DIRECTORS' REPORT

Your directors present this report on the entity for the financial year ended 31 December 2021.

Directors

The names of each person who has been a director during the year and to the date of this report are:

W. Franklin Graham III

Karl E. Faase

Wendy J. Francis

Paul L. Molyneux

Paul T. Saber

Gary W. Lundstrom - Alternate Director for W. Franklin Graham III (Appointed 23 June 2021)

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

Principal Activities

The principal activities of the company during the financial year were to foster evangelistic efforts throughout Australia.

There were no significant changes in the nature of the company's principal activities during the current financial year.

Short-term and Long-term Objectives

The entity's short-term objectives are to foster evangelistic efforts throughout Australia, distribute Decision monthly magazines and work with churches to spread the gospel of Jesus Christ.

The entity's long-term objectives are to support and extend the evangelistic calling and ministry of Franklin Graham by proclaiming the Gospel of the Lord Jesus Christ by every effective means available and by equipping the church and others to do the same.

Strategies

To achieve its stated objectives, the entity has adopted the following strategies:

- Transmit, spread, propagate and communicate the Gospel of the Lord Jesus Christ by any means the directors decide including, but without limitation by:
 - (a) television, film, video, internet, computer, tape, disc or digital recordings, or any electronic, telephonic or digital methods of recording, reproduction or communication;
 - (b) newspapers, periodicals, advertisements, posters, books or leaflets or other printed materials; and
 - (c) public meetings, rallies, lectures, conferences, forums, services, sermons, addresses, speeches, interviews, appearances, missions or other public or private means of communication in person.
- By having a responsible Board of Directors who meet to establish policies, approve budgets, and review operational results and ministry accomplishments.

Key Performance Measures

The entity measures its performance through the use of both quantitative and qualitative benchmarks. The benchmarks are used by the directors to assess the financial sustainability of the company and whether the entity's short-term and long-term objectives are being achieved.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021

Note 1 Summary of Significant Accounting Policies

The financial statements covers for The Billy Graham Evangelistic Association Limited as an individual religious not-for-profit entity and incorporates New Zealand Branch operations. The Billy Graham Evangelistic Association is not-for-profit company limited by guarantee, incorporated and domiciled in Australia.

The principal activities of the company during the course of the year were to foster evangelistic efforts throughout Australia, distribute Decision monthly magazines and work with churches to spread the gospel of Jesus Christ.

Basis of Preparation

The Billy Graham Evangelistic Association Limited applies Australian Accounting Standards – Reduced Disclosure Requirements as set out in AASB 1053: Application of Tiers of Australian Accounting Standards.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements of the Australian Accounting Standards Board (AASB) and the Australian Charities and Not-for-Profits Commission Act 2012. The entity is a Not-for-Profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

The financial statements were authorised for issue on 27 May 2022 by the directors of the company.

Accounting Policies

(a) Revenue

Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the entity and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised.

When project revenue is received whereby the entity incurs an obligation to deliver economic value for the project, the revenue is recognised in the statement of financial position as a liability until the service has been delivered for that project. Otherwise, project revenue is recognised as income on receipt.

All revenue is stated net of the amount of goods and services tax (GST).

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

(b) Plant and Equipment

Each class of Plant and Equipment is carried at cost or fair value as indicated, less, where applicable, accumulated depreciation and any impairment losses.

Plant and Equipment

Plant and Equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of Plant and Equipment is greater than the estimated recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount and impairment losses are recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset.

Plant and Equipment that have been contributed at no cost, or for nominal cost, are valued and recognised at the fair value of the asset at the date it is acquired.

THE BILLY GRAHAM EVANGELISTIC ASSOCIATION LIMITED
ABN: 25 000 268 333

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021

Depreciation

The depreciable amount of all fixed assets is depreciated on a straight-line basis over the asset's useful life to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Furniture & Equipment	20 - 40 %
Motor Vehicles	22.50%
Software	20 - 40 %

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss in the period in which they arise. Gains are not classified as revenue.

(c) Leases

The Entity as Lessee

At inception of a contract, the entity assesses if the contract contains or is a lease. If there is a lease present, a Right-of-Use Asset and a corresponding lease liability is recognised by the entity where the entity is a lessee. However all contracts that are classified as short-term leases (lease with remaining lease term of 12 months or less) and leases of low value assets are recognised as an operating expense on a straight-line basis over the term of the lease.

Initially the lease liability is measured at the present value of the lease payments still to be paid at commencement date. The lease payments are discounted at the interest rate implicit in the lease. If this rate cannot be readily determined, the entity uses the incremental borrowing rate.

Lease payments included in the measurement of the lease liability are as follows:

- fixed lease payments less any lease incentives;
- variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date;
- the amount expected to be payable by the lessee under residual value guarantees;
- the exercise price of purchase options, if the lessee is reasonably certain to exercise the options;
- lease payments under extension options if lessee is reasonably certain to exercise the options; and
- payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease

The Right-of-Use Assets comprise the initial measurement of the corresponding lease liability as mentioned above, any lease payments made at or before the commencement date as well as any initial direct costs. The subsequent measurement of the right-of-use assets is at cost less accumulated depreciation and impairment losses.

Right-of-Use Assets are depreciated over the lease term or useful life of the underlying asset whichever is the shortest.

