# VISABILITY LIMITED

## Directors Report

The directors present their report, together with the financial statements, on the company for the year ended 30 June 2017.

The following persons were directors of VisAbility Limited during the period and up to the date of this report:

Debbie Schaffer OAM (President and Chairperson)  
David Bevan (Vice President)  
David Ligovich (Treasurer and Company Secretary)  
Jennifer Dawson  
Lorraine Driscoll  
Prof Iain Murray AM  
Helen Smith OAM  
Lana Thompson (resigned on 14/12/2016)  
Kym Georgiou  
Sue Shoobridge  
Scott Marston

## Vision

That people who are blind or vision impaired share a quality of life equal to other Australians.

## Mission

To maximise the quality of life of people who are blind or vision impaired by building confidence, promoting wellness, and creating connection.

## Principal activities

Consistent with its Objectives, during the financial year the principal continuing activities of the company were:

- establishing, financing and maintaining facilities and services to enable people who are blind and vision impaired to maximise their quality of life as members of the general community;
- providing services which develop skills, promote wellbeing, independence and community participation, and which facilitate access to services and information for people who are blind or vision impaired;
- conducting community education and advocacy programs in consultation with Members and clients of the Company and with

## VISABILITY LIMITED

or independently of government and other organisations designed to create an environment free of social, attitudinal, institutional and physical barriers for people with vision impairments; and

- promoting a policy of affirmative action for people who are blind or vision impaired.

### **Objectives**

The company has developed seven strategic objectives, in which our Vision and Values are fundamentally aligned. These strategic objectives will be key drivers in achieving successful outcomes for our consumers and their families who are an integral part of VisAbility. The objectives are as follows:

- **Partnerships:** To strengthen and build strategic partnerships that promote better outcomes for our consumers.
- **Innovation:** To work with the energy of creativity, innovation and entrepreneurialism.
- **Consumer-Driven and People Focused Centred:** To provide consumers with choice and control through consumer centred practice.
- **Technology:** To invest in appropriate integrated technologies that will support the organisation's transformation and the consumers' independence.
- **Unique Defining Brand:** To develop a unique and defining brand that embraces our past, values our present and plans for a sustainable future.
- **Regulatory Standards:** To provide assurance and confidence to our stakeholders, of our service excellence and organisational integrity.
- **Economic Viability:** To sustain and maintain economic viability by securing our current revenue base, creating new revenue streams for sustainable outcomes and managing costs effectively.

## VISABILITY LIMITED

### **Strategy for achieving the objectives**

To achieve these objectives the company has prepared a detailed strategic plan to identify the opportunities and strengths of the company to provide sustainable services. The strategic plan focuses on the 7 strategic objectives and defines how the objectives will be achieved and how their success will be measured.

### **Performance measures**

The following measures are used within the company to monitor performance

- Service outcome measures including referrals, service events and guide dog placements
- Financial measures including surplus compared to budget, cash flows compared to budget and current ratio.

### **Information on directors**

Name: Debbie Schaffer OAM

Title: Non-Executive Chair

Experience and expertise:

Debbie Schaffer has been a member of the Board since 2006 and was elected as President in 2009. Debbie and her family have been generous benefactors to VisAbility and she took on a very significant role on the Major Gifts Committee of the Association's 'Building our Vision Campaign'. Debbie has also been actively involved in the Ear Science Institute Capital Campaign and to date has provided leadership in raising \$8 million for the development of a new Ear Science Institute. Debbie is a Director of the Schaffer Group of Companies and also a Board Director for Guide Dogs Australia.

Special responsibilities:

Member of the Board Audit and Risk Committee

Name: David Bevan

Title: Non-Executive Vice-Chair

Experience and expertise:

David has over 30 years' experience in the development and growth of businesses in the human resources and human services sector. For 14

## VISABILITY LIMITED

years, he was the Managing Director of PVS Workfind; one of Australia's leading and most successful employment service providers. For the past eight years, David has held a Non-Executive Director role in a recruitment and employment services company in Australia and the UK. David currently manages a private investment trust. He joined the Board of VisAbility Limited in 2009.

