This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the annual financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

Reviewer's responsibility

My responsibility is to express a conclusion on the annual report based on my review. I conducted my review in accordance with Auditing Standard on Review Engagements ASRE 2400 Review of a financial report performed by an assurance practitioner who is not the auditor of the entity, in order to state whether, on the basis of the procedures described, anything has come to my attention that causes me to believe that the financial report is not presented fairly, in all material aspects, in accordance with the Australian Accounting Standards. ASRE 2400 requires me to comply with the requirements of the applicable code of professional conduct of a professional accounting body.

A review of an annual financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

In conducting my review, I have complied with the independence requirements of the Australian professional accounting bodies.

**Conclusion**

Based on my review, which is not an audit, nothing has come to my attention that causes me to believe that the annual financial report of Kids Outreach International limited does not present fairly in all material respects the financial position of the company as at 31 December 2019, and its financial performance for the year ended on that date, in accordance with the Australian Accounting Standards.

### **Notes to, and forming part of, the Financial Statements**

#### **1. Statement of significant accounting policies**

This financial report covers Kids Outreach International Limited as an individual entity. Kids Outreach International Limited is incorporated as a company limited by guarantee under the Companies Act.

##### **Basis of preparation**

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, and the requirements of the Companies Act.

Australian Accounting Standards set out accounting policies that the AASB has conducted would result in a financial report containing relevant and reliable information about transactions, events and conditions to which they apply. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Standards. Material accounting policies adopted in the preparation of this financial report are presented below. They have been consistently applied unless otherwise stated.

The financial report has been prepared on an accruals basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

##### **(a) Property, plant and equipment**

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

##### **Plant and Equipment**

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amounts from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

##### **Depreciation**

The depreciable amount of all fixed assets including buildings is depreciated on a diminishing value basis over their useful lives commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

## **Kids Outreach International Limited**

ABN: 61 085 680 973

Gains and losses on disposal are determined by comparing proceeds with the carrying amount. The gains and losses are included in the income statement. When revalued assets are sold, amount included in the revaluation relating to that asset are transferred to retained earnings.

### **(b) Impairment of assets**

At each reporting date, the company reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

### **(c) Employee benefits**

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year have been measured at their nominal amount. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

### **(d) Cash and cash equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

### **(e) Revenue**

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Revenue from the rendering of services is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

### **(f) Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the balance sheet are shown inclusive of GST.

### **(g) Comparative figures**

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

### **(h) Rounding of amounts**

Amounts in the financial report and directors' report have been rounded to the nearest \$1.
