Directors' Report

30 June 2016

Your directors present their report, together with the financial statements of the consolidated Group (EWB), being Engineers Without Borders Australia Limited (the Company) and its controlled entity Engineers Without Borders Foundation, for the financial year ended 30 June 2016.

Directors

The names of the directors in office at any time during, or since the end of, the year are:

Names	Appointed/Resigned
Samuel Redmond	Resigned 3 July 2015
Phil Clark	Resigned 2 July 2016
Kaj Lofgren	Resigned 19 November 2015
Catherine Pepper	
Alexandra Randall-L'Estrange	
Gavin Ross Blakey	
Corinne Wallis	Appointed 3 July 2015
Kenneth Peter Bowtell	Appointed 17 August 2015
Stephen May	Appointed 2 September 2015
Michael Shewan	Appointed 27 January 2016
Jeremy Chenoweth	Appointed 24 June 2016
Margarita Moya	Appointed 24 June 2016

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

Information on directors

Samuel Redmond	
Qualifications	B Eng (Aerospace), B Bus (Administration)
Phil Clark	
Qualifications	B Eng, MBA, MAICD
Kaj Lofgren	
Qualifications	B.Eng (Civil), BA
Catherine Pepper	
Qualifications	B.Eng(Environmental) Hons, BA, Grad Dip Urban & Regional Planning, Cert IV TAE, GAICD, MIEAust
Alexandra Randall-L'Estrange	
Qualifications	B.Eng (Environmental) Hons, Cert IV in BusAdmin
Gavin Ross Blakey	
Qualifications	BE (Hons), MBA (Technology Management), FIEAust, CPEng, RPEQ
Corinne Wallis	
Qualifications	MBA, AdvDipEng(Elec), AAIPM

Margarita Moya

Qualifications

B Eng (Industrial Chemistry) / B Arts

Principal activities

The principal activities of the consolidated Group during the financial year were:

- Working in partnership to address a lack of access to basic human needs such as clean water, sanitation and hygiene, energy, basic infrastructure, waste systems, information communication technology and engineering education.
- Educating and training Australian students, engineers and the wider community on issues including sustainable development, appropriate technology, poverty and the power of humanitarian engineering.
- Leading a movement of like-minded people with strong values and a passion for humanitarian engineering within Australia and overseas.
- Fundraising to support the above activities.

No significant change in the nature of these activities occurred during the year.

Short-term and long-term objectives

Mission statement

We connect, educate and empower people through humanitarian engineering.

Vision statement

Everyone has access to the engineering knowledge and resources required to lead a life of opportunity, free from poverty.

Directors' Report

30 June 2016

Strategic aims and objectives

External Aims:

1. Solutions for social change: We will enable appropriate solutions to alleviate poverty and accelerate inclusive, sustainable development through engineering and technology.
 - i) Objective 1.1: Facilitate access to appropriate and community-centered engineering services, infrastructure and technology for poor and marginalised communities.
 - ii) Objective 1.2: Strengthen the capacity of individuals, community organisations, institutions, governments and businesses to access, deliver and sustain transformative engineering solutions and technology for the benefit of poor and marginalised communities.
 - iii) Objective 1.3: Influence the institutions and systems through which engineering solutions, infrastructure and technology are delivered to maximise the positive social outcomes for communities.
 - iv) Objective 1.4: Create well-connected and supported education and employment pathways in the engineering sector for poor and marginalised communities.
 - v) Objective 1.5: Create well-connected and supported education and employment pathways in the engineering sector for poor and marginalised communities.
2. Redefining engineering: we will redefine engineering as a community-centred profession that provides leadership in the creation of a more sustainable and inclusive world.
 - i) Objective 2.1: Inspire, educate and train students and practitioners in the local and global application of engineering and technology for positive social change.
 - ii) Objective 2.2: Embed a culture of community-centred design and practice in the engineering professions in which we work, through all aspects of business including shared value creation, pro bono work and volunteering.
 - iii) Objective 2.3: Improve transparency and accountability regarding the social impact of engineering services, infrastructure and technology, facilitate sharing of effective practice and celebrate the positive impact the profession has on society.
3. A global movement: we will inspire and mobilise a global community in engineering.
 - i) Objective 3.1: Inspire, connect and empower engineers and their organisations around the world to participate in a global movement based on the shared vision that "Every engineer can be an agent of change to create a just and sustainable society."
 - ii) Objective 3.2: Mobilise the engineering professions in which we work to play a leadership role in ending poverty and creating inclusive, sustainable communities.
 - iii) Objective 3.3: Learn from, work with and build the capacity of like-minded organisations around the world to contribute towards ending poverty and accelerating inclusive, sustainable development.