Special responsibilities:

Member of the Board Audit and Risk Committee

Name: David Ligovich

Title: Non-Executive Treasurer and Company Secretary

Experience and expertise:

David is currently the Chief Financial Officer of Silver Chain Group. As a Chartered Accountant with over 25 years' experience, 11 years internationally with multi-national and global organisations, he has held a variety of responsibilities and roles including Auditor (external and internal), Financial Controller and Chief Financial Officer. David joined VisAbility's Finance and Audit Committee and the Board in 2010 and was appointed as Company Secretary on 17/02/2016.

Special responsibilities:

Chair of the Board Audit and Risk Committee

Name: Jennifer Dawson

Title: Non-Executive Director

Experience and expertise:

Jennifer is totally blind, and with her husband, who is also blind, has raised two children to adulthood. Jennifer has a wealth of experience in access and advocacy. She has held positions on several disability access advisory committees including transport and local government. Jennifer was elected to in 2012, she is also Chair of VisAbility's Consumer Advisory Committee.

Special responsibilities:

None

## VISABILITY LIMITED

Name: Lorraine Driscoll  
Title: Non-Executive Director

### Experience and expertise:

Lorraine is a member of the Chartered Institute of Management Accountants, a Certified Global Management Accountant and an Associate Member of the Australian Institute of Company Directors. Lorraine has proven experience and track record in senior executive positions including Financial Controller for the Body Shop (Ireland) and General Manager positions within Lotterywest. She is currently Director: Corporate and Strategy for the City of Nedlands. Lorraine joined the Board of VisAbility Limited in 2011.

### Special responsibilities:

None

Name: Prof Iain Murray AM  
Title: Non-Executive Director

### Experience and expertise:

Iain is Senior Lecturer in the Department of Electrical & Computer Engineering at Curtin University. Iain's research at Curtin involves development of assistive technology to facilitate learning and literacy for people who are blind and vision impaired. Iain is the founder of the Curtin University Centre for Accessible Technology (CUCAT). Iain joined the Board of VisAbility Limited in 2010.

### Special responsibilities:

None

Name: Helen Smith OAM  
Title: Non-Executive Director

### Experience and expertise:

Helen has over 20 years' experience in the eye health industry. Helen was involved in the establishment of, and was a former Director of the Eye Surgery Foundation (Australia) Pty Ltd. Helen is a Fellow Australian Institute of Management, and a Paul Harris Fellow. Helen joined the Board of VisAbility Limited in 2009.

### Special responsibilities:

None

## VISABILITY LIMITED

Name: Lana Thompson  
Title: Non-Executive Director

### Experience and expertise:

Lana worked at a major stock firm in Perth prior to attending UWA gaining her Bachelor of Arts degree in British History and English. Lana has been on a number of committees and executive bodies relating to the area of blind welfare. Lana joined the Board of VisAbility Limited in 2010 and resigned from her position in December 2016.

### Special responsibilities:

None

Name: Kym Georgiou  
Title: Non-Executive Director

Kym Georgiou brings to the Board her extensive experience as a speech pathologist. In the mental health and disability sectors, through a range of allied health positions, Kym has worked with adults, adolescents and children in hospital and clinic settings as well as private practice. Kym is a Churchill Scholar, a published researcher and has been a member of the Board of Huntingdon's WA. Kym is passionate about supporting and advocating for services that improve the quality of life of children, adolescents and adults with a disability. Kym joined the Board of VisAbility Limited in 2015.

### Special responsibilities:

None

Name: Sue Shoobridge  
Title: Non-Executive Director

Sue Shoobridge was appointed to the board in July 2016 following the merger of Guide Dogs Tasmania with VisAbility. She has been a member of the Guide Dogs Tasmania board since August 2013 and President since February 2015. She is now retired, but during her employment prior to 2015 held executive financial management roles in the finance, agribusiness and government business enterprise sectors. Sue is a Fellow of CPA Australia and a Fellow of the Australian Institute of Company Directors. She is also a member and Vice President of the Tasmanian Divisional Council of CPA Australia.

## VISABILITY LIMITED

Special responsibilities:  
None

Name: Scott Marston  
Title: Non-Executive Director

Scott Marston was appointed to the Board in July 2016 following the merger of Guide Dogs Tasmania with VisAbility. Scott has been a member of the Guide Dogs Tasmania Board since December 2012 and Vice President since February 2015. Scott is currently Deputy CEO TasTAFE and immediately before that was Deputy Secretary with the Tasmanian State Government Department of Premier and Cabinet. Scott has a Bachelor of Business Degree and holds post graduate qualifications in Project Management and Franchising.

