managing Director and CEO.

Drawing on her experience as the first Aboriginal female Electrician, Gill wanted other Aboriginal and Torres Strait Islander peoples to experience similar opportunities to herself. Gill invests a significant portion of her own time supporting fellow Indigenous entrepreneurs and business' gain opportunities across the telecommunications, civil, mining and other growth industries. Gill's philosophy is that greater prosperity can be achieved by Indigenous businesses working together rather than in direct competition with each other.

SHORT TERM AND LONG TERM OBJECTIVES AND STRATEGIES

CIAF celebrates and strengthens the contemporary Queensland Aboriginal and Torres Strait Islander arts and cultural industry. CIAF's centrepiece is a three day dynamic art fair – a gateway for artistic, social, and economic exchange and opportunity for Queensland Indigenous art and culture. Much more than an art fair, CIAF includes traditional and contemporary elements of performance: music, song and dance; theatre and fashion; workshops and informative talks. It provides a sophisticated environment to attract and nurture national and international recognition and the appreciation of the vital cultural contribution of QLD First Nation peoples, while offering an ethical marketplace for sale and purchase of Indigenous art.

CIAF is a public interface for Indigenous artists from around the state, providing an opportunity to extend their skills, promote their culture, and sell art work in an ethical environment. The event offers participants and visitors a celebratory and authentic experience of Indigenous cultural exchange, presenting an integral element of life in Queensland.

CIAF has expanded from its beginnings as a high-end visual arts market into an exceptional cultural and multi-art form experience. Established core events such as the Visual Art Fair and satellite programs will feature as mainstays of the CIAF experience. In addition new and evolving events will continue to ensure CIAF remains the premier indigenous Art Fair, highlighted by this years Fashion Performance, Art Market, CIAF Conversations, Dancing on the Green and inclusion of the Gimuy Fish Festival into the program.

This evolving look will continue with a proposed variation in performance events, curated art exhibitions in satellite galleries, new artistic mediums and the inclusion of new CIAF programmed events at The Tank Arts Centre, CoCA and other Cairns venues, will deliver new elements to draw audiences.

Vision

Providing platforms for cultural exchange and economic opportunity for Queensland Indigenous artists.

Values

- Authenticity – Create an ethical marketplace that will educate audiences through indigenous knowledge and control and personal engagement with the artists.
 - Economic opportunity - acknowledged in the business model that enables financial return to artists and the viability of CIAF.
 - Vibrancy - CIAF offers a world-class marketplace and opportunities for cultural exchange that inspire locally, nationally and internationally.
 - Equity - CIAF is committed to the employment, training and professional development of Aboriginal and Torres Strait Islander people.

CAIRNS INDIGENOUS ART FAIR LIMITED

Directors Report

For the period 1 January 2019 to 31 December 2019

Goals

1. Leverage existing markets and develop new markets for Queensland Indigenous art
2. Grow audiences through immersive Indigenous arts and cultural experiences
3. Build CIAF's national and international profile
4. Contribute to development pathways for Queensland Indigenous artists
5. Ensure the relevancy and viability of CIAF

Strategy

CIAF will attract curators, collectors, producers and presenters nationally and internationally. CIAF has evolved into an immersive festival environment providing an ethical experience for buyers and the public. CIAF will build upon its position as Australia's Premier Indigenous Art Fair through the creation of economic opportunity and development, education and cultural collaboration for Queensland Indigenous artists and communities.

CIAF focuses on four inter-related opportunities: partnering for development pathways for Queensland Indigenous artists; the showcase and sale of Indigenous art through an ethical marketplace; increased leverage of existing markets and development of new markets for Queensland Indigenous art; and the building of national and international First Nations connections and exchange.

Secure funding will enable stability for CIAF through a new phase of significant growth, which will consolidate the learning and achievements of the past six years and enable CIAF's future relevance and viability.

CIAF recognises that capacity building and pathway development for Queensland Indigenous artists is critical to its success and the financial future of artists. From emerging through to established professional artists, the refreshed program is designed as an 'artist's journey' of opportunities including an annual awards program at the CIAF Exhibition and Art Fair.

History shows that CIAF actively cultivates return buyers because they see the Fair as a 'must attend event' to see and purchase high quality work in an authentic environment. Funding will support CIAF in continuing to build a national and international platform through the highly successful Collectors and Curators Program that celebrates Indigenous art and culture in an environment that is conducive to doing business.

Importantly, CIAF will capitalise on the significant interest and engagement of buyers nationally and internationally by leveraging existing markets and the development of new markets for Queensland Indigenous art and artists. CIAF will actively align with national and international opportunities for cultural exchange, and will seek to establish an international cultural exchange program with other First Nations artists.