Internal Aims:

1. Investing in our people change: We will invest in our people and build our culture of passion, purpose and impact.
 - i) Objective 1.1: Lead, empower and grow the size of the EWB membership base, as enablers of the humanitarian engineering movement.
 - ii) Objective 1.2: Strengthen and create new, diverse and well-supported pathways for volunteers to contribute towards the EWB mission and vision.
 - iii) Objective 1.3: Build the skills, experience, knowledge and diversity of our volunteers, staff and Board to effectively implement our work.
 - iv) Objective 1.4: Proactively foster a diverse EWB community that includes people of varied age and experience, gender and ethnicity.

Directors' Report

30 June 2016

Strategic aims and objectives continued

2. Transforming our systems: We will improve the impact of our work and the systems and tools we use to support our operations.
 - i) Objective 2.1: Improve our monitoring, evaluation, reporting and communication of the impact of our work.
 - ii) Objective 2.2: Develop and hold ourselves accountable to performance indicators (measures) for each of our aims & objectives and each program we deliver.
 - iii) Objective 2.3: Invest in integrated business systems, technologies and processes that improve our effectiveness and efficiency.
 - iv) Objective 2.4: Integrate learning processes into program delivery and operations, including strategic sharing of lessons learned and communication of failures.
 - v) Objective 2.5: Improve the transparency and accountability of our management systems (policies, processes and practices).
3. Growing our resources: We will increase our financial and social capital.
 - i) Objective 3.1: Grow our current sources of income and find new and creative ways to generate untied income that align with our mission and vision and enable us to increase the impact of our work.
 - ii) Objective 3.2: Increase and diversify the capability (skills, experience, knowledge) of the EWB team.
 - iii) Objective 3.3: Leverage meaningful pro bono and volunteer opportunities to maximise the impact of our work and the efficiency with which we use our resources.
 - iv) Objective 3.4: Prioritise our programs, renew and reposition our resources and practices to increase our impacts.
4. Increasing our Profile: We will build our profile, influence and support base.
 - i) Objective 4.1: Grow the recognition of the EWB brand in Australia and the regions in which we work with a focus on the organisation's impact through systemic change and innovation.
 - ii) Objective 4.2: Build the capacity of EWB people to undertake and influence activities.
 - iii) Objective 4.3: Expand the EWB community and network of supporters who champion the organisation's mission and vision and influence others to support the humanitarian engineering cause.

Key performance measures

EWB measures its own performance through the use of both quantitative and qualitative benchmarks. The benchmarks are used by the directors to assess the financial sustainability of the organisation and whether the organisation's short-term and long-term objectives are being achieved. EWB is currently implementing a formal monitoring, evaluation, reporting and improvement (MERI) framework across all EWB programs and initiatives.

Members guarantee

The Company is incorporated under the *Corporations Act 2001* and is a Company limited by guarantee. If the Company is wound up, the constitution states that each member is required to contribute a maximum of \$2 each towards meeting any outstanding obligations of the Company. At 30 June 2016, the maximum amount that members of the Company are liable to contribute if the Company is wound up is \$ 2,042 (2015: \$ 2,462).

Directors' Report

30 June 2016

Meetings of directors

During the financial year, 7 meetings of directors were held. Attendances by each director during the year were as follows:

	Directors' Meetings	
	Number eligible to attend	Number attended
Samuel Redmond	-	-
Phil Clark	7	7
Kaj Lofgren	3	3
Catherine Pepper	7	7
Alexandra Randall-L'Estrange	7	6

Auditor's independence declaration

The auditor's independence declaration as required under s.60-40 of the *Australian Charities and Not-for-profits Commission Act 2012*, for the year ended 30 June 2016 has been received and can be found on page 6 of the financial statements.