Special responsibilities:  
None

### **Meetings of Directors**

During the financial year, 5 meetings of directors were held. Attendances by each director are as follows:

	<b>Directors Meetings</b>	
	Number Eligible to Attend	Number Attended
Debbie Schaffer OAM	5	4
David Bevan	5	2
David Ligovich	5	5
Jennifer Dawson	5	5
Lorraine Driscoll	5	2
Prof Iain Murray AM	5	5
Helen Smith OAM	5	4
Lana Thompson	3	3
Kym Georgiou	5	5
Sue Shoobridge	5	4
Scott Marston	5	5

**VISABILITY LIMITED**

**Contributions on winding up**

In the event of the company being wound up, each member is required to contribute a maximum of \$1.00 each.

On behalf of the directors

A handwritten signature in blue ink, appearing to read "Debbie Schaffer".

---

Debbie Schaffer OAM  
President

Dated this 27<sup>th</sup> day of September 2017  
Perth, Western Australia

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2017**

**1. Summary of Significant Accounting Policies**

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

**(a) Basis of Preparation**

The financial statements are general purpose financial statements which have been prepared in accordance with the requirements of the *Corporations Act 2001*, Australian Accounting Standards Reduced Disclosure Requirements and other authoritative pronouncements of the Australian Accounting Standards Board and the Australian Charities and Not for Profit Commission Act 2012. A Statement of Compliance with the International Financial Reporting Standards ('IFRS') as issued by the International Accounting Standards Board ('IASB') cannot be made due to VisAbility applying not-for-profit specific requirements contained in the Australian Accounting Standards.

The directors have determined that VisAbility Limited is permitted to apply the Tier 2 reporting requirements (Australian Accounting Standards – Reduced Disclosure Requirements) as set out in AASB 1053 Application of Tiers of Australian Accounting Standards because it is a not-for-profit private sector entity that does not have public accountability. As such, the directors have early adopted AASB 1053 and AASB 2010-2 Amendments to Australian Accounting Standards Arising from Reduced Disclosure Requirements from 1 July 2010.

The financial report has been prepared on an accrual basis and is based on historical costs. It does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgments, estimates and assumption on historical experience and on other various factors, including expectations of future events, management believes to

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2017**

be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimate and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to respective notes) within the next financial year are discussed below.

*Estimation of useful lives of assets*

VisAbility Limited determines the estimated useful lives and related depreciation charges for its property, plant and equipment. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

*Employee benefits provision*

As discussed in note 1 (m), the liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

*Income received in advance*

A liability is raised for income received in advance where grants or donations are received with conditions attached that specify the areas the money shall be spent or services which must be delivered that must be fulfilled. As and when the services and conditions are met the corresponding income is recognised.

*Available-for-sale investments*

VisAbility follows the guidance of AASB 139 Financial Instruments: Recognition and Measurement to determine when an available-for-sale financial asset is impaired. This determination requires significant judgement. In making this judgement, the Company evaluates, among other factors, the duration and extent to which the fair value of an investment is less than its cost.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2017**

*Business combination*

Acquisition of businesses requires estimation of the fair value of the consideration transferred (including contingent consideration if any) and fair value of the assets acquired and liabilities assumed.

**(b) Revenue Recognition**

Revenue from the sale of goods and services is recognised upon the delivery of the goods or services to customers, and when it is probable that the economic benefit will flow to the organisation. Revenue is measured at the fair value of the consideration received or receivable.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Revenue from bequests and donations is not brought to account until the organisation is virtually certain of the income and of compliance with all attached conditions, if any.

Grants are recognised at their fair value where there is a reasonable assurance that the grant will be received and VisAbility will comply with all attached conditions.

Grants relating to costs are deferred and recognised in the statement of profit or loss and other comprehensive income over the period necessary to match them with the costs that they are intended to compensate.

Grants relating to the purchase of plant and equipment or redevelopment of land and buildings are credited to the statement of profit or loss and other comprehensive income.

All revenue is stated net of the amount of goods and services tax (GST).