Where a lease transfers ownership of the underlying asset or the cost of the right-of-use asset reflects that the entity anticipates to exercise a purchase option, the specific asset is depreciated over the useful life of the underlying asset.

(d) Impairment of Assets

At the end of each reporting period, the entity reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, is compared to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in profit or loss.

(e) Employee Benefits

Short-Term Employee Benefits

Provision is made for the company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The company's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as part of current trade and other payables in the statement of financial position.

THE BILLY GRAHAM EVANGELISTIC ASSOCIATION LIMITED
ABN: 25 000 268 333

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021

Other Long-Term Employee Benefits

The entity classifies employees' long service leave and annual leave entitlements as other long-term employee benefits as they are not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Provision is made for the company's obligation for other long-term employee benefits, which are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on high quality corporate bonds that have maturity dates that approximate the terms of the obligations. Upon the remeasurement of obligations for other long-term employee benefits, the net change in the obligation is recognised in profit or loss classified under employee benefits expense.

The company's obligations for long-term employee benefits are presented as non-current liabilities in its statement of financial position, except where the entity does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current liabilities.

(f) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

(g) Inventories

Inventories held for sale are goods carried at the lower of cost allocated and net realisable value.

(h) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

(i) Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

(j) Critical Accounting Estimates and Judgements

The directors evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

Key Estimates

(i) Project Funds Held

The project funds held have been reviewed to determine whether there is any objective evidence that any of the projects funds have not been utilised or already expended. The project funds liability stated is based on the best information at reporting date of unused or unexpended services.

(ii) Useful Lives of Plant and Equipment

As described in Note 1, the Entity reviews the estimated useful lives of Plant and Equipment at the end of each annual reporting period.

Key Judgements

(i) Lease Term and Option to Extend under AASB 16

The lease term is defined as the non-cancellable period of a lease together with both periods covered by an option to extend the lease if the lessee is reasonably certain to exercise that option; and also periods covered by an option to terminate the lease if the lessee is reasonably certain not to exercise that option. The options that are reasonably going to be exercised is a key management judgement that the entity will make. The entity determines the likelihood to exercise the options on a lease-by-lease basis looking at various factors such as which assets are strategic and which are key to future strategy of the entity.

(ii) Employee Benefits

For the purpose of measurement, AASB 119: *Employee Benefits* defines obligations for short-term employee benefits as obligations expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service. As the entity expects that most employees will not use all of their annual leave entitlements in the same year in which they are earned or during the 12-month period that follows (despite an informal internal policy that requires annual leave to be used within 18 months), the directors believe that obligations for annual leave entitlements satisfy the definition of other long-term employee benefits and, therefore, are required to be measured at the present value of the expected future payments to be made to employees.

THE BILLY GRAHAM EVANGELISTIC ASSOCIATION LIMITED
ABN: 25 000 268 333

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021

(k) Foreign Currency Transactions and Balances

Foreign Currency transactions during the period are converted to Australian currency at the rates of exchange applicable at the dates of the transaction. Amounts receivable and payable in foreign currencies at balance date are converted to the rates of exchange at that date.

The gains and losses from conversion of short-term assets and liabilities, whether realised or unrealised, are included in operating profit as they arise.

Note 9 Right-of-Use Assets

The Entity's lease portfolio includes buildings. These leases have an average of 3 years as their lease term.

Options to Extend or Terminate

The option to extend or terminate are contained in several of the property leases of the Entity. These clauses provide the Entity opportunities to manage leases in order to align with its strategies. All of the extension or termination options are only exercisable by the Entity. The extension options or termination options which were probable to be exercised have been included in the calculation of the Right-of-Use Asset.

This lease is measured at cost in accordance with the Entity's accounting policy as outlined in Note 1.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
THE BILLY GRAHAM EVANGELISTIC ASSOCIATION LIMITED**

Opinion

We have audited the financial report of The Billy Graham Evangelistic Association Limited (the registered entity), which comprises the statement of financial position as at 31 December 2021, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and the directors' declaration.

In our opinion, the accompanying financial report of the registered entity is in accordance with Division 60 of the Australian Charities and Not-for-Profits Commission Act 2012 (the ACNC Act), including:-

- i. giving a true and fair view of the Registered Entity's financial position as at 31 December 2021 and of its financial performance for the year then ended; and
- ii. complying with Australian Accounting Standards – Reduced Disclosure Requirements and Division 60 of the Australian Charities and Not-for-Profits Commission Regulation 2013.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Registered Entity in accordance with the auditor independence requirements of the ACNC Act, the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Registered Entity's financial reporting responsibilities under the Australian Charities and Not-for-Profits Commission Act 2012. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Information Other than the Financial Report and Auditor's Report Thereon

The directors are responsible for the other information. The other information comprises the information included in the registered entity's annual report for the year ended 31 December 2021, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the Registered Entity are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the Australian Charities and Not-for-Profits Commission Act 2012 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Registered Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Registered Entity or to cease operations, or have no realistic alternative but to do so.

THE BILLY GRAHAM EVANGELISTIC ASSOCIATION LIMITED
ABN: 25 000 268 333

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
THE BILLY GRAHAM EVANGELISTIC ASSOCIATION LIMITED**

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Registered Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Registered Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Registered Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