Signed in accordance with a resolution of the Board of Directors:

Director: 
Alexandra Randall-L'Estrange

Director: 
Gavin Ross Blakey

Dated this 17th day of November 2016

Engineers Without Borders Australia

Auditors Independence Declaration to the Directors of Engineers Without Borders Australia

In accordance with the requirements of section 60-40 of the *Australian Charities and Not-for-profits Commission Act 2012*, as auditor for the audit of the consolidated Group for the year ended 30 June 2016,

I declare that, to the best of my knowledge and belief there have been no contraventions of:

- (i) the auditor independence requirements as set out in the *Australian Charities and Not-for-Profits Commission Act 2012* in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

Engineers Without Borders Australia

Notes to the Financial Statements

For the Year Ended 30 June 2016

These are the consolidated financial statements of Engineers Without Borders Australia (the Consolidated Group, EWB) comprising Engineers Without Borders Australia Limited (ABN 13 103 896 920) incorporated and domiciled in Australia and Engineers Without Borders Foundation (ABN 25 394 403 069) a controlled entity. The Consolidated Group operates as a not-for-profit organisation.

1 Summary of Significant Accounting Policies

a Basis of preparation

Engineers Without Borders Australia Limited is a company limited by guarantee and applies Australian Accounting Standards – Reduced Disclosure Requirements as set out in AASB 1053: *Application of Tiers of Australian Accounting Standards* and AASB 2010–2: *Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements*.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements of the Australian Accounting Standards Board (AASB) and the *Australian Charities and Not-for-Profits Commission Act 2012*. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

b Principles of Consolidation

The consolidated financial statements include the financial position and performance of controlled entities from the date on which control is obtained until the date that control is lost.

Intragroup assets, liabilities, equity, income, expenses and cashflows relating to transactions between entities in the consolidated entity have been eliminated in full for the purpose of these financial statements.

Both Engineers Without Borders Australia Limited and Engineers Without Borders Foundation have a June financial year end.

c Income tax

The entities in the group are exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*. Accordingly, the Consolidated Group does not record any income tax expense nor deferred income tax balances.

Notes to the Financial Statements

For the Year Ended 30 June 2016

1 Summary of Significant Accounting Policies continued

d Revenue and other income

Revenue for grant and other reciprocal income is recognised as services are performed (via the proportionate delivery of services) or when conditions are fulfilled, and at year-end a liability is recognised for those amounts where conditions are not satisfied. Revenue for non-reciprocal income is recognised when the right to receive the revenue has been established.

Rental income arising from operating leases on subleasing of leased property is accounted for on a straight-line basis over the lease terms and is included in revenue in the statement of profit or loss due to its operating nature.

In-kind donations and volunteer support are not included in the financial statements due to uncertainties relating to their reliable measurement which preclude meaningful disclosure.

Other revenue is recognised when received.

All revenue is stated net of the amount of goods and services tax (GST).

e Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the consolidated statement of financial position are shown inclusive of GST.

f Leases

Lease payments for operating leases, where substantially all of the risks and benefits remain with the lessor, are charged as expenses on a straight-line basis over the life of the lease term.

Lease incentives under operating leases are recognised as an asset and a liability. The asset is amortised over the rent free period and the liability is amortised after the rent free period to the end of the lease term.

g Financial instruments

The Group does not engage in complex or sophisticated financial instruments and do not warrant specific and detailed explanatory notes.

h Impairment of assets

At the end of each reporting period, the Consolidated Group assesses whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in surplus or deficit, unless the asset is carried at a revalued amount in accordance with another Accounting Standard (eg in accordance with the revaluation model in AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Accounting Standard.