**(c) Income Tax**

VisAbility is exempt from payment of income tax pursuant to Section 50-5 of the Income Tax Assessment Act 1997.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2017**

**(d) Leases**

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor and not the organisation as lessee, are charged as expenses in the periods in which they are incurred.

Lease income from operating leases where the organisation is a lessor is recognised in income on a straight-line basis over the lease term.

**(e) Impairment of Assets**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows. These are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at each reporting date.

**(f) Cash and Cash Equivalents**

For statement of cash flows presentation purposes, cash and cash equivalents includes: cash on hand; deposits held at call with financial institutions; other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the statement of financial position.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2017**

**(g) Trade and Other Receivables**

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for impairment. Trade receivables are due for settlement no more than 30 days from the date of recognition.

Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off by reducing the carrying amount directly. An allowance account (provision for impairment of trade receivables) is established when there is objective evidence that VisAbility will not be able to collect all amounts due according to the original terms of receivables. Significant financial difficulties of the debtor, probability that the debtor will enter bankruptcy or financial reorganisation, and default or delinquency in payments (more than 30 days overdue) are considered indicators that the trade receivable is impaired. The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. Cash flows relating to short term receivables are not discounted if the effect of the discounting is immaterial.

The amount of the impairment loss is recognised in the statement of profit or loss and other comprehensive income within costs of sales. When a trade receivable for which an impairment allowance had been recognised, becomes uncollectible in a subsequent period, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against other expenses in the statement of profit or loss and other comprehensive income.

**(h) Inventories**

Finished goods are stated at the lower of cost and net realisable value. Costs are assigned to individual items of inventory on the basis of weighted average costs. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2017**

**(i) Property Plant and  
Equipment**

All property, plant and equipment is stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to VisAbility and the cost of the item can be measured reliably. Repairs and maintenance are charged to the statement of profit or loss and other comprehensive income during the reporting period in which they are incurred.

Land is not depreciated. Depreciation on other assets is calculated using the straight-line method to allocate their cost or revalued amounts, net of their residual values, over their estimated useful lives, as follows:

Buildings	40 years
Equipment Funded by Grants	1 year
Loan Equipment	1 year
Motor Vehicles	5 years
Plant and Equipment	5 years
IT Hardware	3 years
IT Software	5 years

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each reporting date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the statement of profit or loss and other comprehensive income.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2017**

**(j) Trade and Other Payables**

These amounts represent liabilities for goods and services provided to VisAbility prior to the end of the financial year, which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

**(k) Borrowings**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and redemption amount, is recognised in the statement of comprehensive income over the period of the borrowing, using the effective interest method.

**(l) Provisions**

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the reporting date. The discount rate used to determine the present value reflects current market assessments of the time value of money and the risks specific to the liability.

**(m) Employee Benefits**

*Wages and salaries and annual leave*

Liabilities for wages and salaries, including non-monetary benefits, and annual leave expected to be settled within 12 months of the reporting date' are recognised in other payables in respect of employees' services up to the reporting date. They are measured at the amounts expected to be paid when the liabilities are settled.

*Long service leave*

A liability for long service leave is recognised, and is measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date. Consideration is given to expected future wage and salary levels, experience of

## VISABILITY LIMITED

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2017

employee departures, and the probability of employees reaching the required period of service to take long service leave.

Regardless of when settlement is expected to occur, liabilities for long service leave and annual leave are presented as current liabilities in the statement of financial position if the entity does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period.

#### **(n) Goods and Services Tax**

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the Australian Taxation Office is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the taxation authority, are presented as operating cash flows.

#### **(o) Rounding of Amounts**

Amounts in the financial report have been rounded off to the nearest dollar.

#### **(p) Comparative Figures**

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2017**

**(q) Business Combination**

The acquisition method of accounting is used to account for all business combinations, regardless of whether equity instruments or other assets are acquired. The consideration transferred for the acquisition comprises the fair values of the assets transferred, the liabilities incurred and the equity interests issued by the group. The consideration transferred also includes the fair value of any asset or liability resulting from a contingent consideration arrangement and the fair value of any pre-existing equity interest in the subsidiary. Acquisition-related costs are expensed as incurred.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date. On an acquisition-by-acquisition basis, the group recognises any non-controlling interest in the acquiree either at fair value or at the non-controlling interest's proportionate share of the acquiree's net identifiable assets.

