# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

The financial statements cover the Australian Museum Foundation ("The Foundation") as an individual entity, established and domiciled in Australia. The financial report was authorised for issue on \_\_\_\_\_\_ November 2019 by the board of directors.

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### **Basis of Preparation**

The financial report is a general-purpose financial report that has been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) of the Australian Accounting Standards Board ("AASB") and the requirements of the Charitable Fundraising Act 1991.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions.

Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied by the Foundation unless otherwise stated.

The financial report except for the cashflow, have been prepared on an accrual basis, and are based on historical costs and does not take into account changing money values, except where specifically stated. The amounts presented in the financial statements have been rounded to the nearest dollar.

#### **Accounting Policies**

#### a. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and deposits held at call with banks. Any restricted/non-discretionary funds held have been itemised in note 4.

## b. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the ATO. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense.

Cash flows are presented on a gross basis, The GST component of investing and financing activities, which are recoverable are disclosed as operating cash flows in payments to supplies.

#### Fundraising Activities

#### Charitable Fundraising Act 1991:

The Charitable Fundraising Act 1991 and supporting Charitable Fundraising Regulation 2015 prescribe the way fundraising appeals are conducted, controlled and reported in NSW. The amounts shown in Note I I are in accordance with Authority Conditions, which is issued to Australian Museum Foundation under section 16 of the Charitable Fundraising Act 1991.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Revenue and other income

Revenue is measured at fair value of the consideration received and receivable. Interest income is recognised on a proportional basis considering the interest rates applicable to the financial assets.

All revenue is stated net of the amount of goods and service tax.

#### c. Donations and bequests income

#### General

Donations and bequests are returned as income as and only when the control over the funds have been obtained by the Foundation. Control is usually obtained upon receipt of cash. As specified in the *Charitable Fundraising Act 1991*, unsolicited donations, members' donations and bequests are not treated as fundraising income when determining information required to be reported under the Act. They are treated as gifts under the tax legislation and deposited in Term Deposit Accounts.

#### Restricted

Donations and bequests that are restricted as to the use of the funds are recognised as income in the year ended where the Foundation expends the funds as per the directions of the legal document attached to the donation or bequest.

Consistent with AASB 1058 'Income for Not-for-Profit Entities', an asset and income are only recognised to the extent that a liability is not also recognised. A liability is only recognised to the extent that the present obligations of the restricted donation or bequest have not been satisfied. Funds deemed as non-discretionary by the Trustees are accounted for in the same way.

#### d. Cost of fundraising:

Costs explained in Note 11 include all direct fundraising costs in accordance with the *Charitable Fundraising Act 1991*. The inclusion of indirect costs is discretionary. There are no indirect fundraising costs.

#### e. Income Tax

No provision for income tax has been raised as the Australian Museum Foundation is exempt from income tax under subdivision 50-B of the *Income Tax Assessment Act 1997*.

#### f. Comparatives

The reported Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Equity, and Statement of Cash Flows is for the year ended 30 June 2019. The Foundation changed its financial year end in the year ended 30 June 2018. The comparative financial statements are for the six months to 30 June 2018.

# INDEPENDENT AUDIT REPORT TO THE TRUSTEES OF AUSTRALIAN MUSEUM FOUNDATION

#### **Opinion**

We have audited the financial report of the Australian Museum Foundation ("The Foundation") which comprises the statement of financial position as at 30 June 2019, the statement of profit or loss and other comprehensive income for the year then ended, statement of changes in equity, statement of cash flows and notes to the financial statements, including a summary of significant accounting policies, and the Trustees' declaration.

In our opinion the accompanying financial report of the Australian Museum Foundation is in accordance with;

- a) Division 60 of the Australian Charities and Not-for-Profits Commission Act 2012, including:
  - i giving a true and fair view of the Foundation's financial position as at 30 June 2019 and of its financial performance for the year then ended; and
  - ii complying with Australian Accounting Standards to the extent described in Note 1, and Division 60 the Australian Charities and Not-for-profits Commission Regulation 2013.
- b) the Charitable Fundraising Act 1991, including showing a true and fair view of the Foundation's financial result of fundraising appeals for the year ended 30 June 2019.

### **Basis for opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Foundation in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the Trustees would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# Responsibilities of the Trustees for the Financial Report

The Trustees of the Foundation are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the ACNC Act and the needs of the members. The Trustees responsibility also includes such internal control as the Trustees determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Trustees are responsible for assessing the entities ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the responsible entities either intend to liquidate the Foundation or to cease operations, or have no realistic alternative but to do so. The Trustees are responsible for overseeing the Foundation's financial reporting process.

# Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to
  fraud or error, design and perform audit procedures responsive to those risks, and obtain
  audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of
  not detecting a material misstatement resulting from fraud is higher than for one resulting
  from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations,
  or the overriding of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing
  an opinion on the effectiveness of the registered Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustees.
- Conclude on the appropriateness of Trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entities ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Foundation or business activities within the Foundation to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with Trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### Report on other aspects of the Charitable Fundraising Act 1991

We have audited the Trust's operations in order to express an opinion on the matters specified in section 24(2) of *the Charitable Fundraising Act 1991* for the year ended 30 June 2019.

### Trustee' Responsibility for compliance

The Trustees are responsible for ensuring compliance with the *Charitable Fundraising Act 1991* and the *Charitable Fundraising Regulation 2015*. This responsibility includes establishing and maintaining internal control relevant to compliance, ensuring that all assets obtained during, or as a result of a fundraising event are safeguarded and properly accounted for, and maintaining proper books of account and records.

### Auditor's responsibility

Our responsibility is to express an opinion on matters specified in section 24(2) of the *Charitable Fundraising Act 1991* for the year ended 30 June 2019. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether there were any material breaches of compliance by the Trust.

An audit involves performing procedures to obtain audit evidence about the entity's compliance with the *Charitable Fundraising Act 1991* and the Charitable Fundraising Regulation 2015, and its solvency. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material breaches of compliance. In making those risk assessments, the auditor considers internal control relevant to the entity's compliance in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

Our procedures included examination on a test basis, of evidence supporting the entity's solvency and its compliance with the *Charitable Fundraising Act 1991* and the Charitable Fundraising Regulation 2015. These tests have not been performed continuously throughout the period, were not designed to detect all instances of non-compliance, and have not covered any other provisions of the *Charitable Fundraising Act 1991* and the Charitable Fundraising Regulation 2015, apart from those specified.

#### **Audit opinion**

In our opinion, the financial report of Australian Museum Foundation

- (a) gives a true and fair view of the Foundations financial results of fundraising for the year ended 30 June 2019;
- (b) the accounts comply with Australian Accounting Standards (including Australian Accounting Interpretations) to the extent described in Note 1 and the Trust Deed; and the Charitable Fundraising Act 1991 and regulations;
- (c) monies received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with the Charitable Fundraising Act 1991 and regulations.