Notes to the Financial Statements

For the Year Ended 30 June 2016

1 Summary of Significant Accounting Policies continued

i Comparative figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

j Property, Plant and Equipment

Each class of property plant and equipment is carried at cost or fair value less, where applicable, any accumulation depreciation and impairment losses.

k Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks and other short-term highly liquid investments.

l Employee benefits

Provision is made for the company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and annual leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

m Trade and other receivables

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

n Provisions

Provisions are recognised when there exists a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

o Trade and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

p Critical accounting estimates and judgments

The directors evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Consolidated Group.

Notes to the Financial Statements

For the Year Ended 30 June 2016

1 Summary of Significant Accounting Policies continued

q New accounting standards for application in future periods

Accounting Standard and Interpretations issued by the AASB that are not yet mandatorily applicable to the company, together with an assessment of the potential impact of such pronouncements on the Consolidated Group when adopted in future periods, is discussed below:

- AASB 15: Revenue from Contracts with Customers (applicable to annual reporting periods commencing on or after 1 January 2018).

When effective, this Standard will replace the current accounting requirements applicable to revenue with a single, principles based model. Except for a limited number of exceptions, including leases, the new revenue model in AASB 15 will apply to all contracts with customers as well as non monetary exchanges between entities in the same line of business to facilitate sales to customers and potential customers.

The core principle of the Standard is that an entity will recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for the goods or services. To achieve this objective, AASB 15 provides the following five step process:

- identify the contract(s) with a customer;
- identify the performance obligations in the contract(s);
- determine the transaction price;
- allocate the transaction price to the performance obligations in the contract(s); and
- recognise revenue when (or as) the performance obligations are satisfied.

This Standard will require retrospective restatement, as well as enhanced disclosures regarding revenue.

Although the directors anticipate that the adoption of AASB 15 may have an impact on the Consolidated Group's financial statements, it is impracticable at this stage to provide a reasonable estimate of such impact.

Engineers Without Borders Australia

Directors' Declaration

In accordance with a resolution of the directors of Engineers Without Borders Australia Limited, we declare that:

1. The consolidated financial statements and notes, as set out on pages 7 to 19, are in accordance with the *Australian Charities and Not-for-Profits Commission Act 2012* and:
 - (a) comply with Australian Accounting Standards – Reduced Disclosure Requirements and the *Australian Charities and Not-for-Profits Commission Act 2012*; and
 - (b) and gives a true and fair view of the Consolidated Group financial position as at 30 June 2016 and of its performance for the year ended on that date.
2. In the directors' opinion, there are reasonable grounds to believe that the Consolidated Group will be able to pay its debts as and when they become due and payable.

Engineers Without Borders Australia

Independent Audit Report to the members of Engineers Without Borders Australia

Report on the Financial Statements

We have audited the accompanying financial report of Engineers Without Borders Australia, which comprises the consolidated statement of financial position as at 30 June 2016, the consolidated statement of surplus and deficit and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the consolidated entity.

Directors' Responsibility for the Financial Report

The directors of Engineers Without Borders Australia Limited are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the *Australian Charities and Not-for-Profits Commission Act 2012* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Consolidated Group's preparation of the financial statements that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Consolidated Group's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Engineers Without Borders Australia

Independent Audit Report to the members of Engineers Without Borders Australia

(Continued)

Independence

In conducting our audit, we have complied with the independence requirements of the *Australian Charities and Not-for-Profits Commission Act 2012*. We confirm that the independence declaration required by the *Australian Charities and Not-for-Profits Commission Act 2012*, which has been given to the directors of Engineers Without Borders Australia Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

Bases for Qualified Opinion

As is common for not-for-profit organisations, it is not practicable for the Consolidated Group to maintain an effective system of internal control over donations and other voluntary income, until their initial entry in the accounting records. Accordingly, our audit on the Consolidated Group's revenue was limited in this regard and therefore we are unable to express an opinion whether revenue including donations and other voluntary income is complete.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the consolidated financial statements of Engineers Without Borders Australia is in accordance with the *Australian Charities and Not-for-Profits Commission Act 2012*, including:

- (a) giving a true and fair view of the Consolidated Group's financial position as at 30 June 2016 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards - Reduced Disclosure Requirements and the *Australian Charities and Not-for-Profits Commission Act 2012*.