The excess of the consideration transferred and the amount of any non-controlling interest in the acquiree over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the subsidiary acquired and the measurement of all amounts has been reviewed, the difference is recognised directly in profit or loss as a bargain purchase or equity in certain circumstances involving merger of other charitable entities with no consideration involved.

**(r) Merger of not-for-profit entity**

The company adopts the pooling of interests method to account for merger of entities with the company.

The pooling of interest method involves the following:

- The assets and liabilities of the combining entities are reflected at their carrying amounts prior to the combination;
- No adjustments are made to reflect fair values, or recognise any new assets or liabilities, that would otherwise be done under the acquisition

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2017**

method. The only adjustments that are made are to harmonise accounting policies;

- No 'new' goodwill is recognised as a result of the combination; and
- The only goodwill that is recognised is any existing goodwill relating to either of the combining entities. Any difference between the consideration paid/transferred (including liabilities assumed) and the entity 'acquired' is reflected within the equity under merger reserve.

The Statement of Profit or Loss and Other Comprehensive Income reflects the result of the combining entities from the date that the combination occurred. Financial information for the periods prior to the date the combination occurred is not restated.

**(s) Investments**

Available-for-sale financial assets are measured at fair value plus any directly attributable transaction costs. Subsequent to initial recognition, they are measured at fair value and changes therein, other than impairment losses are recognised in other comprehensive income and accumulated in the revaluation reserve. When these assets are derecognised, the gain or loss accumulated in equity is reclassified to profit or loss.

**(t) New, revised or amending Accounting Standards and Interpretations Adopted**

VisAbility Limited has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Certain new accounting standards and interpretations have been published that are not mandatory for 30 June 2017 reporting periods and have not been early adopted by the company. The company's assessment of the impact of these new standards and interpretations is set out below.

**VISABILITY LIMITED**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2017**

<b>Standard Name</b>	<b>Effective date for entity</b>	<b>Requirements</b>
AASB 16 Leases	1 <sup>st</sup> January 2019	This standard will replace the current accounting requirements applicable to leases in AASB 17: Leases and related interpretations. AASB 16 introduces a single lease accounting model that eliminates the requirements to be classified as operating or finance leases.
AASB 15 Revenue from Contracts with Customers	1 <sup>st</sup> January 2018	The standard shifts the focus from the transaction-level to a contract-based approach. Recognition is determined based on what the customer expects to be entitled to (rights and obligations), while measurement encompasses estimation by the entity of the amount expected to be entitled for performing under the contract.
AASB 9 Financial Instruments	1st January 2018	AASB 9 replaces AASB 139: Financial Instruments: Recognition and Measurement. The objective of this Standard is to establish principles for the financial reporting of financial assets and financial liabilities that will present relevant and useful information to users of financial statements for their assessment of the amounts, timing and uncertainty of an entity's future cash flows.
AASB 1058 Income of Not-for- profit Entities	1 <sup>st</sup> January 2019	This Standard is applicable to transactions that do not arise from enforceable contracts with customers involving performance obligations. The significant accounting requirements of AASB 1058 are as follows: <ul style="list-style-type: none"> <li>- Income arising from an excess of the initial carrying amount of an asset over the related contributions by owners, increases in liabilities, decreases in assets and revenue should be immediately recognised in profit or loss. For this purpose, the assets, liabilities and revenue are to be measured in accordance with other applicable standards.</li> <li>- Liabilities should be recognised for the excess of the initial carrying amount of a financial asset (received in a</li> </ul>

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2017

		<p>transfer to enable the entity to acquire or construct a recognisable non-financial asset that is to be controlled by the entity) over any related amounts recognised in accordance with the applicable Standards. The liabilities must be amortised to profit or loss as income when the entity satisfies its obligations under the transfer.</p> <p>An entity may elect to recognise volunteer services or a class of volunteer services as an accounting policy choice if the fair value of those services can be measured reliably, whether or not the services would have been purchased if they had not been donated. Recognised volunteer services should be measured at fair value and any excess over the related amounts (such as contributions by owners or revenue) immediately recognised as income in profit or loss.</p> <p>The transitional provisions of this Standard permit an entity to either: Restate the contracts that existed in each prior period presented in accordance with AASB 108 (subject to certain practical expedients); or recognise the cumulative effect of retrospective application to incomplete contracts on the date of initial application. For this purpose, a completed contract is a contract or transaction for which the entity has recognised all of the income in accordance with AASB 1004: Contributions. Although the directors anticipate that the adoption of AASB 1058 may have an impact on the company's financial statements it is impracticable at this stage to provide a reasonable estimate of such impact</p>

