**HANDS AND FEET INCORPORATED****NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2018****Note 1 - Reporting entity**

**Note 2 - Basis of preparation*****Statement of compliance***

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Act 2009* and the *Australian Charities and Not-for-profits Commission Act 2012*. The Committee has determined that the Association is not a reporting entity.

The financial report has been prepared in accordance with the mandatory Australian Accounting Standards applicable as below: -

AASB 101:	Presentation of Financial Statements
AASB 107:	Statement of Cash Flows
AASB 108:	Accounting Policies, Changes in Accounting Estimates and Errors
AASB 1048:	Interpretation of Standards
AASB 1054:	Australian Additional Disclosures

No other Australian Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

***Basis of measurement***

The financial statements, except for the cash flow information, has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

***Comparatives***

Where required by Accounting Standards comparative figures have been adjusted to conform to changes in presentation for the current financial year.

***Critical accounting estimates and judgements***

The Committee evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Association.

**Note 2 - Basis of preparation (continued)**

***Critical accounting estimates and judgements (continued)***

Key estimates

*Impairment*

The Committee assesses impairment at the end of each reporting period by evaluation of conditions and events specific to the Association that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

**Note 3 - Significant accounting policies**

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

***Goods and Services Tax (GST)***

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

***Income Tax***

Hands and Feet Incorporated is a not-for-profit Charity & Public Benevolent Institution and is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

***Revenue recognition***

Revenue is measured at the fair value of the consideration received or receivable. All revenue is stated net of the amount of goods and services tax (GST). Revenue is recognised for the major business activities as follows:

*Grants, donations and bequests*

Income arising from the contribution of an asset (including cash) is recognised when the following conditions have been satisfied:

- (a) the entity obtains control of the contribution or the right to receive the contribution;
- (b) it is probable that the economic benefits comprising the contribution will flow to the entity; and
- (c) the amount of the contribution can be measured reliably at the fair value of the consideration received.

*Interest*

Revenue from interest is recognised on an accruals basis.

**HANDS AND FEET INCORPORATED****NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2018****Note 3 - Significant accounting policies (continued)*****Impairment of assets***

At the end of each reporting period, the Association reviews the carrying values of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less the costs to sell and its value-in-use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is recognised in the statement of profit or loss and other comprehensive income.

***Cash and cash equivalents***

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

***Trade receivables***

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less a provision for impairment.

Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off. A provision for impairment is established when there is objective evidence that the Association will not be able to collect all amounts due according to the original terms of receivables.

***Property, plant and equipment*****Recognition and measurement**

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the asset. Purchased software that is integral to the functionality of the related equipment is capitalised as part of that equipment.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the statement of profit or loss and other comprehensive income. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

**Subsequent costs**

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Association and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the statement of profit or loss and other comprehensive income during the financial period in which they are incurred.

**HANDS AND FEET INCORPORATED****NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2018****Note 3 - Significant accounting policies (continued)*****Property, plant and equipment (continued)*****Depreciation**

The depreciable amount of all property, plant and equipment including buildings and capitalised lease assets, but excluding freehold land, is depreciated on a straight line basis over the asset's useful life to the Association commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Furniture and equipment	20% - 25%
Motor vehicles	20%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

***Trade and other payables***

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Association during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability. The carrying amount of trade and other payables is deemed to reflect fair value.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF**  
**HANDS AND FEET INCORPORATED**

***Opinion***

We have audited the accompanying financial report, being a special purpose financial report of Hands and Feet Incorporated which comprises the statement of financial position as at 30 June 2018, the statement of profit or loss and other comprehensive income, the statement of changes in funds and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the Committee's Declaration.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the Association as at 30 June 2018 and its financial performance and its cash flows for the year then ended in accordance with the *Associations Incorporation Act 2009* and *Australian Charities and Not-for-profits Commission Act 2012*.

***Basis for Opinion***

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibility for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the auditor independence requirements of the *Associations Incorporation Act 2009* and the *Australian Charities and Not-for-profits Commission Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

***Emphasis of Matter - Basis of Accounting***

Without modifying our opinion, we draw attention to Notes 1 and 2 to the financial statements, which describes the basis of accounting. The financial report has been prepared to assist the Committee to meet the requirements of the *Associations Incorporation Act 2009* and the *Australian Charities and Not-for-profits Commission Act 2012*. As a result, the special purpose financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

***Committee's Responsibility for the Financial Report***

The Committee of the Association is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the *Associations Incorporation Act 2009* and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the Committee determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

The Committee is responsible for overseeing the Association's financial reporting process.

***Auditor's Responsibilities for the Audit of the Financial Report***

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at *The Auditing and Assurance Standards Board* and the website address is <http://www.auasb.gov.au/Home.aspx>

We communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

***Report on Other Legal and Regulatory Requirements***

In addition, our audit report has also been prepared for the members of the Association in accordance with section 24(2) of the *Charitable Fundraising Act 1991*. Accordingly, we have performed additional work beyond that which is performed in our capacity as auditors pursuant to the *Associations Incorporation Act 2009* and the *Australian Charities and Not-for-profits Commission Act 2012*. These additional procedures included obtaining an understanding of the internal control structure for fundraising appeal activities and examination, on a test basis, of evidence supporting compliance with the accounting and associated record keeping requirements for fundraising appeal activities pursuant to the *Charitable Fundraising Act 1991* and Regulations.

It should be noted that the accounting records and data relied upon for reporting on fundraising appeal activities are not continuously audited and do not necessarily reflect after the event accounting adjustments and the normal year-end financial adjustments for such matters as accruals, prepayments, provisioning and valuations necessary for year-end financial report preparation.

The performance of our statutory audit included a review of internal controls for the purpose of determining the appropriate audit procedures to enable an opinion to be expressed on the financial report. This review is not a comprehensive review of all those systems or of the system taken as a whole and is not designed to uncover all weaknesses in those systems.

The audit opinion expressed in this report pursuant to the *Charitable Fundraising Act 1991* has been formed on the above basis.

HANDS AND FEET INCORPORATED*****Auditor's opinion***

Pursuant to the requirements of Section 24(2) of the *Charitable Fundraising Act 1991* we report that, in our opinion:

- a) the financial report gives a true and fair view of the financial result of fundraising appeal activities for the financial year ended 30 June 2018; and
- b) the financial report has been properly drawn up, and the associated records have been properly kept for the period 1 July 2017 to 30 June 2018, in accordance with the *Charitable Fundraising Act 1991* and Regulations; and
- c) money received as a result of fundraising appeal activities conducted during the period 1 July 2017 to 30 June 2018 has been properly accounted for and applied in accordance with the *Charitable Fundraising Act 1991* and Regulations; and
- d) at the date of this report there are reasonable grounds to believe that Association will be able to pay its debts as and when they become due and payable.
