INDEPENDENT AUDIT REPORT TO THE TRUSTEES OF AUSTRALIAN MUSEUM FOUNDATION

REPORT ON THE FINANCIAL REPORT

We have audited the financial report, being a general purpose financial report, of Australian Museum Foundation for the year ended 31 December 2016 as set out on pages 1 to 16. The Trustee is responsible for the financial report and they have determined that the accounting policies used and described in Note 1 to the financial statements are appropriate to meet the needs of the members.

TRUSTEE'S RESPONSIBILITY FOR THE FINANCIAL REPORT

The Directors of the trustee company (Australian Museum Foundation Limited) 'the Trustees' are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Trust Deed.

This responsibility includes designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial report that is free from material, misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Trustees, as well as evaluating the overall presentation of the financial report.

No opinion is expressed as to whether the accounting policies used, and described in Note 1, are appropriate to the needs of the members. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

REPORT ON OTHER ASPECTS OF THE CHARITABLE FUNDRAISING ACT 1991

We have audited the Trust's operations in order to express an opinion on the matters specified in section 24(2) of the *Charitable Fundraising Act 1991* for the year ended 31 December 2016.

TRUSTEE' RESPONSIBILITY FOR COMPLIANCE

The Trustees are responsible for ensuring compliance with the *Charitable Fundraising Act 1991* and the Charitable Fundraising Regulation 2015. This responsibility includes establishing and maintaining internal control relevant to compliance, ensuring that all assets obtained during, or as a result of a fundraising event are safeguarded and properly accounted for, and maintaining proper books of account and records.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on matters specified in section 24(2) of the *Charitable Fundraising Act* 1991 for the year ended 31 December 2016. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether there were any material breaches of compliance by the Trust.

An audit involves performing procedures to obtain audit evidence about the entity's compliance with the *Charitable Fundraising Act 1991* and the Charitable Fundraising Regulation 2015, and its solvency. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material breaches of compliance. In making those risk assessments, the auditor considers internal control relevant to the entity's compliance in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

Our procedures included examination on a test basis, of evidence supporting the entity's solvency and its compliance with the *Charitable Fundraising Act 1991* and the Charitable Fundraising Regulation 2015. These tests have not been performed continuously throughout the period, were not designed to detect all instances of non-compliance, and have not covered any other provisions of the *Charitable Fundraising Act 1991* and the Charitable Fundraising Regulation 2015, apart from those specified.

AUDIT OPINION

In our opinion, the financial report of Australian Museum Foundation is in accordance with:

- (a) the Trust Deed, including:
 - (i) giving a true and fair view of the Trust's financial position as at 31 December 2016 and of its performance for the year ended on that date; and
 - (ii) complying with Australian Accounting Standards (including Australian Accounting Interpretations) to the extent described in Note 1 and the Trust Deed; and
- b) the *Charitable Fundraising Act 1991*, including showing a true and fair view of the Trust's financial result of fundraising appeals for the year ended 31 December 2016.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

The financial statements cover the economic entity of The Australian Museum Foundation as an individual entity. The Foundation is a discretionary trust which has obtained charitable trust status with the Australian Taxation Office ("ATO"). It is established and domiciled in Australia.

1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PREPARATION

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) of the Australian Accounting Standards Board ("AASB") and the requirements of the *Charitable Fundraising Act 1991*.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions.

Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied by the Foundation unless otherwise stated.

The financial report has been prepared on an accruals basis, and is based on historical costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

ACCOUNTING POLICIES

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and deposit held at call with banks. Any restricted/non-discretionary funds held has been itemised in note 4.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the ATO. In theses circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense.

Cash flows are presented in the Cash Flow Statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

Fundraising Activities

Charitable Fundraising Act 1991:

The Charitable Fundraising Act 1991 and supporting Charitable Fundraising Regulation 2015 prescribe the manner in which fundraising appeals are conducted, controlled and reported in NSW. The amounts shown in Note 11 are in accordance with Authority Conditions, which is issued to Australian Museum Foundation under section 16 of the Charitable Fundraising Act 1991.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue and other income

Revenue is measured at fair value of the consideration received and receivable after taking into account any trade discounts and volume rebates allowed. Interest income is recognised on a proportional basis taking into account the interest rates applicable to the financial assets. Dividend income is recognised when the right to receive this income has been established.

All revenue is stated net of the amount of GST.

Donations and bequests income

General

Donations and bequests are returned as income as and only when the control over the funds have been obtained by the Foundation. Control is usually obtained upon receipt of cash. As specified in the *Charitable Fundraising Act 1991*, unsolicited donations, members' donations and bequests are not treated as fundraising income when determining information required to be reported under the Act. They are treated as gifts under the tax legislation and deposited in Term Deposit Accounts.

Restricted

Donations and bequests that are restricted as to the use of the funds are recognised as income in the year the Foundation expends the funds as per the directions of the legal document attached to the donation or bequest.

Consistent with Exposure Draft 180 "Income from Non-exchange Transactions (Taxes and Transfers)" the asset and income are only recognised to the extent that a liability is not also recognised. A liability is only recognised to the extent that the present obligations of the restricted donation or bequest have not been satisfied. Funds deemed as non-discretionary by the Trustees are accounted for in the same way.

Cost of fundraising:

Costs explained in Note 11 include all direct fundraising costs in accordance with the *Charitable Fundraising Act 1991*. The inclusion of indirect costs is discretionary. There are no indirect fundraising costs.

Income Tax

Australian Museum Foundation is exempt from income tax under subdivision 50-B of the *Income Tax Assessment Act* 1997

Investments

Non-current investments are measured on the cost basis. The carrying amount of investments is reviewed annually by directors to ensure it is not in excess of the recoverable amount of these investments. The recoverable amount is assessed from the quoted market value for listed investments. The expected net cash flows from investments have not been discounted to their present value in determining the recoverable amounts.

Provisions

Provisions are recognised when the trust has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.