**(a) Impaired trade receivables**

As at 30 June 2017, VisAbility's current trade receivables with a nominal value of \$49,835 (2016: \$25,096) were impaired. No additional provision was expensed. The individually impaired receivables relate to amounts overdue by more than three months. A portion of the receivables is expected to be recovered.

The ageing of these receivables is as follows:

	<b>2017</b>	<b>2016</b>
	\$	\$
Over 3 months	49,835	25,096

Movements in the provision for impairment of receivables are as follows:

	<b>2017</b>	<b>2016</b>
	\$	\$
At 1 July	53,229	59,295
Provision for impairment recognised during the year	-	-
Receivables written off during the year as uncollectible	-	(6,066)
Total provision for impairment of receivables	<b>53,229</b>	<b>53,229</b>

The creation and release of the provision for impaired receivables has been included in 'other expenses' in the statement of profit or loss and other comprehensive income. Amounts charged to the allowance account are generally written off when there is no expectation of recovering additional cash.

No matter or circumstance has arisen subsequent to the reporting date that has significantly affected, or may significantly affect, VisAbility's operations, results or state of affairs in future financial years.

**19. Contingent Liabilities**

There are no known contingent liabilities at reporting date, (2016: Nil).

## STATEMENT BY THE BOARD OF DIRECTORS

In the opinion of the Board of Directors of VisAbility Limited:

1. The attached financial statements and notes comply with the Corporations Act 2001, the Australian Accounting Standards - Reduced Disclosure Requirements and the Australian Charities and Not-for-profits Commission Act 2012 and other mandatory professional reporting requirements;
2. The attached financial statements and notes give a true and fair view of the company's financial position as at 30 June 2017 and of its performance for the financial year ended on that date; and
3. There are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of directors made pursuant to subdivision 60.15(2) of the Australian Charities and Not-for-profits Commission Regulation 2013.

On behalf of the directors

Debbie Schaffer OAM, President

David Ligovich FCA, Treasurer

Dated at Perth this 27<sup>th</sup> day of September 2017

## INDEPENDENT AUDITOR'S REPORT

To the members of VisAbility Limited

### Report on the Audit of the Financial Report

#### Qualified Opinion

We have audited the financial report of VisAbility Limited, which comprises the statement of financial position as at 30 June 2017, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial report, including a summary of significant accounting policies, and the responsible entities' declaration.

In our opinion except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the accompanying financial report of VisAbility Limited, is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (i) Giving a true and fair view of the registered entity's financial position as at 30 June 2017 and of its financial performance for the year then ended; and
- (ii) Complying with Australian Accounting Standards - Reduced Disclosure Requirements and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

#### Basis for Qualified Opinion

Cash donations are a significant source of revenue for VisAbility Limited. VisAbility Limited has determined that it is impracticable to establish control over the collection of cash donations prior to entry into its financial records. Accordingly, as the evidence available to us regarding revenue from this source was limited, our audit procedures with respect to cash donations had to be restricted to the amounts recorded in the financial records amounting to \$3,017,637 (2016: \$ 2,051,042). We therefore are unable to express an opinion whether cash donations VisAbility Limited recorded are complete.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the Financial Report section of our report. We are independent of the registered entity in accordance with the auditor independence requirements of the Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act) and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

### **Other information**

Those charged with governance are responsible for the other information. The other information obtained at the date of this auditor's report is information included in the VisAbility Limited's annual report, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of responsible entities for the Financial Report**

The responsible entities of the registered entity are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the ACNC Act, and for such internal control as the responsible entities determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, responsible entities are responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the responsible entities either intends to liquidate the registered entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the registered entity's financial reporting process.

### **Auditor's responsibilities for the audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website (<http://www.auasb.gov.au/Home.aspx>) at:

[http://www.auasb.gov.au/auditors\\_responsibilities/ar4.pdf](http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf)

This description forms part of our auditor's report.
