#### Notes to the financial statements

For the year ended 30 June 2024

The financial statements cover the business of Galloping Gumnut Mobile Children's Services Van Inc. Galloping Gumnut Mobile Children's Services Van Inc is a not-for-profit organisation, registered and domiciled in Australia.

The functional and presentation currency of Galloping Gumnut Mobile Children's Services Van Inc is Australian dollars.

Comparatives are consistent with prior years, unless otherwise stated.

#### 1 Basis of preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards – Simplified Disclosures and the Australian Charities and Not-for-profit Commissions Act 2012.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

#### 2 Summary of significant accounting policies

#### Income tax

The organisation is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

#### Revenue and other income

#### Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the organisation is expected to be entitled for transferring goods and services to a customer. For each contract with a customer, the organisation: identifies the contract with a customer; identifies the performance obligation in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative standalone selling price of each distinct good or service to be delivered; and recognised revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

ABN: 99 972 714 965

#### Notes to the financial statements

For the year ended 30 June 2024

Variable consideration with the transaction price, if any, reflects concessions provided to the customer such as discounts, rebates, refunds and potential bonuses receivable from the customers and any other contingent events. Such estimated are determined using either the 'expected value' or 'most likely amount' method. The measurement of variable consideration is subject to a constraining principle whereby revenue will only be recognised to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur. The measurement constraint continues until the uncertainty associated with; the variable consideration is subsequently resolved. Amounts received that are subject to the constraining principle are recognised as a refund liability.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

All revenue is stated net of the amount of goods and Services Tax (GST).

#### Grant revenue

Government grants are recognised at fair value where there is a reasonable assurance that the grant will be received, and all grant conditions will be met. Grants relating to expense items are recognised as income over the periods necessary to match the grant to the costs they are compensating. Grants relating to assets are credited to deferred income at fair value and are credited to income over the expected useful life of the asset on a straight-line basis.

#### Sales revenue

Events, fundraising and care fees are recognised when received or receivable.

#### Interest revenue

Interest is recognised using the effective interest method.

#### Other revenue

Other revenue is recognised on an accruals basis when the company is entitled to it.

ABN: 99 972 714 965

#### Notes to the financial statements

#### For the year ended 30 June 2024

#### Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flow.

#### Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

#### Property, plant and equipment

An items of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset.

Any gain or loss arising on deprecation of the asset (calculated as the difference between the net disposal proceed and the carrying amount of the item) is included in the income statement in the year it is recognised.

Where the cost model is used, the asset at its cost is carried at its cost less any accumulated deprecation and impairment losses. Costs include purchase price, other directly attributable costs and the initial estimated cost of dismantling and restoring the asset were applicable.

Plant and equipment are measured using the diminishing value basis over the asset's useful life to the organisation, commencing when the asset is ready for use.

The deprecation rates used for each class of depreciable asset are shown below:

Plant and Equipment: 20% - 37.5% Motor Vehicles: 18.75% Computer Equipment: 33% - 40%

At the end of each annual reporting period, the deprecation method, useful life, residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

ABN: 99 972 714 965

#### Notes to the financial statements

For the year ended 30 June 2024

#### **Provisions**

Provision is made for the company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cash flows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cash flows. Changes in the measurement of the liability are recognised in profit or loss.

#### Trade and other receivables

Other receivables are recognised at amortised cost, less any allowance for expected credit losses.

#### Trade and other payables

These amounts represent liabilities for goods and services provided to the organisation prior to the end of the financial year and which are unpaid. Due to their short-term nature, they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

#### Current and non-current classification

Assets and liabilities are presented in the statements of financial position based on current and non-current classification.

An asset is classified as current when; it is expected to be realised or intended to be sold or consumed in the entities normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used settle a liability at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when; it is either expected to be settled in organisation's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled with 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GALLOPING GUMNUT MOBILE CHILDREN'S SERVICES VAN ABN 99 972 794 965

#### Report on the Audit of the Financial Report

#### Opinion

We have audited the accompanying financial report of Galloping Gumnut Mobile Children's Services Van Inc (the association) which comprises the statement of financial position as at 30 June 2024 and the statement of profit and loss and other comprehensive income, the statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information, the statement by members of the committee.

In our opinion, the accompanying financial report of the association for the year ended 30 June 2024 has been prepared, in all material respects, in accordance with Division 60 of the Australian Charities and Not-for-profits commission Act 2012 and the Associations Incorporation Act, including:

- (a) giving a true and fair view of the associations financial position as at 30 June 2024 and of its financial performance and cash flows for the year then ended; and
- (b) complying with the Australian Accounting Standards Simplified Disclosure Requirements and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013 and the Associations Incorporation Regulation.

#### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards — Simplified Disclosure Requirements. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Report section of our report. We are independent of the association in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other Information

Those charged with governance are responsible for the other information. The other information comprises the information included in the Associations annual report for the year ended 30 June 2024 but does not included the financial report and our auditors report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GALLOPING GUMNUT MOBILE CHILDREN'S SERVICES VAN ABN 99 972 794 965

#### Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of the financial report in accordance with the Australian Charities and Not-for-profit Commission Regulation 2013 and for such internal control as management determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the association's financial reporting process.

#### Auditors' Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.