The active inclusion of Aboriginal and Torres Strait Islander people is central to the CIAF governance model, the development of the CIAF program, and new strategic initiatives.

CAIRNS INDIGENOUS ART FAIR LIMITED
Notes to the Financial Statements
For the period 1 January 2019 to 31 December 2019

1 SIGNIFICANT ACCOUNTING POLICIES

Cairns Indigenous Art Fair Limited is a not for profit unlisted public company limited by guarantee.

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

The financial statements of Cairns Indigenous Art Fair Limited for the period ended 31 December 2019 were authorised for issue in accordance with a resolution of the directors on 1 May 2020 and cover Cairns Indigenous Art Fair Limited as an individual entity.

1.1 New, revised or amending Accounting Standards and Interpretations adopted

The company has adopted all of the new, revised or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new, revised or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the company.

1.2 Basis of Preparation

(a) Statement of compliance

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards Reduced Disclosure Requirements and Interpretations issued by the Australian Accounting Standards Board ('AASB'), and the Australian Charities and Not-for-profit Commission Act 2012, as appropriate for not-for-profit oriented entities.

The financial statements are presented in Australian dollars which is the company's functional and presentation currency.

Historical cost convention

The financial statements have been prepared under the historical cost convention.

Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

CAIRNS INDIGENOUS ART FAIR LIMITED

Notes to the Financial Statements

For the period 1 January 2019 to 31 December 2019

1 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(b) Revenue recognition

Revenue is recognised at an amount that reflects the consideration to which the company is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the company: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

Sales revenue

Events, fundraising and raffles are recognised when received or receivable.

Grants

Government grants and other contributions of assets are accounted for in accordance with AASB 15 Revenue from Contracts with Customers when the contract is enforceable and contains sufficiently specific performance obligations otherwise the grant is recognised on receipt.

Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

In-kind Contributions

Donated services and materials are recorded as in-kind contributions at the estimated fair market value as of the date of the donation.

(c) Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is current when: it is expected to be realised or intended to be sold or consumed in normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is current when: it is expected to be settled in normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

Deferred tax assets and liabilities are always classified as non-current.

(d) Income taxes

No provision for income tax has been raised as the company is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

1 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(e) Property, plant and equipment

Plant and equipment is stated at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Depreciation is calculated on a straight-line basis to write off the net cost of each item of property, plant and equipment (excluding land) over their individual expected useful lives as follows.

- Plant and Equipment 3 - 10 years

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date.

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the company. Gains and losses between the carrying amount and the disposal proceeds are taken to profit or loss.

(f) Intangible assets

Intangible assets acquired that have finite useful lives are measured at historical cost less accumulated amortisation and impairment.

Amortisation is calculated to write off the cost of intangible assets less their estimated residual value using the straight line method over their estimated lives. The estimated useful lives of intangibles are as follows.

- Digital Assets 4 years

(g) Impairment of non-financial assets

Non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of an asset's fair value less costs of disposal and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

(h) Employee benefits

Short-term benefits

Liabilities for wages and salaries, including non-monetary benefits, annual leave and long service leave expected to be settled within 12 months of the reporting date are recognised in current liabilities in respect of employees' services up to the reporting date and are measured at the amounts expected to be paid when the liabilities are settled.

Other long term benefits

The liability for long service leave not expected to be settled within 12 months of the reporting date are recognised in non-current liabilities, provided there is an unconditional right to defer settlement of the liability. The liability is measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

Defined contribution superannuation expense

Contributions to defined contribution superannuation plans are expensed in the period in which they are incurred.

1 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(i) Goods and Services Tax ('GST') and other similar taxes

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the tax authority. In this case it is recognised as part of the cost of the acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the tax authority is included in other receivables or other payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the tax authority, are presented as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the tax authority.

(j) Economic Dependence

Cairns Indigenous Art Fair Limited is dependent on Federal and State Government Departments for the majority of its revenue used to operate the art fair. At the date of this report, the Board of Directors has no reason to believe the Departments will not continue to support Cairns Indigenous Art Fair Limited.

2 CRITICAL ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. There are no judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. To date, the Company has been impacted by the social distancing requirements and have therefore been required to cancel the art fair event but will instead be able to hold the event via a digital platform. While the full economic impact is unknown and is not able to be estimated at this time, the Directors have assessed the likely impact and determined that it will not have a significant impact on the entity, due to the continued funding expected to be received from State and Federal Governments.
